- Hey guys - can't tune in live tonight, but wanted to say that it was an absolute blast at gigastock! I got to meet Scott and Chad personally and traded pathtags! (I did yell chad and he let me take a pic with his 10,000 sign!) Craig was busy being Joshua's camera man, but I was able to get on the live stream and I yelled out his patented "Oooh hoo hoo hoo hooo!"

- On behalf of GEO (Geocachers Exploring Oregon), we know that geocaching has taken you and your followers on many exciting adventures -- from the summit of Mt. Hood, to the depths of St. Helens' lava tubes -- from the comfort of an LPC, to the hike to GC17 (Phew!). For 25 years, cachers have been searching the wild for places to hide and find caches.
-
- Geocaching started in Oregon, and GEO is planning a different, and rather rare, event on September 13th at Champoege State Heritage Area, to honor geocaching's origins here in Oregon:
-
- Oregon: Where It All Began (GCB32PD)[<https://geocaching.com/geocache/GCB32PD>]. We chose Champoege as the site to host this amazing event to honor the history of the State of Oregon.
-
- We are hoping to achieve BLOCK PARTY status for this amazing event to celebrate the 25th anniversary of geocaching, which started here in Oregon. HQ is offering the coveted "Block Party" icon to a limited number of events this year to celebrate the 25th anniversary of Blue Switch. We need at least 300 Will Attends to get the BLOCK PARTY status for this event.
- They have 228 at the time of this posting!
