

The Pidgeon is Watching

Superior Kristen?

Kristen Stewart made an unhinged rant last week all over social media. She had done a photoshoot wearing facsimile fight attires of various UCC fighters and compared herself to the people usually wearing the attires. Chances are you didn't see it as **Raccoon** managed to suppress it and had it removed within hours of posting. Luckily the **Pidgeon** has eyes and ears everywhere and Kristen's post was copied and sent to the Pidgeon. And now it is here for all to see.

Hi, I'm **Kristen Stewart**. Anybody into MMA knows that I am the world's best MMA fighter! I am superior!

I'm more powerful than the entire Raccoon stable put together! Because I am superior! Raccoon might not have the best fighters in the UCC, but few if any MMA fighters could do what I did – beat twenty Raccoon fighters at the same time! And I've done it multiple times! I am... superior to all of them! Not only am I a superior fighter, I am superior to them in everything! Anything a Raccoon might think they are good at, I'm better, because I'm superior!

To further prove my point, I got a photographer to take some photos of me wearing copies of their lame fight attires to show why I am superior. Let's compare.

First we have **Zendaya**. She isn't a Raccoon, but she's so intertwined with them she might as well be one. Zendaya is so proud of her long, powerful legs, but as you can see my legs are far superior.

And here we have who Zendaya is intertwined with – **Alexandra Paul**, *the Beanpole*. Who knows why? The beanpole thinks she's a triathlon goddess, hah! She's nothing but a *try* athlete, trying to be an athlete. She cried like a baby when she heard I'm a superior athlete, I'm faster, stronger, more durable... superior in every way. I'm even a superior lifeguard!

Like Zendaya, the Beanpole thinks she has sexy legs. Her legs don't come close to Zendaya's and as my legs are superior to Zendaya's legs, that means my legs are over a thousand times superior to her twigs for legs..

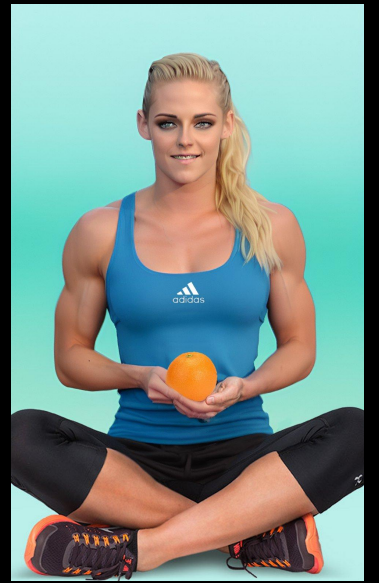

The World Champion swimmer **Hanna-Maria Seppälä**. Oh please, there's no doubt I'm superior to her too!

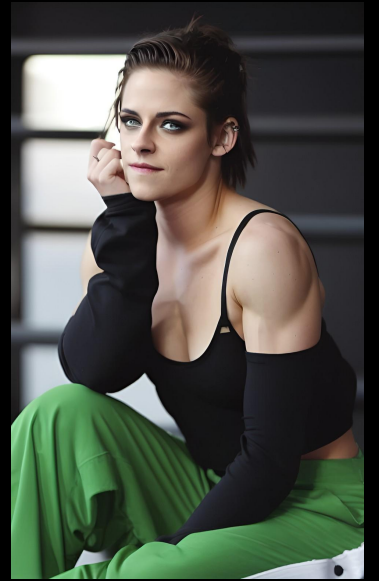

Not only have I overpowered her weak sauce muscles and soundly beaten her, proving that my muscles and fighting skills are superior to her's... But I'm also by far the superior swimmer! I could also be a World Champion swimmer if I wanted to! But I don't want to.

And may I add that, like I'm superior to her, *oranges* are superior to *apples*! It would be easier to crush her than this superior orange! Because I'm superior!

Hanna-Maria's girlfriend **Victoria Justice** is actually quite good, but then again she's not a Raccoon.

Here, in her Standard fight attire, she's staring into nothingness, contemplating... as if she didn't know I'm a superior contemplater!

Katie Cassidy loves her leather bondage outfits, but leather outfits look superior on me!

I've heard **Jessica Simpson** sing... I'm sure we all agree that I'm the superior singer.

And my legs are superior to those skinny legs. Without doubt she has the strongest legs in Raccoon, but can you imagine that some think her legs are the strongest in UCC? How delusional can you be?

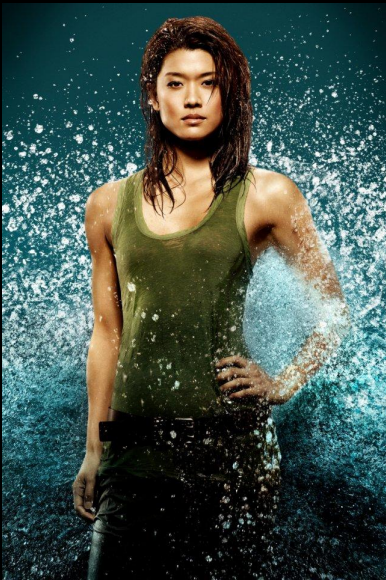

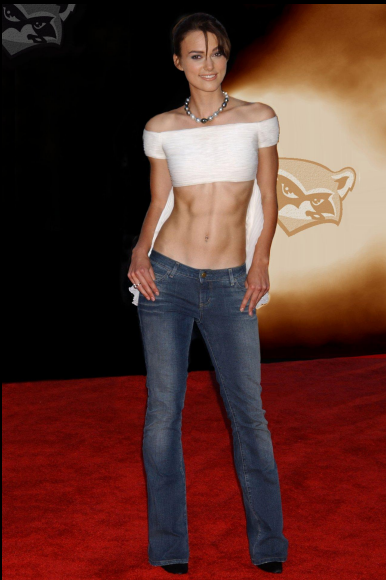

Joalin Loukamaa... sweet Joalin... the only problem with Joalin is that she's a Raccoon. Regardless of how sweet she is, my sweetness is sweeter and superior!

Keira Knightley is a has-been. She might have the strongest abs in Raccoon but my abs are superior, as we can see. And I'm also a superior football player; my control of the ball is, you guessed it, superior!

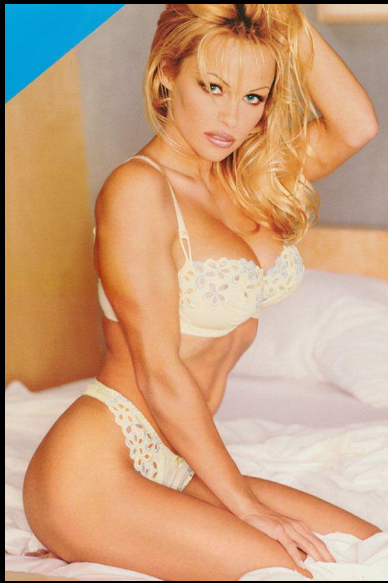

Grace Park... I don't actually have anything against her... I could do her! That doesn't mean I'm not superior to her, because I am. Just look how superiorly I embrace the water!

Melanie Chisholm, Sporty Spice! What a joke! You wouldn't even believe how superior I am to her! I Have a superior singing voice! Even my English accent is superior! As is my sportiness!

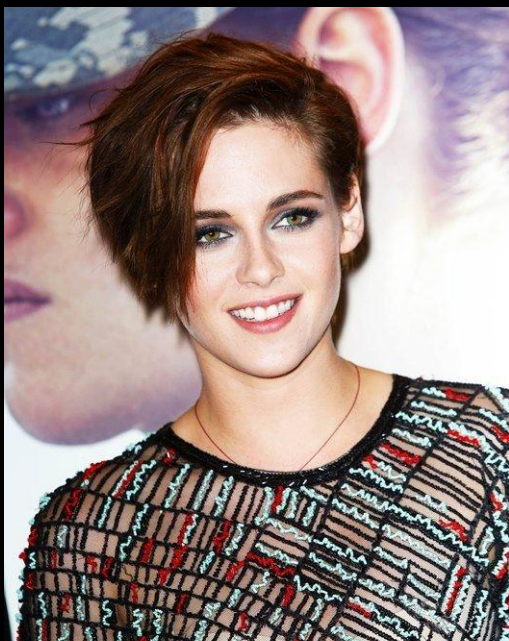

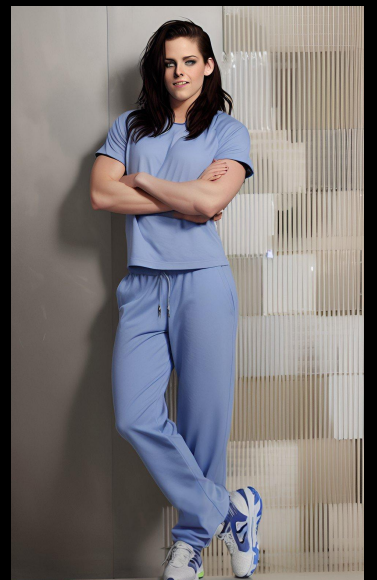

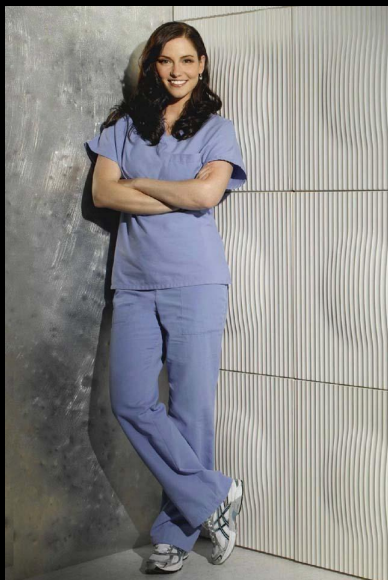

Pamela Anderson... I could definitely bang her, but boy, oh boy am I superior to her! She's so proud of her biceps and her arms strength, but what happened when we arm wrestled? I beat her easily! It's ridiculous how superior my strength is! Guess what happened after that? That's right I beat her in combat! Easily! So easily... so superiorly! It's a pity I haven't been able yet to prove my superiority in bed, but she, I and all of you know I am superior in bed!

Jessica Alba is not a Raccoon either, but that doesn't change the fact that I'm superior to her! I don't think I need to mention how superior I am, I think it's enough to say that I made her and Chyler Leigh my bitch brides.

Oh my god, Chyler is so inferior to me! I'm... *hyperior* in comparison! I've lost count how many times I've beaten her! Can you believe that her favorite color is red? Really? How stupid can you be? I don't just have one favorite color, I have two *superior* favorite colors, namely bright red and bright blue!

As you can see, I'm clearly superior to these weak, incompetent, ugly Raccoons!

I am Kristen Stewart and I'm superior!
