Privacy Policy for PromptPad

1. Data Collection: PromptPad does not collect any personally identifiable information.
2. Website Content: The extension accesses the text content of the current tab (articles or YouTube subtitles) only when the user explicitly clicks the "Capture" button.
3. Data Storage: All captured data and user-created prompts are stored locally on the user's device using `chrome.storage.local`. No data is transmitted to external servers.
4. Third-Party Access: We do not sell, trade, or otherwise transfer any user data to third parties.
5. Permissions: The permissions (activeTab, scripting, storage) are used solely for the extension's core functionality.
