Held item: Metronome

Moves: Echoed Voice, Confuse Ray, Disable, Feint Attack

Items:

Quagsire Island

Pokeball: To the lower left of the beach

Miracle Seed (Hidden): Lower right base tile of the leftmost palm tree

Water Gem (Hidden): Small rock to the right of the sailor

Charcoal: After resolving dispute between Sailor and Firebreather in the Richmond Dome (Friendship)

Potion x2: After giving the Pokeball you found earlier to the Youngster to the lower left (A Fair Trade)

Expert Belt: After showing the Fisherman on the lower right side of the beach a Chinchou, he will gift you an Expert Belt. (Peak into the Sea)

Highrise Island Section A

Greatball: After going right immediately within the first grass patch, go down the stairs and to the left of the beach

Potion: Within the 2nd grass patch, bottom right

Pecha Berry x3: Within the 3rd grass patch, to the bottom right of the second portion

Oran Berry x3: Given after beating Camper Luke

Highrise Island Section B

Ether: Bottom left of the large grass patch to the side of the first path

Cheri Berry x3: To the left behind the Trainer's Guild Outpost

Super Potion: Inside Trainer's Guild Outpost, to the left of the counter

Jaco Berry: After speaking to the Daisy Damsel, proceed through the rest of the demo. After beating the Quartet, return and speak to her. You will only receive the item if you have not stepped on any flower tiles prior to speaking to her. (Flower Power)

TM 58 Yawn: Speak to the Scientist at the beginning of Section C. She will return here and, after battling with you, will give you TM 58: Yawn (Science of All Kinds)

Highrise Island Section C

Great Ball: To the right of the 2nd grass patch, before the cave entrance

Super Potion: After battling Youngster Kyle, answer his question about Bonsly correctly by speaking to him again. (Pokeology)

Pokedoll: After reaching the end of Cragside Caverns, it will be in the lower right section of the large grass patch.

Cragside Caverns

Rock Gem: Near top entrance

Hard Stone: On the ground after jumping the first ledge

TM 32 Spotlight: On ground after circling around the 2nd ledge

Everstone: Deliver the man waiting at the right exit to the Caverns a Fresh Water (Freshest Water)

Highrise Island Section D

Chesto Berry x3: Near the northern entrance, on the right side of the path

TM 01 Growth: To the left side of the southern beach

Highrise Island Lake

Fresh Water: Found on the right side of the lake, hidden behind trees

Lum Berry x2: Down below the lower grass patch

Sidequests:

Friendship:

- Speak to the Firebreather in the Richmond dome. He will task you with speaking to the Sailor
- Speak to the Sailor, he will return his Pelipper to its Pokeball

- Speak to the Firebreather again. This will initiate a cutscene where you will be given Charcoal

A Fair Trade:

- Take the Pokeball from the lower left beach on Quagsire Island
- Speak to the Youngster overlooking this Pokeball. He will ask for the Pokeball, and in return will offer you 2 Potions

A Peak into the Sea:

- Speak to the Fisherman on the lower right of the beach. He will ask you to show him a Chinchou
- You can catch a Chinchou either in Section A or C of Highrise Island with a 30% encounter rate
- Talk to the Fisherman with Chinchou in your party, show him it, and he will gift you with an Expert Belt

Flower Power:

- Speak to the Daisy Samsel in Section B of Highrise Island. She will task you with not stepping on a single flower
- After completing the first round of the cup, return to her after stepping on no flower tiles and she will reward you with a Coba Berry
- NOTE that this quest can easily be skipped, simply speak to her after you've completed round 1 and then immediately speak to her again. The game will register the quest as completed despite no time having been passed.

Pokeology:

- Speak to Youngster Kyle after defeating him at the beginning of Highrise Island section C
- Answer his question about Bonsly correctly (Either the Bulbs or the Habitat)
- He will give you a Super Potion in return

Science of All Kinds:

- Speak to the scientist at the beginning of Section C of Quagsire Island
- Tell her where to find Luminian Hoothoot
- Return to Section B in the upper left grassy section and speak to her again
- After beating her in a battle, she will offer you TM 58, Yawn

Freshest Water:

- Talk to the man to the right southern exit to Cragside Caverns
- Retrieve him a Fresh Water
- After giving it to him, he will return with an Everstone
