

Declaration of Compliance

This package contains antique firearms manufactured prior to 1898 and are chambered for cartridges which are considered obsolete and in compliance with Canadian Regulations Prescribing Antique Firearms:

1. The firearms listed in the schedule are antique firearms for the purposes of paragraph (b) of the definition "antique firearm" in subsection 84(1) of the Criminal Code. 7. A handgun manufactured before 1898 that is capable of discharging centre-fire cartridges, other than a handgun designed or adapted to discharge 32 Short Colt, 32 Long Colt, 32 Smith and Wesson, 32 Smith and Wesson Long, 32-20 Winchester, 38 Smith and Wesson, 38 Short Colt, 38 Long Colt, 38-40 Winchester, 44-40 Winchester, or 45 Colt cartridges.

To wit:

These antique firearms are also compliant with United States law, GCA of 1968, Title 18 USC Chapter 44 SS921 (16) "Antique Firearms" and may be bought, sold, and shipped with no regulations as per the U.S. Laws.
