

****Privacy Policy for Lljobs****

****Introduction****

Lljobs is a Chrome extension designed to help users track and save LinkedIn job postings directly to Google Sheets. This privacy policy outlines how we handle your data.

****What Data Do We Collect?****

Lljobs collects the following information:

- The URL of the LinkedIn job page.
- Job details, including the job title and company name.
- Google account information necessary for authenticating with Google Sheets (via OAuth2).

****How Do We Use Your Data?****

We use your data only to provide the functionality of the extension, including:

- Extracting job details from LinkedIn job pages.
- Saving job details to your Google Sheets account.

****Do We Share Your Data?****

No. Lljobs does not share, sell, or use your data for advertising purposes. Your data is only used locally and for communication with Google Sheets APIs.

****Third-Party Services****

Lljobs interacts with the Google Sheets API to create and update spreadsheets in your Google Drive. For more information, see Google's Privacy Policy:
<https://policies.google.com/privacy>.

****Changes to This Privacy Policy****

We may update this privacy policy from time to time. Any changes will be reflected on this page.
