

Privacy Policy for Chess.com Opponent Risk Score

Effective Date: 07.12.2024

Introduction

Chess.com Opponent Risk Score ("we," "our," or "us") respects your privacy and is committed to protecting it. This Privacy Policy explains what information we collect, how we use it, and your rights regarding your information when you use our Chrome extension.

Information We Collect

The [Extension Name] Chrome extension calculates the probability of an opponent being a cheater on Chess.com. To provide this functionality, the extension collects the following information:

- **Your username on Chess.com:** This is used solely to differentiate you from your opponent. No analysis is done using your username.

How We Use Your Information

The information collected by Chess.com Opponent Risk Score is used exclusively for the following purpose:

- To calculate the probability of an opponent being a cheater on Chess.com.

Data Storage and Sharing

- **No Data Storage:** Chess.com Opponent Risk Score does not store any of your information, including usernames, on any server or local database. All processing occurs locally on your device.
- **No Data Sharing:** Your information is not shared with anyone, including third parties.

Third-Party Services

Chess.com Opponent Risk Score does not integrate with or rely on any third-party services or APIs that process or store your data.

Children's Privacy

Our extension is not directed to children under 13. We do not knowingly collect or solicit information from children under 13. If we discover that we have inadvertently collected information from a child under 13, we will delete it as quickly as possible.

Your Consent

By using Chess.com Opponent Risk Score, you consent to this Privacy Policy.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be reflected with an updated effective date at the top of this policy. We encourage you to review this policy periodically for any updates.

Contact Us
