Re: Accreditation of CME/CPD activities in the field of Dental Medicine

Dear Colleagues,

I wrote to you some time ago to inform you that the EACCME® would start accrediting activities aimed at General Practitioners / Family Physicians as of 1st April 2024.

I am now pleased to inform you that the EACCME® has extended its accreditation offer to the specialty of **Dental Medicine**.

Dental medicine is the branch of medicine focused on the teeth, gums, and mouth. It consists of the study, diagnosis, prevention, management, and treatment of diseases, disorders, and conditions of the mouth, most commonly focused on dentition (the development and arrangement of teeth) as well as the oral mucosa (Wikipedia).

Therefore, as of **Monday 6th May 2024**, you will be able to submit applications for CME/CPD activities in the field of Dental Medicine on the EACCME® platform <https://eaccme.uems.eu>.

I hope you will appreciate this new development and look forward to furthering our collaboration.

Yours sincerely,

Dr João Grenho
Secretary General of UEMS
