

Mr.Beast vs. Freddy Frasbear

Mr. Beast is mad at Freddy Frasbear because he stole something from him. Mr. Beast goes outside and finds Freddy Frasbear in his yard. They both run toward each other and the next thing they know they are in a video game. They look at each other and hear “Ready, set, fight!” Music starts playing and they begin to battle. Freddy says “what is your problem?”, Mr.Beast says “you stole from me”. Freddy apologies “I am sorry for stealing” and Mr. Beast accepts his apology “just don’t do it again”. They hug each other and are transported back to earth. Freddy gives Mr.Beast his ninja toy back. Then Freddy heads back to his pizza place. Mr. Beast walks back into his house and looks around, he then notices his chair pixelating. To be continued...
