

Living Leaders 2026-2027

Mission Statement:

Living Leaders create a workplace culture that encourages and supports the health and wellness of all staff members at Sunrise Elementary.

Proposal: We are requesting **\$1300** for the 2026-2027 school year. The funds will be used to help our staff feel more fit, supported, well rested and energized to be able to better serve our students. Through activities, health and wellness challenges with giveaways, and healthy snacks we are also establishing a positive workplace culture.

From last year's approved funds, we were able to provide snacks for all staff, prizes for accomplishing fitness and mental health challenges, and a reading challenge.

Ongoing Moral Activities: To encourage ongoing support of physical and mental health, we will promote the following: **\$400 requested**

- Brag Jar: YEAR LONG Staff will be encouraged to submit a "brag" to a jar, sharing how they took care of their bodies. "Brag" will be pulled from the jar a month and the winner will receive a \$20 prize. **(\$250)**
- Reading Challenge: JAN-MAY Staff will be encouraged and supported to read/listen to books and highlight a novel to share. Staff that participate will be eligible to win a prize (Kindle purchased with last years funds)
- Mile Challenge: OCT-DEC How many miles can you walk this year? Check off each mile you do. Top walker will win our big prize with 2-3 participants earning prizes as well. **(\$150)**

Healthy Snacks: Last year, we received a lot of positive feedback about our healthy "snack of the week". We would like to continue that in the upcoming school year. We request **\$900** (\$25/week for 36 weeks) to provide a snack. This snack will be located in the teacher's lounge and available to ALL staff. **\$900 requested.**

The following includes a summary of the proposal:
