Subject: I support [name of scheme]

Email content:

Dear Councillors [names],

I am a resident living in [Name of your ward/area] and I am writing to tell you about the positive changes the measures supported by Guy's and St Thomas' Charity have made to me and my family.

I [live/work/shop] in [ward/area]. The low traffic neighbourhood has made such a difference for me. It is now [much safer for me to.../it is now much more pleasant...]. There is less noise and pollution as well as being safer to [walk/cycle]. [add any other positive impact that the changes had on your day-to-day life e.g. I can sleep better, I can cross the road unaided, I feel safe when cycling, I can breathe better, etc]

Thank you for your time in reading this letter and hope to hear back from you soon.

Kind Regards,

[Your name, address]

--- What to expect after you've sent the email ---

Cabinet members and your councillors will likely respond. You can then send a short email thanking them for their response. As the situation evolves and Southwark announces further improvements, there will be a chance to send follow up emails.
