| Address | PO BOX 302101 MONTGOMERY AL - 36130 |

This program does not award credit. If the grade report does not include a numeric value for credit, and credit for the coursework does not appear on another high school transcript, the Eligibility Center will award only a half unit of credit.

This program does not award credit. If the grade report does not include a numeric value for credit, and credit for the coursework does not appear on another high school transcript, the Eligibility Center will award only a half unit of credit. Coursework from this school/program meets NCAA nontraditional core-course legislation. "CREDIT RECOVERY" and "CREDIT ADVANCEMENT" coursework cannot be used in NCAA initial-eligibility certifications. This school/program has withdrawn "CREDIT RECOVERY" and "CREDIT ADVANCEMENT" coursework from the review process.

Legal Disclaimer: The list of NCAA courses, and courses contained within, are maintained as a guide for prospective student-athletes seeking NCAA initial-eligibility. The list of approved courses does not, nor is intended to, signify accreditation, certification, approval or endorsement of any high school or specific courses by the NCAA or NCAA Eligibility Center and is subject to change at any time and without notice. Core course information included on this Web site is provided for guidance purposes only and should not be solely relied on as an indication of NCAA initial-eligibility. Certification of a prospective student-athlete is case-specific, and the Eligibility Center has the authority to determine in its sole discretion whether the prospective student-athlete has met all criteria.

NCAA legislation permits a student to receive credit for a core course only one time. As a result, if a student repeats a core course, the student will only receive credit once for the core course, and the highest grade earned in the course will be included in the calculation of the student's core course grade point average. Likewise, if a student completes a course that is duplicative in content with another core course, the student will only receive credit for one of the duplicative courses, and the course with the highest grade earned will be included in the calculation of the student's core course grade point average.

ACCESS Offers NCAA-Approved Courses

English Courses

AP English Language & Composition
AP English Literature & Composition
Creative Writing
English 9
English 10
English 11
English 12

Social Science Courses
