

Aaron Shirley's coin wantlist.

Last updated August 8, 2022.

Currently, I'm focusing on BRITISH & MEXICAN COPPERS. I also have collections from BAHAMAS, CANADA, COSTA RICA, DOMINICAN REPUBLIC, GERMANY, more GREAT BRITAIN, PANAMA, U.S.A, VATICAN CITY and more. And I'm building worldwide birth year collections for my kids: every coin, token or note with the date 2003 or 2005 is fair game if I don't already have it. Can you help?
