

The Melee Games

What is this?

The Melee Games will be a free-to-enter circuit run from 2/11/14 to 3/29/14 in Boston, MA.

[Check out the awesome story that Boston Magazine did about The Melee Games!](#) Please note that some things have changed - We now have 10 schools participating, not 8! Scroll down for the bracket image.

How do I enter?

Registration is closed.

We have 137 players from **Boston University, Boston College, UMass Boston, University of Connecticut, MIT, Harvard, Northeastern University, Tufts University, UMass Amherst, and WPI** signed up.

How does it work?

This is a crew-battle bracket. [Click here for a description of a Crew Battle and how it works.](#) There is no cap on how many people can be on your school's crew, but you and your opposing school must agree on an equal number of players to send in. Grand Finals will be live-streamed by VGBootCamp at [NSA2 on Saturday March 29th in Boston.](#)

This is a great way for new players to join the scene, so don't be deterred if you've never come out or have played only a few times!

Where will the matches be?
