Eugene Grovington

settles into a perch overlooking the main room

Bran Brychanson joined the conversation

Eugene Grovington

(Roles have been distributed.)

Chase Devineaux

(How many Mafia and how many Townies? And any observers?)

Eugene Grovington

(Three mafia. No observers.)

(As a note, check with GM's before adding observers.)

Gunnar Svensson

(How many total players?)

Eugene Grovington

(13. Everyone in the room besides the GM's.)

Ivy Monaghan

notes

Eugene Grovington

And now, Wade has prepared an announcement.

" Welcome to Stark Mansion. It's a dark and stormy night and... people are totally going to be kidnapped and INFECTED with the Legacy Virus that removes your powers..."

Chase Devineaux

Thanks))

Eugene Grovington

Dear god, Deadpool, do I have to read this?

Dan Awesome

Yes... every word.

Eugene Grovington

" Noooo! Try to find the Anti-Mutant Trust who are infecting people. As Noble Citizens your job will be to lynch and quarantine those you think are the Anti-Mutant Trust. Day and Night cycles will be announced. This game is GMed by Hawkeye and Deadpool. Good luck, you'll need it, punks!"

You owe me big time.

Chase Devineaux

...

Ivy Monaghan

Why am I incredibly scared of this round?

Chase Devineaux

Well that leaves me out, I have no super powers.

Also... I should start charging you people rental space for this.

Gunnar Svensson

notes first suspect

Chase Devineaux

Exactly.

14 people living in one place...

For how many days?

Realizes he must be sober

Gunnar Svensson

It's the future.

Chase Devineaux

It's the present, Capt.

Gunnar Svensson

Nazi-free and still full of peril.

Nevon Blair

Swings in Watch-out!

Wow!

We get to *live* here?

Chase Devineaux

Right... sure.

Don't cook in the (Sponsored) SieMatic kitchen.

Gratuitous 2-second pan of kitchen

Ivy Monaghan

What a sturdy worktop.

Nevon Blair

Looks at kitchen in awe

And look! I can hang on the cabinet doors without worry!

Gunnar Svensson

...

Nevon Blair

SieMatic is the most advanced kitchen ever.

Chase Devineaux

Chuckles

Gunnar Svensson

Wow

You don't even pay him, do you?

Chase Devineaux

Okay that's enough product placement.

Want a Yuengling, Capt?

Nevon Blair

I make the coolest webs when I'm drunk!

Ask Deadpool.

Ivy Monaghan

I don't think I want to know.

Gunnar Svensson

...

Dan Awesome

He does.

My spidy and me!

Nevon Blair

Have you ever seen the mona lisa in web?

Gunnar Svensson

Sure, right, Yuengling.

Chase Devineaux

No, Peter, I've never seen a Mona Lisa in spiderweb...

Nevon Blair

Me neither!

Gunnar Svensson

...

How old are you... Little pal?

You're not related to him, are you?

points at Deadpool

Dan Awesome

Whaaa?

You make it sound bad.

Nevon Blair

Old enough to drive.... not old enough to drink in all 50 States.

But I can drink in Europe!

Deadpool copied my look.

Dan Awesome

Did not!

Nevon Blair

You so did, we talked about this.

Chase Devineaux

Wait, you can't drink?

Nevon Blair

Unless I'm in Europe.

Chase Devineaux

We're in Morocco.

Nevon Blair

This is your Morocco Mansion??

swings-swings-swings

Whooo hooo!!!

Gunnar Svensson

...

Nevon Blair

Takes a Yuengling

Chase Devineaux

This is what a happy boy looks like.

Nevon Blair

Drinks

Gunnar Svensson

I fought for this guy's freedom...?

Nevon Blair

Spits

This is nasty!

Ew!

Ivy Monaghan

That's... actually cute.

He's a... pauchok.

Baby spider.

Chase Devineaux

Hey, those webbings... they come off, right?

Gunnar Svensson

...

Eugene Grovington

debates if he should cut spiderman's webbing the next time he swings by

Chase Devineaux

These Moroccan tiles are hundreds of years old.

Nevon Blair

I'll clean up, Mr. Stark!

Gunnar Svensson

That sounded better in Russian, and it wasn't very pleasant sounding then, either.

Nevon Blair

(Can we PM everybody and make alliances?)

Gunnar Svensson

squashes a spider on the floor

Eugene Grovington

(Nope. We have a slight question about that, so we're going with the old rules for now.)

(No backroom conversation/alliances.)

Nevon Blair

(OK!)

Dan Awesome

Yeah no funny business.

Nevon Blair

looks at Captain America

Why would you do that?

Chase Devineaux

Looks like I should have fumigated... haven't been here in a while.

Nevon Blair

swings

Whoo-pa!

Gunnar Svensson

Whoo-pa?

Dan Awesome

WOOPA!

Gunnar Svensson

Did you serve with Raven squad, spider?

Nevon Blair

HOOPLA!

What's a Raven Squad?

Gunnar Svensson

Guess not.

Nevon Blair

Is it full of girls?

... not that I care.

Gunnar Svensson

...

We typically don't send ladies to the front lines.

At least... We didn't...

Chase Devineaux

We still don't.

Nevon Blair

I want to serve with the avengers!

Gunnar Svensson

Good to know.

Eugene Grovington

laughs

No.

Nevon Blair

I'm going to impress Mr. Fury, and I'm going to join the big boys for drinks.

Someday...

Chase Devineaux

Chuckles

Gunnar Svensson

Right, I'm afraid you'll never be on the Avenger squad until Sony gives up your rights.

Ivy Monaghan

(ha!)

Nevon Blair

Is sad

Hey deadpool, you can be in my next movie!

Ivy Monaghan

It's alright, Piotr... here is a handycam.

Dan Awesome

Heheheh Sony is loving this.

Sorry, littly Spidy, I got a movie deal of my own.

Nevon Blair

Web-snatches handycam

Dan Awesome

Ryan Reynolds is playing me.

And he...

wait, he became Green Lantern.

The douche!

Nevon Blair

Laughs a lot

Pulls out a laptop, clearly displays Sony Vvio logo

Gunnar Svensson

(LOL)

Eugene Grovington

(Heh.)

Chase Devineaux

Shows snooty apple logo on a laptop in the study

Nevon Blair

What? NO way!

Chase Devineaux

Yes... want a free iPhone 5s?

Nevon Blair

YES!

Dan Awesome

[[Reminds Spidy of his contracts]]

Chase Devineaux

Drop the Viao.

Nevon Blair

Itches

[[Argues with Deadpool]]

Wade man, iPhone!

Chase Devineaux

Wade already gets one.

Nevon Blair

What??

Dan Awesome

stops playing angry birds

I'm not in a contract, yo.

Eugene Grovington

falls asleep in his perch

Chase Devineaux

Wonders how Clint stays on

Dan Awesome

We shouldn't forget to change his newspapers.

And birdseed.

Nevon Blair

Wraps Hawkeye in webbing

Dan Awesome

draws a bikini on the webbing

Nevon Blair

High-fives DP

Dan Awesome

fives Spidy back

It's guy love!

Chase Devineaux

...

Dan Awesome

No need to hide...

for the feelings of, some other guy...

Nevon Blair

Man, you never get not-weird.

Dan Awesome

Spank you.

Chase Devineaux

Gets a drink

Nevon Blair

Can I try Scotch?

Dan Awesome

Sure little buddy.

Chase Devineaux

Pours a shotglass for Peter

Nevon Blair

Drinks

Instantly drunk

Woah...

Spins

Ivy Monaghan

Was that wise?

Chase Devineaux

Grabs Spidey and puts him into a room

I think we're done here.

Nevon Blair

Instantly sleeps

(night guys!)

Chase Devineaux

Chuckles

That cracks me up.

Drinks Scotch

Ivy Monaghan

How many glasses have you had?

Gunnar Svensson

...

Uhh... 17?

But it doesn't affect me.

Ivy Monaghan

Then what a waste.

Chase Devineaux

Waste

Gunnar Svensson

...

It's what little we soldiers get.

Chase Devineaux

No, I mean if you don't get the extra boost in bad decision-making what's the point?

Eugene Grovington

peels the webbing off of him and goes back to sleep

Gunnar Svensson

It's... American?

Chase Devineaux

...

Nope don't think that's the answer...

Gunnar Svensson

...

I'm supporting the most American of American breweries.

Chase Devineaux

You could be supporting plenty of other industries, Capt.

California oranges...

Washington apples

Gunnar Svensson

But that doesn't scream "army".

Ivy Monaghan

So it has to be the American Army.

Gunnar Svensson

Right.

Chase Devineaux

Acceptable.

Astrid Jane

Hm...

wanders in and selects an oak-wood chaise longue

claims for self

Lee Jordan

Wants to know what Stark's done with his helm and staff

Astrid Jane

I think we left it in New York.

Lee Jordan

Curses in Asgardian

Chase Devineaux

It's here... somewhere. Not giving it back though, you know the deal.

Mayara Cole

Giggles like a Valkyrie school girl at IronMan-Chase's avatar

Lee Jordan

Deal's a deal, I get it. but I have magic, you know.

Especially good magic.

Technically unsurpassed!

Elementary in deduction.

Clearly logical.

Totally legitimate.

Impeccable!

Vital!

Essential!!

Kidd Kidman

Yes, Loki.

Mayara Cole

We get it!

Sheesh, brother issues.

Chase Devineaux

You don't need your helm and weapon to do... whatever it is you do.

So if you want to help, help.

Lee Jordan

I don't have unlimited energy, Stark. I need to think first.

Mayara Cole

That's reassuring.

Gunnar Svensson

Heh

Mayara Cole

Morning Steve.

Lee Jordan

Looks suspiciously at Captain Rogers

Chase Devineaux

'Morning Steve' is probably better than 'Evening Steve'.

Ivy Monaghan

thinks Captain America looks sleep deprived

Mayara Cole

Hiya Natasha.

Ivy Monaghan

Hello Dane.

Lee Jordan

Looks at Black Widow

Chase Devineaux

Stop it, Loki, it's getting creepy.

Gunnar Svensson

Uhh... M-m-morning Greta...

Ivy Monaghan

God of Mischief is it?

Lee Jordan

I'm not sensing anything wrong with you, Captain, no mischievous thoughts... except for maybe a little one about women...

Gunnar Svensson

Sorry, Greta, I can't go steady with you anymore.

Mayara Cole

That's okay Steve Rogers, I didn't think we were going steady.

smiles like a Valkyrie

Mikal Darsha

Oh holy moly I'm stuck here with all of you kids.

Gunnar Svensson

Uh, heh.

Mayara Cole

But since we're not-breaking up in our non-relationship, you want a non-breakup-kiss?

Mikal Darsha

What is that? Is that what kids do these days?

Gunnar Svensson

wonders if Greta just confessed that she was 'easy'

Sounds good.

As long it's just a kiss, you know.

Mayara Cole

Pecks Captain Rogers in the cheek

There, all cool.

Gunnar Svensson

!

Mayara Cole

Hey Tony, do you still have vodka gummy bears?

Gunnar Svensson

I'll... Take care of that one.

Chase Devineaux

Yes... but aren't you-- Right, in the fridge, Captain.

Mayara Cole

Woot! Love me some gummies.

Lee Jordan

Looks at gummies suspiciously

Gunnar Svensson

gets gummy bears

Lee Jordan

Can I have one?

Gunnar Svensson

...are they laced?

Mayara Cole

They don't have gummy bears in Asgard.

Lee Jordan

Laced? Good question!

picks one up and scans it with his head

I declare this gummy bear... CLEAN of VIRUSES!

Gunnar Svensson

Neat gimmick.

Mayara Cole

...

o k a y . . .

This... happens all the time in Asgard.

Gunnar Svensson

Really? Snake oil salesmen?

Lee Jordan

What? You asked. As Loki, I answered.

Mayara Cole

Giggles at Snake oil

Lee Jordan

Who else could reply to your silly questions with such finesse?

Gunnar Svensson

...

Russian.

She has a way with words.

Chase Devineaux

In both Russian and English.

Mayara Cole

Captain, have you picked out a room here?

Gunnar Svensson

What? Oh, room...

Mayara Cole

One of Tony's guest rooms?

He has 30.

Gunnar Svensson

Yeah, one with a private bar, can you believe that?

Lee Jordan

I picked a room yesterday.

Gunnar Svensson

A private bar!

Lee Jordan

I have a bar too.

Mayara Cole

This isn't a competition, Loki.

Ivy Monaghan

I have not picked a room yet.

Mayara Cole

You haven't? But it's okay right? You're so familiar with this place already.

Ivy Monaghan

...

Chase Devineaux

Quickly shakes head

Ivy Monaghan

Look, a bar.

goes to bar

Mayara Cole

Oh, I thought...

Chase Devineaux

Yes, bar. God, very good.

Bar.

Lee Jordan

By God, were you referring to me?

Chase Devineaux

No...

Gunnar Svensson

...

Lee Jordan

I accept!

Mayara Cole

Again, guys, it's okay.

Gunnar Svensson

That's blasphemous, tin head.

Mayara Cole

This happens ALL the time.

Ivy Monaghan

Why does he like to trick you into that?

Chase Devineaux

I don't know why I keep falling for it.

Mikal Darsha

Don't get too drunk, Avengers.

rubs on some leather eyepatch conditioner

Mayara Cole

That looks hygienic.

Mikal Darsha

Have you ever tried to shoot down aliens with a chapped eyepatch?

Astrid Jane

That's why you have a team, don't you...

Chase Devineaux

I... *Imagines Nick Fury shooting down aliens...*

What was the question?

Lee Jordan

I've never seen Nick Fury shoot at anything.

Chase Devineaux

I saw him shoot a Frisbee once.

Mikal Darsha

I am an excellent shot.

But my team is for the big stuff.

Mayara Cole

Why do you capitalize frisbee?

Chase Devineaux

It's a brand.

Gunnar Svensson

It's-- yeah

Mayara Cole

We don't have this kind of blatant commerce in Asgard.

Lee Jordan

Yes we do. Thor's Hammer.

Mayara Cole

Oh yeah.

Astrid Jane

Mew-mew!

Lee Jordan

What did she just call me?

Mikal Darsha

Mew-what-now?

Astrid Jane

Mjölnir.

Chase Devineaux

Right, I was trying to find a good way to phrase that.

You know... without making it sound like Thor names his...

Mayara Cole

Rings a bell

Chase Devineaux

(heheh)

Mikal Darsha

(heh heh heh)

Mayara Cole

(*gotcha covered*)

Lee Jordan

Oh, THAT thing.

Ivy Monaghan

takes a shot of vodka

Ura.

Chase Devineaux

Zazdarovje

Ivy Monaghan

Ty govoriš' po Russki?

Chase Devineaux

That was more/less Polish.

I can po Russki, but it would only be heavily offensive.

Ivy Monaghan

I am not surprised.

Chase Devineaux

Dated a Russian for a while.

Not you.

So we're clear.

Ivy Monaghan

...I think I would know that.

Mayara Cole

Tries Nat's vodka

Gunnar Svensson

Heh

Mayara Cole

Very smooth.

Lee Jordan

Tries some too

Tastes like water.

Chase Devineaux

If by water you mean vodka, then yes.

Lee Jordan

Sips more

I like 'voder'

Mikal Darsha

grabs a chair with a view

Chase Devineaux

Gets a beer

Dan Awesome

Itsa party!

Mayara Cole

Who has experience with this Legacy virus thing?

Chase Devineaux

Looks at touch-screen

Dr. Henry McCoy should know more.

Astrid Jane

It's a... mutant... plague.

Chase Devineaux

Also Magneto... Wanda...

Oh hello.

Astrid Jane

It affects mutants... but has since evolved to possibly affect all other beings too.

Dan Awesome

Except for meeee! (as GM)

Mayara Cole

As an Asgardian, must I worry?

Astrid Jane

During it's first outbreak, the nation of Genosha served as quarantine zone.

JB Nimble

(Here, awake kinda. Ok, first Mafia game ever. Loading brain...67%...)

Astrid Jane

It could have mutated to affect Guardians, too.

A virus affect mutants, mutating.

I need more whipped cream.

JB Nimble

walks in Oh, the irony. I do hope that it's only our powers, and there are no other effects?

Astrid Jane

presses hand against brow

It... makes mutants lose control of their powers.

And kills them, eventually. *has very bad memories*

Chase Devineaux

Right, and we're here to see who drops first?

Ivy Monaghan

You own the house, Stark.

Astrid Jane

Who would be so awful as to bring it back!

Lee Jordan

Such things are inevitable, my friends.

Balance of the world!

Astrid Jane

shivers

Mikal Darsha

rubs chin

Mayara Cole

This really isn't about world domination, is it?

Mikal Darsha

But even humans can catch it?

Astrid Jane

Yes.

Chase Devineaux

Yeah, I don't think-- What?

Mikal Darsha

This is a problem worthy of 2/3 the Avengers indeed.

Astrid Jane

Dr. Moira MacTaggart was its first human victim.

Chase Devineaux

Inputs this into database

JAVIS, spreadsheet.

*JARVIS

...

JAR--

Oh right.

Astrid Jane

It's been used as a biological weapon against Skrulls...

And on other planets.

Chase Devineaux

punches buttons

mutters leave me to create my own spreadsheet...

Astrid Jane

I, uh...

We had... uh, a fight.

I'm sorry, Tony.

Chase Devineaux

mutters manually...

Astrid Jane

I think I left him in New York.

Chase Devineaux

...

Didn't I tell you to leave my AI alone?

Now he's probably sulking.

Watching re-runs of ET.

Astrid Jane

Or Pinocchio.

Mayara Cole

The virus, how does it mutate?

Lee Jordan

Okay, *now* I'm worried.

Astrid Jane

I wouldn't know. But Dr McCoy deciphered it once...

JB Nimble

Indeed. I believe we should focus on the issue at hand, rather than the problems of a fake person.

Gunnar Svensson

I'm sure you'll be alright Greta.

Chase Devineaux

McCoy's going to be our best resource here for a while.

Dan Awesome

That's right, use your resources!

plays with a ping pong ball on a paddle

Astrid Jane

(Good choice of Legacy Virus considering we actually have a McCoy, GMs.)

(The 90s will not leave me alone.)

Dan Awesome

(Your welcome. That wasn't random at all. We GMs are geniuses.)

Astrid Jane

(But, of course.)

I'll still make you trip anytime.

Chase Devineaux

Hank, just the man we need to see.

Philippe Breliere

Yes, I am here. I had just heard. (Via catching up, above)

JB Nimble

We must also determine who would have this virus available to them.

Astrid Jane

Dr McCoy has a sample.

But it's because he's working on a cure.

Philippe Breliere

There are samples, of course, but they are contained in underground laboratories.

Getting to them would require access such as CEDA.

Chase Devineaux

Types C-E-D-A access

I haven't typed in ages...

I think my keyboard's missing a W.

Oh wait, no... there it is.

Astrid Jane

Don't worry - it's like riding a bike--never mind...

Mayara Cole

And this is why we're all here?

Mikal Darsha

So it would seem.

JB Nimble

It -is- a crisis that could affect the whole world, and all of us.

Chase Devineaux

Sooner we weed this out the better.

What's your take, Doctor Strange?

JB Nimble

I try never to formulate opinions without as many facts as possible. However, clearly releasing this virus is the work of an insane mind.

Mayara Cole

Looks at Loki

Lee Jordan

pokerface

Ivy Monaghan

...

Philippe Breliere

I'm sure insanity in this case has very little to offer in terms of suspects.

Mayara Cole

We are all suspects, you mean?

Gunnar Svensson

Greta isn't.

JB Nimble

Indeed, as I was about to say. Each of us suffers intense pressure every day. It is reasonable to assume that any one of us may have suffered a mental break.

Chase Devineaux

Sorry to break it to you, Captain, but anyone is a suspect until they're somehow cleared.

Ivy Monaghan

He believes in the American system.

Innocent until proven guilty.

Astrid Jane

doesn't like this talk of "mental break"

Lee Jordan

The only certified crazy one around here is Wanda.

Philippe Breliere

Of course, and you.

Astrid Jane

Shut up, you.

Gunnar Svensson

Heh

Lee Jordan

I'm power-hungry.

JB Nimble

glowers at Loki, and stands a little closer to Wanda to show moral support

Mikal Darsha

Hmmm...

Mayara Cole

Seriously, Loki, you're not making Asgardians look good.

Gunnar Svensson

You're all innocent, unless you aren't.

Chase Devineaux

Cup half full?

Gunnar Svensson

But some are more innocent than most.

Chase Devineaux

Sure, let's be all optimistic.

Gunnar Svensson

Got anything better to do, Anthony?

Lee Jordan

I'm optimistic.

Philippe Breliere

I am, as well.

Gunnar Svensson

Oh wait. Sorry I asked.

Philippe Breliere

We could not have been blessed with a better team to solve this.

Chase Devineaux

You're forgiven, Capt.

JB Nimble

True. Though I wish the team had been blessed with powers. I cannot activate the Eye of Agamotto without them.

Chase Devineaux

What do you need for that to activate?

Ivy Monaghan

Powers?

Gunnar Svensson

The what of Yamamoto?

Japs again?

Lee Jordan

I have limited powers in here too.

Mayara Cole

You used it up on that gummy bear, Loki.

Lee Jordan

But at least we know it was safe to eat.

So you're welcome, Brunnhilde!

JB Nimble

The virus seems to have severed my connection to the mystical forces. So my greatest artifact, the EYE of AGAMATTO is useless, and cannot discern the truth of the matter.

Chase Devineaux

So what else can we do?

JB Nimble

We are still who we always were, and that means we have our minds.

Mayara Cole

I have my mind.

Mikal Darsha

I hate waiting around. It's just not my style.

Gunnar Svensson

He's a dang Jap.

Philippe Breliere

Activating the eye may aid us, Dr. Strange? Is there nothing else we can do?

Chase Devineaux

My question exactly.

JB Nimble

So let's not wait around. Is there any way we can determine where this virus was released from?

Chase Devineaux

Not that I know of.

Mayara Cole

Googles Eye of Agamotto

Your internet isn't working, Stark.

Chase Devineaux

Wait, what?

No, I have a T1 line.

Mayara Cole

Says here no network.

Lee Jordan

Tries to mentally boost T1 line

Sorry man, nope.

Ivy Monaghan

You are a telepath as well?

Mikal Darsha

I can live without wifi...

as long as there are no gosh darn snakes.

Lee Jordan

I'm a Norse God! I can do stuff.

Gunnar Svensson

What? No more IMUGGER?

Mikal Darsha

what did you say, boy?

Chase Devineaux

Sorry Captain.

Tries to access this from his console It's looking grim.

I'm going to the basement.

Philippe Breliere

I will aid you, Anthony.

Lee Jordan

All this for google and imgur?

Mayara Cole

Tots, you gotta know it.

JB Nimble

And for information. Contact with the rest of the world, things like that.

Gunnar Svensson

And Urban Dictionary. Otherwise Ill have no idea what you kids are saying.

Chase Devineaux

Comes back We're down... probably along the same line of Strange not being able to access his Eye of Agamotto.

Ivy Monaghan

Maybe you can leave that one out, ya?

JB Nimble

Phones? Communicators?

Philippe Breliere

Yes... this seems to be physical.

Chase Devineaux

It did just snow in Cairo for the first time in 112 years...

Mayara Cole

Cairo? Egypt?

Lee Jordan

waaaaaaht?

Somebody check on Storm.

Philippe Breliere

Ororo is with us.

Kidd Kidman

/is still asleep

(ugh, no sleep good last night....)

Mikal Darsha

Global warming is some cold mass ditch.

Kidd Kidman

(Sorry guys)

(lol Mikal)

Chase Devineaux

Senses the censors still active with Fury's speech

Gunnar Svensson

(no sleep last night here either)

Chase Devineaux

I'm guessing the back up powers are on. We'll have electricity for a while yet.

Ivy Monaghan

(it's an epidemic)

Gunnar Svensson

(...self-inflicted, though.)

Mayara Cole

(*Hugs her capt*)

Gunnar Svensson

(Heheh)

Chase Devineaux

(FYI, we're in Morocco, the temperature is 17 degrees Celsius or 63 *F.)

Mayara Cole

Grabs her coat

Kidd Kidman

(I could go for some of that)

Ivy Monaghan

So the hot tub is out of the question.

Lee Jordan

We do have heating in here don't we?

Chase Devineaux

That's ridiculous, the hot tub must *always* be functional.

Kidd Kidman

(is 17F here)

Dan Awesome

Even the chocolate one.

Join me LADIES

and gentlemen.

Philippe Breliere

Tony, the virus?

Chase Devineaux

Right, focus, thanks Hank.

JB Nimble

We have more important things to worry about then self-fondue.

Kidd Kidman

/yawns as discretely as possible as she rejoins the group.

JB Nimble

than*

Astrid Jane

prefers to stay on her chaise longue and listen to the conversations

Lee Jordan

Is very interested at the notion of self-fondue

Dan Awesome

Right, Loki?

I see your Asgardian senses tingling...

Lee Jordan

You are the best Earthling ever!

Gunnar Svensson

Do you fondue often, Anthony?

JB Nimble

Good morning, Storm. To catch you up to speed, it snowed in Cairo, but don't try to fix it. The Legacy Virus is back and has mutated.

Chase Devineaux

... Cheese and bread?

Sounds like a joke my dad used to make.

Gunnar Svensson

Wait... Did

...

Dan Awesome

Stark fondues seven times a week.

Kidd Kidman

/looks worried

I didn't dream that?

Nevon Blair

Swings in

Dan Awesome

Ba da ba da da da

Nevon Blair

Boom beeda boom!

Dan Awesome

Spider man, spider man.

Nevon Blair

Woopa!

Gunnar Svensson

Hey spider kid.

Philippe Breliere

Yes... quite an entrance.

JB Nimble

Ah, Spider-Man. I hear you were here. An unpleasant reunion is better than none at all.
heard*

Nevon Blair

Whoa-whoa, Strange, let's not go there? Words like that... you know.
'unpleasant'

JB Nimble

Still as flippant as ever, though, I see. We have a crisis on our hands, and I do not think levity is quite so proper at the moment.

Nevon Blair

Shouldn't I just say you're the suspect and we can all leave early?

Gunnar Svensson

...

Lee Jordan

You don't want to sniff him first?

Mayara Cole

Loki!

Gunnar Svensson

When did this kid get an attitude?

Philippe Breliere

He is... Spider-Man.

JB Nimble

looks shocked I still have a great deal of respect for you from our times teaming up in the past. Do not make me lose it now.

Nevon Blair

But... aren't you sorcerer supreme?

JB Nimble

Yes I am. Your point?

Nevon Blair

Can't you just do *waves hands like Strange* and then *waves hands more* poof poof out?

Gunnar Svensson

is entertained

Lee Jordan

I had a great encounter with Strange!

JB Nimble

I could have, if the virus hadn't mutated to affect me as well. I imagine it will soon get rid of your enhanced speed and agility soon as well.

Nevon Blair

Aw wait, that's not right.

Mayara Cole

Is still skeptical of people who use both magic and science

But thinks Strange is ok

Lee Jordan

Stop thinking so much, Brunnhilde.

Mayara Cole

I can't help it.

JB Nimble

Dr. McCoy, is there a way to determine if there are any among us unaffected by the virus in some way?

Gunnar Svensson

Hey, let the lady think.

Philippe Breliere

I would much appreciate your opinion on that as well, Dr. Strange.

Chase Devineaux

Looks through everybody's profiles

JB Nimble

I fear I have been away from the medical labs for a long time, but I'll give what assistance I can.

Chase Devineaux

No need to panic, we have a room full of genius-level intellects here... according to Marvel...

Mayara Cole

You can't trust Marvel.

Lee Jordan

Yeah, they screwed me over.

Ivy Monaghan

No, Marvel is a terrible source.

Lee Jordan

I'm a Norse God! Father of many sons and at least one 8-legged stallion. They made me a petty brother-envier.

Ivy Monaghan

I'm sorry.

Mayara Cole

So uncool, sorry you got the short end.

giggles

Astrid Jane

(*laughs*)

Nevon Blair

Well, look what they do to Dr. Strange.

No matter how good he is, he's always a little ambiguous.

JB Nimble

I do wish we had Reed Richards here as well. His insight would be invaluable.

Dan Awesome

How did you all get my power of Fourth Wall breaking?

Astrid Jane

I should be the angriest... considering I just got used for my powers and killed off. Again.

Chase Devineaux

It's the no-internet...

Astrid Jane

But, no, I'm good. I'm just going to sit here and eat strawberries.

Dan Awesome

You forgot to mention when they made you in love with your brother, Scarwy.

Philippe Breliere

Wanda has not had a good 'episode' since 616, and even that is likely leery.

Gunnar Svensson

Wait... No one cares about my eternal agony over Peggy, series after series?

Astrid Jane

That's Ultimates?

Yeah, got killed there too.

It's something I do, get killed.

Mayara Cole

Sympathizes for fellow Marvel girl

Ivy Monaghan

I just betray people who love me over and over again, for a country I betrayed.

Mayara Cole

My job's just to save Thor while he loses his hammer.

Dan Awesome

rings bell

Astrid Jane

hex-bolts through the Fourth Wall

Nevon Blair

Every girl I've ever loved is either dead, sexually ambiguous, or doesn't really love me!

Lee Jordan

Has the same problem

Ivy Monaghan

You know what?

What really stinks?

Astrid Jane

glares at Loki And he impersonated me!

Ivy Monaghan

...Tony has nothing to complain about!

Gunnar Svensson

...

Chase Devineaux

...

Gunnar Svensson

You're right, devushka.

Chase Devineaux

Can't argue...

Neither does Deadpool.

Astrid Jane

wonders if she should raise gender issues

decides against it; world might split in half and all that

Philippe Breliere

Unlike Deadpool, I believe your sex life is actually... real.

Dan Awesome

I have plenty to complain about.

Hey!

Nevon Blair

Rings a bell

I never got an Audi sponsorship.

Gunnar Svensson

It's for the best, Spider-kid.

Chase Devineaux

Son, it takes a man to drive an Audi.

Nevon Blair

I'm a man.

Mayara Cole

Nope, don't push it, Spidey.

JB Nimble

I have an estranged wife who is either in an alternate dimension, in hiding, or is, in fact, contained within our shieldmaiden here, I'm not quite sure. I have been appointed guardian of the entire universe. My hands were damaged so I could no longer do the one profession I was really good at. Twice. Yet you don't see me being a whiny brat about it.

Gunnar Svensson

...

You've got it made compared to me, bucko.

JB Nimble

We're heroes. Except for Loki. It's our job to suffer so that the masses don't have to.

Lee Jordan

I'm a hero to my people.

Just not in Marvel's eyes.

Mikal Darsha

I... I'm not sure what it is I do in The Avengers.

Philippe Breliere

One of my love interests was accused of 'Bestiary'... that is all.

Astrid Jane

Loki just suffers so that his brother can look like a Disney princess - with his flowing cape and golden locks...

JB Nimble

We save them and give them their dose of schadenfreude at the same time. Now how about we stop snivelling and save the world. Again.

Dan Awesome

rings bell hard

Lee Jordan

An effin princess!!

Gunnar Svensson

Bestiary?

Really?

Is that what kids read about these days?

Philippe Breliere

May we not recount it?

Chase Devineaux

You have to admit... you're sort of like a care bear.

Philippe Breliere

...

Mayara Cole

Rings bell

JB Nimble

slouches down on a couch

Nevon Blair

Rings it with all his might!

Astrid Jane

Oh, stop that.

Dan Awesome

The bell is for that reason.

I call it, the bell of stopping us before the censors get to us.

Gunnar Svensson

Care Bear?

Chase Devineaux

I'm not touching that.

Gunnar Svensson

(ROFL)

Lee Jordan

Aside from complaints, what's our other topic?

Mayara Cole

The virus, Loki.

JB Nimble

looks up wearily as the conversation turns

Philippe Breliere

Yes, the virus.

JB Nimble

Stark, could you show myself and Dr. McCoy what equipment we have available for medical use?

Chase Devineaux

JAR--

Right.

I... think we have to walk...

Astrid Jane

Hehe.

Chase Devineaux

Turns around and does hand directions

Thiiis way.

Philippe Breliere

Follows Stark

JB Nimble

Lead on. *stands and follows*

Chase Devineaux

There's a medical bay...

Some of the labels are in French, no problem for you two.

Points That has to be it.

Dan Awesome

Me too!

I want to help!

I can read French.

Philippe Breliere

The air does smell sterile here...

JB Nimble

Indeed. I think this will serve our purposes. Now we need blood samples from all in here.

Chase Devineaux

Okay, right, so one level down from the common room, this floor's yours... to the left should be storage. Use it for lab. I don't have a centralized computer anymore... if you need to access any info, you might have to search around consoles.

Philippe Breliere

Nods with understanding

Chase Devineaux

I haven't had to walk this much since the Inca trail in Peru.

Gunnar Svensson

...

Chase Devineaux

Take whatever you need, doctors.

Lee Jordan

Walks around to check the area.

Chase Devineaux

What are you looking for?

JB Nimble

gathers empty syringes to take blood samples with

Philippe Breliere

How shall we begin?

JB Nimble

First, I would say we determine if it has infected everyone in the house. If there are those not infected, we might be able to synthesize an antidote.

Also, though i am loathe to believe it, if one of us did in fact release the virus, those not affected would be prime suspects.

Philippe Breliere

Understands

Shall we have everyone line up for a blood test?

Chase Devineaux

Wait.

Needles?

JB Nimble

(will be helping with this and then going into his room to meditate. I have to dash for a while, I'll respond from my phone when I can. TTYL all!)

Chase Devineaux

(Take care)

Ivy Monaghan

(bye Jack.)

Dan Awesome

Hit the road Jack, and don't you come back no mo no mo no mo no more

Nevon Blair

does the spidey dance

Gunnar Svensson

...

Dan Awesome

dances with Spidey

Nevon Blair

dances with DP

Dan Awesome

Ivy Monaghan

...

Nevon Blair

Man, you gotta go make that weird.

Gunnar Svensson

.....

Dan Awesome

Hey! All of them were pairing up giving each other kisses and bouquet arrows.

Nevon Blair

Who's hooking up?

Dan Awesome

Well, 'Tasha and Hawkeye

Captain and Valykrie

Nevon Blair

Okay

Aw man!

Dan Awesome

Captain and Black Widow

Captain and Peggy

Captain and Scarlet Witch

Nevon Blair

...

Captain *America* Captain?

Dan Awesome

Yeah. That guy.

Gunnar Svensson

.....

...There just aren't ant takers.

Nevon Blair

Isn't Tony Stark the playboy? Oh wait, he has Pepper.

Gunnar Svensson

*any

Nevon Blair

Where's Pepper?

Chase Devineaux

Where in Carmen Sandiego is Pepper Potts?

Gunnar Svensson

...

Lee Jordan

LOL!

Gunnar Svensson

...that Marvel?

Nevon Blair

(Haha!)

Chase Devineaux

Sorry Capt, we need 'history' turned on here.

Gunnar Svensson

...

Chase Devineaux

How else will we catch the culprits?

Gunnar Svensson

They're defaming my name.

Nevon Blair

Is Capt a culprit?

Gunnar Svensson

(sorry, I thought that was just for my device.)

Ivy Monaghan

(*can't stop laughing* good timing)

Chase Devineaux

(Actually, me too, until you turned it off just now... then I figured it out.)

Gunnar Svensson

(Heheh)

Bran Brychanson

Flies in

Shakes the building with a thunderous landing

Ivy Monaghan

looks

Chase Devineaux

Casually salutes Rhodes

Gunnar Svensson

Hey, welcome Patriot.

Bran Brychanson

Hey, Tony, Captain.

Chase Devineaux

Go ahead and catch up *points to security cameras* (Above)

Bran Brychanson

Flips open visor

I need a refreshment...

Chase Devineaux

Help yourself, bar's always open.

Bran Brychanson

Thanks. *Stomps over to the counter*

Chase Devineaux

We have no internet though, and Strange can't get in touch with his Magic Eye.

Gunnar Svensson

...Do you ever not wear that suit, Colonel?

Chase Devineaux

This... Legacy Virus thing is back.

Gunnar Svensson

Yeah, whatever that is.

Apparently it can hurt us now, but it couldn't in the original series.

Bran Brychanson

A virus? Oh great...

Sips from his glass

Gunnar Svensson

Also, no IMUGGER.

Bran Brychanson

You know... the more heroes in this world, the more problems there seems to be.

Gunnar Svensson

...I was just thinking the same thing a few days ago.

Bran Brychanson

*seem

Gunnar Svensson

I'm the original, you know.

Things were fine when I was solo.

...And had Peggy.

Bran Brychanson

And Bucky?

Gunnar Svensson

...

Bran Brychanson

Uh... sorry

Gunnar Svensson

I... need to go... do something...

Bran Brychanson

Want to go lift weights?

Gunnar Svensson

We have weights here?

Or did the eye of Yamamoto take that away, too?

Bran Brychanson

I'm sure they're here somewhere.

Tony, weights?

Chase Devineaux

Points to gym

By my guest.

Oh wait, you are.

Bran Brychanson

Thanks, bud.

Gunnar Svensson

(LOL)

Ivy Monaghan

wonders how useful lifting weights in an iron suit would be

Chase Devineaux

I fully expect this to result in containing the virus, so yeah, consider it pre-payment.

Gunnar Svensson

goes to warm up with 320-lbs. benchpresses

Bran Brychanson

Hey Tony, do you think I could get a suit that's easier to take off?

Chase Devineaux

It would be much easier to take off if JARVIS was here.

But for now, I'll have to help you.

Bran Brychanson

Grabs a screw driver

Chase Devineaux

Takes a wrench

Bran Brychanson

This could be a second, Captain.

Chase Devineaux

Inputs some commands on dummy robots

There we go, stand on the platform.

Bran Brychanson

Stomps over to the platform

Chase Devineaux

Watches Rhodes appear

Chuckles

Bran Brychanson

Stretches

Chase Devineaux

Nice, press this orange sensor button when you want the suit back on.

Bran Brychanson

I need to take that off more often.

Right. Thanks.

Gunnar Svensson

Heh

Bran Brychanson

Goes to where the captain is warming up

Starts with 200lb

Gunnar Svensson

sees Rhodes

ups to 340 lbs.

Bran Brychanson

Ups to 220 lbs

Gunnar Svensson

ups to 360

Bran Brychanson

Ups to 240

Chase Devineaux

Searches for decent news on TV

Gunnar Svensson

...

Bran Brychanson

Hey Tony, can I get a spot?

Gunnar Svensson

ups to 370

Bran Brychanson

Ups to 250

Gunnar Svensson

.....

ups to 380

Bran Brychanson

The... spot... would be... nice... right bout... now.

Gunnar Svensson

stalls out at 390

Chase Devineaux

What's that Rhodey?

Bran Brychanson

A... spot..

Chase Devineaux

Oh right

Spots Rhodes

Bran Brychanson

Ups to 260

Gunnar Svensson

...

Chase Devineaux

Chuckles

Gunnar Svensson

watches

Bran Brychanson

Struggles with the weight but manages to complete one rep

Gunnar Svensson

That's impressive.

I'm just puzzled how you can fit in that suit, Colonel.

Bran Brychanson

Yeah.... that's... enough... though.

Chase Devineaux

Helps get the weights off

Bran Brychanson

I know...

Chase Devineaux

That was great.

Record?

Bran Brychanson

I'm not really Tony's size.

Yep.

Chase Devineaux

I could probably only do that with a suit, don't sell yourself short.

Refreshments?

Points to cold beer at bar

Bran Brychanson

Thanks. *Picks up a can*

Gunnar Svensson

fetches a dozen Yuengling bottles

You would have made a super super soldier.

Too bad you're stuck with this guy.

Apple fell far from the tree on this occasion.

Bran Brychanson

Tony is not that bad once you get to know him.

Gunnar Svensson

Sure... sure...

Smart kid, yep.

Bran Brychanson

He has a good heart.

Gunnar Svensson

Not sure about that.

I don't think we're here because of his 'good heart'.

Chase Devineaux

Nope, this baby's always at risk of being run-through.

taps chest

And I don't mean just with the girls.

Oh wait, you're saying figuratively.

Then yes, thanks Rhodey, I like your heart too.

Bran Brychanson

Sweet.

Gunnar Svensson

stares

Reminds me of me and Bucky...

shotguns 4 bottles

Yeah... That never works...

Chase Devineaux

...

You drink fast.

Gunnar Svensson

Sometimes, if I can do it fast enough...

Bran Brychanson

To console you Captain, Bucky is in the next movie.

Gunnar Svensson

I get about 5 seconds of buzz.

Chase Devineaux

Nods Sounds legit.

My buzz can last all night.

Gunnar Svensson

Wait... Really?

Bucky?

Buzz Lightyear, nice.

Bran Brychanson

Just go look at the credits. Bucky/Winter Soldier.

Gunnar Svensson

Where do I find these credits?

Chase Devineaux

Looks at time I'm going to go fix the MK-9, see if JARVIS might come back online.

Bran Brychanson

Wikipedia.

Gunnar Svensson

How'd you get that?

Chase Devineaux

Don't wander, enjoy the free-flow bar.

Gunnar Svensson

And uh... Be careful, son-of-Stark.

Bran Brychanson

Good luck, Tony.

Chase Devineaux

Salutes and leaves to basement

Gunnar Svensson

He... gets around.

Kidd Kidman

/wakes up feeling not quite herself.

My head...

/wanders around Stark mansion in a fog of deja vue

Joe Kerr

flies in

has powers fizzle out and falls down during landing

Kidd Kidman

Are you all right?

Joe Kerr

Which idiot brought back the legacy virus?

Kidd Kidman

/looks puzzled.

The what?

Joe Kerr

No I'm not alright. When I get my hands on those fools that released the legacy virus again..

Kidd Kidman

What is this Legacy Virus you speak of?

Bran Brychanson

Wakes up with a start

Joe Kerr

It's a virus that was created to exterminate mutants.

Insolent humans

Bran Brychanson

Did you... catch the virus?

Joe Kerr

tries to fly

fails

Bran Brychanson

Watches

Huh. How about that...

Joe Kerr

If I had my powers working properly, I would just bring wolverine in here and end all this nonsense

Kidd Kidman

You both feel... familiar to me, but I find I cannot place you.

Joe Kerr

Looks at Storm

Ororo?

Kidd Kidman

I wonder if this virus has affected me as well.

Yes?

Then you know me? At the risk of sound ignorant, remind me who you are?

*sounding

Joe Kerr

An old adversary of the X-Men and occasional ally at times

Kidd Kidman

X-Men... What manner of people are they?

Joe Kerr

Surely you jest

The X-Men are a group of mutants assembled by my old friend Charles Xavier.

Kidd Kidman

I jest as much as you are able to fly

Joe Kerr

Most of them are students or teachers at his school for mutants and he taught them how to control their powers and use them to work toward peace for both human and mutantkind

You, Ororo, were one of the leaders of the X-Men alongside Cyclops

Kidd Kidman

This is not acceptable, that I can't remember this.

And you are my adversary?

Joe Kerr

My opinions have often put me at odd with the X-Men and yes, we have fought against each other many times.

Kidd Kidman

/takes on a slightly more defensive stance.

Joe Kerr

However, due to my friendship with Charles, we have also fought on the same side on numerous occasions when the situation calls for it

When Charles was temporarily indisposed, I also took over leading the X-Men for him.

Kidd Kidman

/Relaxes slightly.

What is your name?

Joe Kerr

Erik "Magnus" Lancaster, better known as Magneto

Kidd Kidman

Which name would you prefer I call you by at present?

/runs over this information in her mind.

Joe Kerr

Magneto

Kidd Kidman

/extends hand

Although we apparently know each other already, I extend my greetings, Magneto.

Joe Kerr

shakes hands

A truce for peace and cooperation until this mess is sorted out. I make no guarantees for the safety of the culprits however

Kidd Kidman

And where are we?

This place feels familiar, but I can't touch its name.

Joe Kerr

one of Tony Stark's mansions apparently

In Morocco

Kidd Kidman

Ah. Morocco I know of.

Joe Kerr

you should

Kidd Kidman

I *should* know much more.

/walks down a hallway.

How many are here with us?

Joe Kerr

Last I heard, there are 14 of us in this mansion (including GMs)

Kidd Kidman

Fourteen... Are they all affected?

Joe Kerr

I do not know

Kidd Kidman

/nods solemnly.

Thank you for your assistance, Magneto. It is my hope that we remain allies once this is finished.

Joe Kerr

It seems you have not lost Charles' point of view.

Kidd Kidman

Which would be?

Joe Kerr

smiles

Kidd Kidman

You do not believe in alliances?

Joe Kerr

exactly the sentiment which you expressed a moment ago

Kidd Kidman

An ally is more useful than an enemy.

Joe Kerr

the enemy of my enemy is my ally...

or so Dr McCoy once quoted

Kidd Kidman

So you believe in alliances for only as long as they suit your needs?

Joe Kerr

Actually I do believe in alliances when the need calls for it.

Kidd Kidman

And once the need is gone, animosity returns.

Joe Kerr

Animosity is too strong a word. I prefer to call it a peaceable difference of opinion.

Kidd Kidman

I'd rather that than 'adversary', as you called yourself before.

Joe Kerr

the past is what it is. I make no amends for it, nor can I change it.

Kidd Kidman

/nods again.

Do you have your own team?

Joe Kerr

at times I work with the brotherhood

Kidd Kidman

/finds a chair to sit in.

You say your views differ from that of the X-Men. What are yours?

Joe Kerr

I do not believe a peaceable solution can be worked out between humans and mutants.

Kidd Kidman

Oh?

Joe Kerr

I often find the need to use force to drive the point home to those foolish homosapiens that mutants are superior and should be embraced as such

Kidd Kidman

/thinks on this a while.

This Legacy Virus was created by them?

Joe Kerr

to my knowledge

They fear what they do not understand and attempt to eliminate it. It's a cycle that has repeated itself through much of human history

Kidd Kidman

I doubt forced subjugation would help relations.

Joe Kerr

shrugs

Kidd Kidman

Joe Kerr

When reason fails, fear is the next option

Kidd Kidman

Using fear obviously has its consequences, and if we truly are superior, what they think of us should be no matter.

Joe Kerr

It's not what they think of that worries me. It's the actions that those thoughts bring forth: legacy virus, sentinels, mutant genocide, etc.

walks off to find a room

i must take my leave, Ororo. good day

(bye)

Kidd Kidman

(Bye mate!)

/Mulls things over.

Eugene Grovington

sits in his perch and tinkers with his arrows

JB Nimble

(ooooook, I'm back)

Eugene Grovington

looks up as Strange floats back in

Looks like your front to me.

Kidd Kidman

/looks up as well

JB Nimble

Hawkeye, Ororo. *nods to them both.

*

Eugene Grovington

goes back to adjusting his arrows

Kidd Kidman

Are you both here due to the Legacy Virus?

JB Nimble

It seems that way, yes.

Eugene Grovington

Something like that, yeah.

Kidd Kidman

Has it affected either of you?

Eugene Grovington

I'm a mundane.

Kidd Kidman

Mundane?

Eugene Grovington

I don't have a mutation or powers.

Just the tools of my trade.

Kidd Kidman

Pardon if this seems blunt, but why are you here then?

JB Nimble

It has, for me. I imagine I soon won't be able to use my Cloak of Levitation.

Eugene Grovington

I was assigned here to ensure it doesn't spread outside this building.

Kidd Kidman

/tests her own ability to fly and finds it shaky.

/Is not pleased.

Is there a cure in development?

Eugene Grovington

I'm sure someone is working on it.

JB Nimble

Hank and I are working on it, once we make sure who's been infected.

Kidd Kidman

I believe I may be.

/pauses

What is the prognosis...?

JB Nimble

I figure it quite likely, but best to exhaust easy miracles first.

Eugene Grovington

Considering Deadpool assisted with this roundup, things aren't looking too good.

Kidd Kidman

Deadpool is often the bearer of ill fortune?

Rose Thorn joined the conversation

JB Nimble

Deadpool's insane, frankly.

Kidd Kidman

/rubs head and looks for some wine.

JB Nimble

((So wait, if it's 16 plus GMs, who are we missing?))

Kidd Kidman

(Vic?)

JB Nimble

(Dunno if he's in it, he hasn't changed his avatar. *shrugs* Anyways, getting back into character...)

Yeah, I feel the same.

Gunnar Svensson

You talking about Bag-face?

JB Nimble

Yes.

Gunnar Svensson

What a creep.

JB Nimble

So, Cap, what's your take on all of this?

Gunnar Svensson

I think this looks an awful lot like a luxurious version of Auschwitz.

Threatening us with viruses.

What are they trying to pull?

Kidd Kidman

Surely you jest.

JB Nimble

Which 'they'?

Gunnar Svensson

I've seen my share of prison camps, ma'am.

Whoever is in charge of this whole SHIELD cover-up.

Surprised it doesn't rhyme with Gestapo or KGB.

Kidd Kidman

Are you feeling tortured, fearful for your life or degraded?

Gunnar Svensson

I heard it passes as an international military police force.

Kidd Kidman

Try not make such comparisons lightly.

/notes USA costume.

Gunnar Svensson

I've got experience with this sort if gimmick.

JB Nimble

(brb)

Gunnar Svensson

*of

Kidd Kidman

I'm afraid this 'Legacy Virus' has fogged my memory. Remind me of who you are?

Gunnar Svensson

I'm Captain 'Murica

Kidd Kidman

Greetings, Captain Merica.

Are you a mutant as well?

Gunnar Svensson

Hi.

Not to the best of my knowledge.

I don't have any tentacles.

Kidd Kidman

What?

Gunnar Svensson

You know. Like mutant body snatchers.

Kidd Kidman

I...see the virus has affected you as well.

Gunnar Svensson

I'm not sick.

I was completely vaccinated and boosted when I was turned into America's super soldier.

Kidd Kidman

/pauses a moment.

This sounds familiar...

Please continue.

Gunnar Svensson

What? There's nothing else to tell.

Kidd Kidman

What is a super soldier doing here?

Gunnar Svensson

Good question. I've been wondering that myself.

Kidd Kidman

You aren't here due to the virus?

Gunnar Svensson

I'm here because they apparently unfroze me from some block of ice after 60 years.

Rose Thorn

/me enters the room.

Kidd Kidman

/notes fifth person she has encountered.

Good evening.

Rose Thorn

Hello.

looks about the room to see who is around and then finds herself a chair

Kidd Kidman

Are you a mutant?

JB Nimble

Hello Margaret.

Rose Thorn

Me?

Definitely not.

Good evening, Doctor.

Kidd Kidman

/is beginning to wonder what all these non-mutants are doing in a mutant virus quarantine.

/looks to the floating man.

Doctor?

JB Nimble

Hmm? *is standing, actually*

Kidd Kidman

(oops.)

Has this virus affected you?

/thinks

/realizes she's asked this already.

Please forgive me.

JB Nimble

No problem, Ororo. It seems that the virus has attacked the memory centers of your brain.

Kidd Kidman

Yes... I've noticed.

Gunnar Svensson

...Peggy!

...

Rose Thorn

is slightly startled

Steve.

Gunnar Svensson

wipes last trace of Asgardian lipstick

How are you?

Rose Thorn

eyes him with slight suspicion

I'm alright, thanks.

Gunnar Svensson

Hey, that was quite a gas last night.

Think we can do that again sometime?

Rose Thorn

Um...Sure. I guess I'm not that busy...

Bran Brychanson

Whispers to Captain Rogers Score.

JB Nimble

mutters If we make it out of here alive, that is.

Rose Thorn

wonders why everyone thinks she doesn't have all that good hearing

Gunnar Svensson

wonders why everyone thinks Peggy doesn't have good hearing

JB Nimble

wonders why vampires and werewolves are considered hot, but warlocks are still evil

Kidd Kidman

<http://video.adultswim.com/the-venture-bros/this-dog-has-a-great-evil.html>

))

JB Nimble

I assume you know of our predicament, Margaret?

Rose Thorn

I am not certain I entirely do...I just heard something about mutants and viruses?

JB Nimble

Indeed. There is a virus, known as the Legacy virus. It used to only target mutants, but has since mutated to infect just about anyone. It removes special powers, and is eventually lethal. At least that is what I can gather, from knowledge of the previous viral strain and the present effects.

Rose Thorn

mutters something about how 'after sixty years things still happen the same'

What is being done to fix this problem?

JB Nimble

wonders why Peggy doesn't think he has good hearing

Kidd Kidman

(heh)

JB Nimble

Well, at the moment Dr. McCoy and I are trying to determine if it has indeed infected everyone. From there, we hope to start working on a cure for the current strain.

The real question that would help us all is figuring out where it came from and why.

Rose Thorn

Great.

It seems like you have it all under control.

Kidd Kidman

Hopefully.

JB Nimble

Doubtful. We're at best like children with our finger in the dam.

Rose Thorn

Don't underestimate what you have.

JB Nimble

smiles warmly at her optimism Very well, as long as you do not overestimate our time available, dear lady.

Rose Thorn

Trust me, Doctor, I've been the kid with my fingers in the holes, stopping the wall of water.

It's hard, but...doable.

Kidd Kidman

I find your strength very admirable.

/smiles

A welcome spot of sun.

Rose Thorn

Even if we shouldn't be able to fix the dam at this point of time, someone else will, and the world will be far from over and, in fact, just continue as it always has.

Eugene Grovington

Until an uncontrollable plague wipes out humanity.

I'm all for optimism, but let's not forget what we're dealing with.

JB Nimble

I do not believe it will be forgotten easily, but there seems to be some difficulty bending ourselves to the task at hand.

Rose Thorn

Humanity will end when humanity is suppose to end, I daresay, and not a moment sooner or later.

There has been many dreadful things that have happened, but there always have been survivors who pick themselves up and start from scratch.

JB Nimble

True. Though I would prefer to be one of those survivors. And, despite my reservations about a few of our company, I would like us all to be in the ranks of the living as well. *sits up and steeples his fingers in thought*

Chase Devineaux

Watches Strange's gesture

Impressive hand-tent.

You practice?

JB Nimble

Indeed. Hours on end. Impressive drinking and lackadaisical nature. Same question.

Mikal Darsha

also hand-tents

Eugene Grovington

twirls an arrow

Chase Devineaux

Thanks, Strange, I'll take that as a compliment.

Eugene Grovington

nearly falls off his ledge in surprise when it erupts into a flower

What the...?

JB Nimble

You shouldn't, but hey, you of all people take what you can get. *rises quickly with a grunt of frustration, holding his hands to his temples. He exhales.* My apologies, it has been some time since I was this flummoxed.

Chase Devineaux

Flummox away, Doctor, I've heard worst from the media. This is all part of the stress, I get it.

Nevon Blair

Swings in

I had a good nap, how about you guys?

Eugene Grovington

Apart from the webbing, I slept fine.

JB Nimble

After all of this day working the problem, there's been almost no progress on any front. Myself and Dr. McCoy have made little progress on the disease, we still don't know how it came about, or why it is back.

Nevon Blair

It's only been a few hours, Doc, chill.

You'll figure it out eventually.

JB Nimble

WE'LL figure it out. Spider-Man. You, me, everyone. We have to come together now more than ever.

Nevon Blair

Come together? Woot! *Gets sticky*

Dan Awesome

rings bell

Nevon Blair

Man, stop making it weird.

Dan Awesome

You're the one saying all the sexy things.

JB Nimble

groans and rubs his eyes, just walking away

Dan Awesome

blows a vuvuzela

BRRRRRRUUUUUUOOOOOOOOONNNNNNNNNNNGGGGGGGGGGGG

Nevon Blair

Gets knocked off the ceiling

Dan Awesome

Ladies and gents! I'm sure you wonder why we're all gathered here today.

Chase Devineaux

Closes mask

Nevon Blair

facepalms

Dan Awesome

So it comes to no surprise that the bad guys got one of you and really gave them a full shot of the Legacy Virus. Oops. My bad.

Nevon Blair

...

Chase Devineaux

Okay... when did this happen?

Eugene Grovington

Oh boy, here it comes.

Dan Awesome

Oh, and your secret doctor didn't save them either. If they exist at all.

Nevon Blair

Who?

Dan Awesome

We've got.... *opens announcement envelop like the Oscars*

Eugene Grovington

[[The jerk]]

Dan Awesome

The Valkyrie (May)

Mayara Cole

What?

Chase Devineaux

Looks at Valkyrie

Nevon Blair

Sees Valkyrie

Dan Awesome

Sorry Blondie, come with me... to my secret room where I can gag you.

Wait, we don't do that anymore.

Mayara Cole

Can somebody *else* take me?

Dan Awesome

Oh I mean... go ahead and mingle. Spread the infection if you want.

Eugene Grovington

double facepalms

hops down

Bran Brychanson

Goes to suit up

Eugene Grovington

Valkyrie, why don't you come with me?

Dan Awesome

Oh right, my legitimate counterpart will give you this medical bracelet to mark you as infected.

Mayara Cole

Ugh.

Dan Awesome

waves to Valkyrie I still think your tots hot.

Mayara Cole

Accepts bracelet

Eugene Grovington

It's either the bracelet or be confined to your room.

Mayara Cole

Pushes Deadpool's face away from her chest-level

Eugene Grovington

attaches bracelet

Dan Awesome

hubba hubba

Nevon Blair

Bran Brychanson

Closes mask

Dan Awesome

Okay, townspeople... I mean, eh, heroes of earth. Now is your time to vote with either me or Hawkeye (Eugene)

Who do you think infected the Valk?

Mayara Cole

Sits and observes

Dan Awesome

Everyone in this room is fair game except for the observer (Rose.)

Nevon Blair

You also can't vote Valkyrie.

Dan Awesome

And of course the Blondie.

'Cause she's mine now! Muhahahaha

Nevon Blair

That medical bracelet looks cool.

Lee Jordan

An Asgardian??

Eugene Grovington

Yep.

Lee Jordan

Worry not, sister, we'll get to the bottom of this.

Mayara Cole

I'm so *not* your sister.

Dan Awesome

[[heh, he said 'bottom']]

Eugene Grovington

laughs at Wade's yellow box

Nevon Blair

We have to figure out who gave Valkyrie the full dosage.

Mayara Cole

Rings bell

Nevon Blair

That wasn't...

I meant...

Virus.

Chase Devineaux

Sure, squirt.

JB Nimble

rings bell

((I'm allowed one!

))

Dan Awesome

We all get bells!

You get a bell, and you get a bell and you get a bell

Nevon Blair

Yes, doc?

Chase Devineaux

Declines bell I'll just abuse it.

Lee Jordan

looks at everybody's bells

Eugene Grovington

Maybe Valkyrie should be in charge of the bell.

climbs back up to his ledge

Gunnar Svensson

screams inside

[[Not the blonde!]]

Eugene Grovington

You need something Cap? A paper bag maybe?

Mayara Cole

Waves sadly to Steve

Gunnar Svensson

waves sadly back

Mayara Cole

Somebody figure this out before I lose all my California tan.

Chase Devineaux

That's important, Val, we'll work extra hard.

Types this into his manual spread sheet

Rose Thorn

Or we could just save you before you die from the virus....

Gunnar Svensson

(lol)

Rose Thorn

Which I think comes before losing your tan.

If I understand correctly.

Mayara Cole

I'm Asgardian, we go white first before we die.

Gets teary

Chase Devineaux

... Okay, what's she doing?

Nevon Blair

Crying?

Chase Devineaux

Backs away

Gunnar Svensson

I'll save you!

Lee Jordan

It's natural behavior when in fear and stress, Stark.

Gunnar Svensson

...or at least avenge you!

Rose Thorn

hands the crying Asgardian a hanky

Gunnar Svensson

That's what the Avenger squad is for, right?

Chase Devineaux

Lifts hands Yeah, but... I'll just stand here.

Nevon Blair

Avengers!

Gunnar Svensson

Come join

Mayara Cole

Accepts handkerchief Thank you, Ms. Carter.

Gunnar Svensson

Oh wait... You can't.

Nevon Blair

Shucks.

Chase Devineaux

Does anybody have ideas for suspects?

Eugene Grovington

Wade had an idea.

Nevon Blair

Here we go...

Dan Awesome

What? I thought you said I shouldn't tell everyone that it's Peggy.

Aw man! Did I ruin the game again??

Eugene Grovington

points

Right there.

Gunnar Svensson

...

Eugene Grovington

Ace detective has solved it.

Gunnar Svensson

.....

Rose Thorn

Do I really have to bother defending myself?

Dan Awesome

Only the guilty act that way.

JB Nimble

Not really, no. If it comes from him, you should be fine.

Dan Awesome

But seriously guys, come on! Put someone in quarantine already!!

Philippe Breliere

Catches up and enters

Rose Thorn

And which way is 'that way'?

Philippe Breliere

I see we have our first victim already.

Mayara Cole

raises hand

Lee Jordan

My father's faithful Valkyrie, Shied Maiden, Brunnhilde!

Bran Brychanson

Moves over to Tony

Chase Devineaux

Looks at Rhodes

Bran Brychanson

Got any ideas?

Chase Devineaux

I'm waiting to catch an idea or two, what's your take?

Bran Brychanson

Just watching for now. I don't have a read on anyone.

JB Nimble

I have a few half-formed theories, but none solid enough to be considered true ideas...

Dan Awesome

Why are you guys not TALKING about these ideas?

points to the blonde she's suffering!!!

Nevon Blair

DP's got strange empathy.

Bran Brychanson

(When do we want the votes in by?)

Eugene Grovington

No, he just likes well built blondes.

Lee Jordan

He just doesn't want her to lose her hot tan.

Bran Brychanson

(ie. Do I need to vote before I head to bed later?)

Eugene Grovington

(24H window for voting.)

Dan Awesome

(No, as long as you can vote in the next 24 hours.)

Bran Brychanson

(Right. Thanks.)

Dan Awesome

Well look at that... I sounded serious.

JB Nimble

Perhaps the virus is affecting you too.

Lee Jordan

Starts reading Brunnhilde with his head

Gunnar Svensson

You know, I already have 2 such suspects.

JB Nimble

Oh? Care to share, Captain?

Lee Jordan

Completely different from the gummy bears this morning.

Share! Captain.

Philippe Breliere

What are you doing, Loki?

Lee Jordan

It interests me if my kind is inflicted.

Gunnar Svensson

Take me! Take me!

First Bucky, now her...

Everyone I care about!

Lee Jordan

Looks to the sky Who are you speaking to, Captain Rogers?

Bran Brychanson

Any suspects, Loki?

Lee Jordan

We don't all have access to our powers here, let's focus.

Gunnar Svensson

It was one of those doctors. I think one of them is responsible.

Finding a cure, yeah sure...

Rose Thorn

Careful with accusations, Steve.

JB Nimble

cocks an eyebrow Do you have any reason behind that?

Gunnar Svensson

It was him!

Lee Jordan

I think sometimes, and I know it's strange, the least obvious suspects might come out.

Gunnar Svensson

Dr Strange!

Philippe Breliere

Let us not jump to conclusions.

Gunnar Svensson

Who says it's jumping to conclusions.

Chase Devineaux

Loki, are you agreeing with Captain?

Gunnar Svensson

?

Lee Jordan

In my convoluted way, maybe.

Nevon Blair

Defends Strange

But guys, he's always been straight.

JB Nimble

Actually, Dr. McCoy, despite the fact that it's against me, I fully believe now is the time to jump to conclusions.

Eugene Grovington

rings a bell from his perch

Philippe Breliere

Yes, I apologise, you are correct.

JB Nimble

I would just prefer it to be a leap of logic than a stumble in the dark, as our Captain has made.

Chase Devineaux

Pete, not to blame you, but you'd be defending even Deadpool.

Nevon Blair

DP's my buddy.

Lee Jordan

Exactly, Spidey.

Gunnar Svensson

Uhhh... Who says it's a shot in the dark?

Lee Jordan

I just have a strange feeling... about strange.

And also Magneto, but more Strange.

Gunnar Svensson

I predicted they would hit Greta first.

Chase Devineaux

How?

Gunnar Svensson

It's either Strange or the blue hairy guy.

Chase Devineaux

I see your point, but Magneto hasn't even showed up yet.

JB Nimble

(Yeah he has, just out of synch with you)

Philippe Breliere

Clearly you are targeting those who have spoken up about helping the most.

Chase Devineaux

(Yeah? in here or in NGs, NGs doesn't count.)

JB Nimble

(In here. He was talking with storm earlier)

Eugene Grovington

(He was in here. I can attest to it.)

Gunnar Svensson

(Pretty sure he showed up here.)

Eugene Grovington

(Moving on...)

JB Nimble

If I may defend myself?

Chase Devineaux

Notes Magneto's appearance in his spreadsheet

Thanks guys.

Yes, Doctor Strange, please, floor's yours.

Lee Jordan

Listens to Strange

Bran Brychanson

Listens as well

Eugene Grovington

puts in some headphones and restrings his bow

JB Nimble

I agree with Dr. McCoy. There does seem to be quite a bit of pressure suddenly placed on those who have expressed a deep desire to solve this riddle. This, to me, seems odd. It is either the act of a panicked mind or a devious one, shifting blame onto one who would expose it. I have noted Captain America acting peculiarly since this began, seemingly focused more on gaining love than helping his fellows.

Gunnar Svensson

...

Nice evasive maneuvers there.

JB Nimble

And then the first victim, a beautiful woman that he had shown interest for. Perhaps as a cover, since surely one who pines for a woman would not kill her.

Gunnar Svensson

.....

Eugene Grovington

stops as the most peculiar feeling of deja vu washes over him

JB Nimble

What I say is merely postulation, but I can find little to contradict it.

Philippe Breliere

Nods with Strange

Your speculations are as good as mine.

But you have a point.

Gunnar Svensson

I saw two dictors, conglomerating..

JB Nimble

And, also, he is not nearly the only one I have my doubts about, but I felt it was right to fight fire with fire.

Gunnar Svensson

Now, that seems rather suspicious to me.

Chase Devineaux

You don't think someone could clearly take out Val just because it might throw Capt into the spotlight?

Bran Brychanson

Good point, Tony.

Nevon Blair

Good question too.

Bran Brychanson

I think Strange's rebuttal is a little weak.

Gunnar Svensson

I have noticed a pattern in criminals.

JB Nimble

Oh it certainly could be the case. Anyone here could be to blame. I merely wished to point out that any argument is just as sound.

Gunnar Svensson

They are never eager to be seen in the spotlight with each other.

Chase Devineaux

I've always thought Captain Rogers was lost for love, not exactly... I don't know, plotting.

Gunnar Svensson

But if they can find an accomplice to dupe, an accessory...

They become very bold

JB Nimble

If you wish to look at conglomerations, why not turn your gaze upon our metal men, there? Partners, backing each other up no matter what.

Lee Jordan

I can vouch that Strange doesn't feel like a gummy bear.

Philippe Breliere

What is a gummy bear?

*To you.

Gunnar Svensson

It's a non-laced food.

Lee Jordan

Edible?

Nevon Blair

Loki's being cryptic.

Chase Devineaux

Right, that may or may not help us.

Lee Jordan

If Valkyrie goes, I easily could be next.

Gunnar Svensson

I actually am going to side with the blasphemous green man.

He is making sense.

Bran Brychanson

A vendetta against Asgardians?

JB Nimble

Well, Captain? You have not answered my query. What of Iron Man and War Machine? Or you two?

Certainly you have excellent reasons to the fact that you have kept us all here, let us use your residence, and haven't tried to hurry along this investigation at all?

Gunnar Svensson

They're suspicious, sure.

But they don't stick out like sore thumbs yet.

Unlike you.

JB Nimble

True. And would one plotting a diabolical plan, who knew there would be a next stage, INTEND to stick out like a sore thumb?

Philippe Breliere

We're all suspects, this is open for discussion.

Gunnar Svensson

I doubt it was intentional.

Chase Devineaux

Hank is right, we're all suspects. Attack on Val could be random too.

JB Nimble

If one does not want to stick out, one observes the company and mimics behavior. In a room filled with small talk and random sidetracks of conversation, with drinking and flirting, did I partake in that? I believe I may have done so least of all, except when trying to help -you-.

Gunnar Svensson

...that is irrelevant. It was prior to this disease outbreak.

JB Nimble

In that case, I didn't partake in it -at all-.

Chase Devineaux

Captain wasn't drinking or flirting... Too much...

Gunnar Svensson

But you were very vocal upon entrance in this Moroccan mansion.

Bran Brychanson

I've seen worse flirting.... and drinking...

Philippe Breliere

I must disagree, Tony, Captain was drinking quite a bit.

Rose Thorn

(I'm out for the night. Have a lovely time 'lynch talking'!)

Gunnar Svensson

Drinking is of no consequence to me.

Philippe Breliere

Strange was quite clear with his intents

JB Nimble

(Night!)

Gunnar Svensson

Night Peggy!

Rose Thorn

Don't stick your foot in your mouth, Steve, while I'm away...

Gunnar Svensson

Check

Philippe Breliere

We entered to aid.

Gunnar Svensson

One of you did, I believe that.

But the other one is not so innocent.

JB Nimble

If that is true, then it is of no consequence to you that the doctor and I colluded on working on the disease.

Which means it is a personal vendetta against me.

Gunnar Svensson

No, it's nothing against you

You just seem the most uneasy.

JB Nimble

I am uneasy because we are trapped in a house with a deadly virus, and only I seem to grasp the gravity of the situation.

Nevon Blair

Valkyrie was uneasy with Strange... Remember?

Chase Devineaux

Right, Peter, but that was before roles were assigned.

*)

Gunnar Svensson

Yes

Nevon Blair

She just spoke out a lot that she didn't like magic and science together.

Gunnar Svensson

What Anthony said.

Nevon Blair

She did say it here too, last night.

Gunnar Svensson

I'll give him some slack, but I think it was him.

Nevon Blair

I don't know, I'm still not sure.

JB Nimble

And I, Captain, believe it was you, but if you give me that slack, I will give you the same, for the moment.

Philippe Breliere

It was her character to not trust science, I believe.

JB Nimble

sighs I could, in fact, make cases against everyone here. Including myself. But that gets us little.

Nevon Blair

I believe in you, Doc.

I believe in Capt too.

Gunnar Svensson

...

Who do you not believe in, kid?

They say to ask a child when in doubt.

Nevon Blair

I thought Magneto...

Gunnar Svensson

Hmm

Nevon Blair

But no one else except Loki mentioned him. And that was only a little

Gunnar Svensson

But he's not here.

Chase Devineaux

I'd like to hear why Magneto?

JB Nimble

Indeed. There are a few among us who have said little, which should bear just as much scrutiny as everyone.

Gunnar Svensson

I find that somewhat un-mafia-like.

Chase Devineaux

Then maybe we let him say something when he's next on.

Gunnar Svensson

sits back

Nevon Blair

I thought Mags was wayyyy too worried about Wanda

My daughter this and my daughter that.

Like he's trying to make a blame bubble.

Gunnar Svensson

Muses over this

Ivy Monaghan

A lot of that was before the game started though, wasn't it?

JB Nimble

A fair point. He could also be a concerned father. I simply cannot tell.

Gunnar Svensson

That

It was prior to this lockdown.

Philippe Breliere

Yeah, but I can't tell either.

Ivy Monaghan

And Wanda seemed more the rebellious daughter.

Philippe Breliere

I don't have the sufficient resources on Magneto at this time.

*yes

JB Nimble

She must be considered as well in this. She has killed many before, but I am not sure she is to blame in this.

((Eesh. Sorry, I am tired in this.))

Nevon Blair

She's been focusing on strawberries.

Gunnar Svensson

Again, prior to lockdown, Spider-kid.

Chase Devineaux

Focus, Pete

Nevon Blair

Okay okay.

Then I have a lot to think about.

You're my fave people

Gunnar Svensson

That's awfully kind of you, kid.

Wish you were on our squad.

Ivy Monaghan

Don't put salt on the wounds.

Let's get back to the focus of the discussion. Valkyrie as a target.

A cover, random, or made to have us focus on someone in particular?

Nevon Blair

Yes why Valkyrie?

Gunnar Svensson

I predicted it would be her.

Ivy Monaghan

How?

JB Nimble

So you said.

Gunnar Svensson

She was a safe option.

It makes sense, in a Mafia sans Greta.

JB Nimble

Yet not as safe as she appeared, as she both acts as your cover and yet still manages to throw a spotlight on you.

Gunnar Svensson

Unlikely that we would lynch a gorgeous doll like that.

And she's not very argumentative. She wouldn't push against them.

JB Nimble

Actually, she was on my list of suspicious persons for just that reason.

Chase Devineaux

She was active though.

Gunnar Svensson

But we know the fact now.

In hindsight, you guys have to admit this.

Philippe Breliere

Yes. We now know she is, or was, clean.

Gunnar Svensson

So she was the perfect target.

...cruel mafia...

JB Nimble

I have much to consider. My apologies, but I must meditate. ((read: sleep. I'm tired as heck. Night all!))

Gunnar Svensson

((You be good, Jack. Take care.))

Nevon Blair

Night Doc

Philippe Breliere

(ensuite!)

Ivy Monaghan

(Night!)

Nevon Blair

I guess I should go too (sleepy guys!) Night!

Philippe Breliere

This was enlightening

Gunnar Svensson

(Night, Nev!)

What are your opinions, Doctor?

I'd like to confirm I made the right choice between humanitarians.

Philippe Breliere

I am inclined to agree with Tony Stark that you are innocent, Captain.

However, Dr. Strange was lower on my suspects list.

Gunnar Svensson

nods

Lee Jordan

Who was higher?

Philippe Breliere

You, Loki.

Gunnar Svensson

...

Philippe Breliere

But after today's discussion, I believe I may be wrong.

Gunnar Svensson

I believe in Loki.

Lee Jordan

I have high regard for order, despite being a god of mischief.

Gunnar Svensson

(I also believe in Harvey Dent.)

Chase Devineaux

I think Loki has some good points this discussion.

Philippe Breliere

(*R*)

Chase Devineaux

(Heheh)

Ivy Monaghan

(*remembers Harvey Dent was actually mafia*)

Chase Devineaux

I'm guessing you and I don't entirely agree on this one, Hank.

Eugene Grovington

(Heh heh.)

Philippe Breliere

You are on Captain America's side? I am on Strange's side... yes?

Mayara Cole

Fidgets with her bracelet

Is lynching discussion over?

Eugene Grovington

jumps back down and offers Val a few strawberries

Philippe Breliere

Ah yes, somewhat over now.

Mayara Cole

Tack, Clint.

Enjoys strawberries

Ivy Monaghan

this about this with a bottle of Russian Vodka

Chase Devineaux

Russian Standard, Natasha, the good stuff -- upper shelf

(Sorry about that, Roux, was at breakfast)

Philippe Breliere

(Ce n'est pas grave)

Ivy Monaghan

reaches for the frosted bottle on the top shelf

Lee Jordan

Tries to not look at the small of BW's back

Eugene Grovington

fires a smokescreen at Loki when he sees his eyes drifting

Lee Jordan

Covers eyes

Ok! Sorry!

Philippe Breliere

Yes, very appropriate behavior in the Stark mansion, I'm sure.

Dan Awesome

is glad he has a mask on

Eugene Grovington

watches Nat strain for a few more moments before knocking the bottle down with another arrow

Ivy Monaghan

grabs the bottle as it falls

Spasiba!

Who wants vodka?

Dan Awesome

zings over body shots!

Chase Devineaux

You can knock a few more bottles down, Clint, she goes through them like beer.

Ivy Monaghan

It is benefit of open bar.

takes out 7 shot glasses

Mayara Cole

I would like some Wodka

Ivy Monaghan

pours a shot for Valkyrie

Chase Devineaux

takes a glass and pours himself a scotch

Ivy Monaghan

pours a shot for herself and drowns it

Mayara Cole

drinks

Can I drink when with this virus?

Ivy Monaghan

Russian shrugs Sure, just a little bit.

Lee Jordan

also has some wodka

Dan Awesome

takes a shot

Eugene Grovington

Oh whatever.

hops down and has a shot

Chase Devineaux

Scotch, Clint?

Bran Brychanson

Stomps over to the vodka

Eugene Grovington

Maybe we'll get lucky and the cure will turn out to be alcohol.

Philippe Breliere

Enjoys a small helping of vodka

Ivy Monaghan

We may need another bottle.

*need

Eugene Grovington

downs his shot and blinks

Chase Devineaux

Help yourselves.

*selves

ha *already drunk*

Ivy Monaghan

Hawkeye?

points to the bottle on the top shelf

Chase Devineaux

But we're sponsored by Grey Goose -- if you're wondering. Russian Standard is just minor sponsorship.

R.S. just tastes a little better.

Eugene Grovington

taps the bottle with the end of his bow and passes it to Nat

Mayara Cole

Why does it taste better?

Chase Devineaux

Uses Glacial melt.

Ivy Monaghan

pops the bottle open and pours a few more shots for everyone

Mayara Cole

wow

Ivy Monaghan

Ask him anything about robotics, women and alcohol.

Philippe Breliere

That is an interesting fact.

Eugene Grovington

has another shot

Philippe Breliere

I am wondering if Dr. Strange truly is suspicious. He seems well to me.

Chase Devineaux

Still thinking, Hank?

Philippe Breliere

I am always thinking.

Lee Jordan

Thinking is good.

I thought much, too. And he feels dark.

Mayara Cole

Feels dark? Like what? Like me, infected?

Lee Jordan

No, you are light, like an edible gummy bear.

swigs wodka so good.

Mayara Cole

Drinks too

Ivy Monaghan

considers this as she takes another shot of vodka

Philippe Breliere

It is easy to get upset over this, Valkyrie. Be calm.

Mayara Cole

Sorry, I'm okay now.

Gunnar Svensson

Loki, what's your reasoning?

I want to compare notes.

Lee Jordan

Other than that I care for my Asgardian kin?

Dr. Strange was mentioning he was infected since the beginning. A way to throw us off?

Gunnar Svensson

Glad you caught that too.

Though it could be a goof up.

Lee Jordan

I have limited usage of my energy in this trap we are all under.

Philippe Breliere

Nods I can see your point then.

Mayara Cole

Listens quietly

Philippe Breliere

Dr. Strange has limited use of energy also.

Lee Jordan

He had many suspects today.

Bran Brychanson

Mostly everyone...

I take that as a sign...

Gunnar Svensson

nods

Bran Brychanson

Trying to find a popular alternative suspect...

Fishing in the dark.

Chase Devineaux

It's also his first game, let's consider that too.

Bran Brychanson

True.

Good point.

Philippe Breliere

Yes, true. But if he is truly 'dark' as you say, Loki, then there is little cause for me or anyone to defend him for now.

Chase Devineaux

Do you feel a need to defend him?

Philippe Breliere

At first yes.

He and I are both researchers.

Bran Brychanson

It was suspicious...

Philippe Breliere

This is, frankly, very early in the game.

Gunnar Svensson

See? See?

I know what I'm talking about.

Chase Devineaux

It's not impossible to be correct on the first voting. We've all done it before.

Lee Jordan

Yes! When you have a good team.

Bran Brychanson

Except me... who was indisposed at the time.

Gunnar Svensson

Heh

Philippe Breliere

I am certain if you could, you would have.

Mayara Cole

Is indisposed now

Bran Brychanson

Heh

Mayara Cole

Cheers her hero friends on!

Lee Jordan

Not just heroes, right? Lokis too.

Ivy Monaghan

smirks

(That's cute.)

Mayara Cole

Fine *cheers for Loki too*

Lee Jordan

Is cheered

Philippe Breliere

Chuckles

Gunnar Svensson

Heh

Ivy Monaghan

Ok, I think I've made up my mind.

Chase Devineaux

Right, I'd still like to hear from maybe Magneto... but I guess it doesn't matter so much at this point.

Philippe Breliere

No, limiting suspects is best, as per our previous strategies.

Lee Jordan

nods

(aite mates, gotta run to food)

Chase Devineaux

Take care.

Eugene Grovington

Bye Loki.

Mayara Cole

Waves to Loki

Bran Brychanson

(Later)

Gunnar Svensson

Bye.

Ivy Monaghan

(bye Loki!)

Philippe Breliere

Good day.

Gunnar Svensson

kicks back

Mayara Cole

Offers Capt some strawberries

Gunnar Svensson

Hey, thanks.

Mayara Cole

Might as well, hopefully, I'm not seriously contagious.

Gunnar Svensson

offers a Yuengling

Mayara Cole

Gladly accepts American beer

Fair trade, Steve.

In my nation, we have lingonberry beer.

Gunnar Svensson

You're out-of-this-world contagious.

Mayara Cole

But it doesn't taste like your wheat and hobbs combination.

Sits up and salutes Capt' America You're tots out of this world too.

Thinks of picking the seeds out of her strawberries to grow in Asgard

Gunnar Svensson

Don't follow my example, OK?

I can't get drunk.

But you might.

Mayara Cole

Your example? Be all heroic and decisive?

I'm a shield maiden, I have excellent constitution against alcohol.

Maybe when we're not both trying to fight a virus, we could do a friendly drinking game.

Philippe Breliere

Continues to ponder

Gunnar Svensson

...sounds like a plan.

Chase Devineaux

I know it sounds like flirting, but in Asgard, they do that with everybody.

Gunnar Svensson

Here's my number.

Mayara Cole

Yes! We are all friends.

Gunnar Svensson

Call me, maybe.

Mayara Cole

Looks at number

Is this how I spell your name?

Chase Devineaux

Brings out the (sponsored) iPhone

Here.

Gunnar Svensson

Yes, yes it is.

Stephen M. Rogers.

Mayara Cole

Looks at phone

Gunnar Svensson

M for Merica.

Chase Devineaux

JARVIS, input...

No wait... Siri.

Siri, make a new entry.

Mayara Cole

Watches

Oh this is very neat.

Gunnar Svensson

Bodacious!

Far East!

Gnarly!

Mayara Cole

Smiles but has no idea what the Capt' is saying

Gunnar Svensson

has no idea either

Mayara Cole

I can keep this phone?

Chase Devineaux

Sure, play with it.

Mayara Cole

Yes! But you don't have internet.

Eugene Grovington

climbs back up to his ledge

Gunnar Svensson

Does he have IMUGGER?

I'm on there.

Chase Devineaux

Share with Capt'

Mayara Cole

Shares iPhone with Captain America

We can play the Avengers game in here!

Gunnar Svensson

has no idea how to operate

Philippe Breliere

It seems we are heavily sponsored.

Laughs lightly

Gunnar Svensson

types 'Lula' in accident

Mayara Cole

Giggles

Lula is my pet Panther's name.

Chase Devineaux

You have a pet panther?

Mayara Cole

Not in this dimension.

Gunnar Svensson

Wait, pet panther?

Your dimensions are just fine.

Ivy Monaghan

Panther's are pets?

Eugene Grovington

That was uncharacteristically smooth.

Mayara Cole

Blinks It totally was!

Imgur must have helped.

Unless he's been reading Tony's blog.

Chase Devineaux

I don't have time for a blog.

Gunnar Svensson

IMUGGER is a blast.

Philippe Breliere

If you did, it would likely be categorised as 'me', 'me and me,' and, 'myself'.

Gunnar Svensson

Heh, he got your number, Anthony.

Eugene Grovington

'Random woman, but mostly me'

Mayara Cole

Giggles He's actually normal, like everybody else.

Chase Devineaux

Am not, I'm special.

Gunnar Svensson

Anthony has issues.

Chase Devineaux

But yeah, if I did blog (which I don't), and if I had the time (which I also don't) I'd only have time for me.

Philippe Breliere

We know that, yes.

Gunnar Svensson

Hey, that actually did sound like your old man for once.

Philippe Breliere

Having us in this mansion must be very daunting for you.

Gunnar Svensson

I don't think he approved of blogging either.

Chase Devineaux

I don't know, at least we have a hot blond, two feisty red heads, and a practical brunette... and Storm... around.

Philippe Breliere

That fills your surrounding female quota?

Chase Devineaux

Actually... no. I only really need one.

Mayara Cole

Really?

Chase Devineaux

Yes, really.

But don't quote me, it'll make me look weak.

Gunnar Svensson

...

Philippe Breliere

Where is Pepper?

Mayara Cole

I asked that already.

Chase Devineaux

Where in Carmen Sandiego is Pepper Potts?

Gunnar Svensson

You mean I can have the blonde?

Chase Devineaux

Why are you asking me? I'm not-- Okay, yeah. *Plays along* You can have her.

Philippe Breliere

Is she not with Thor?

Gunnar Svensson

Sweden!

Mayara Cole

I'm not with Thor in this dimension.

winks

Besides, I can only take so much of that hammer.

Gunnar Svensson

grins

Wait... He beats you?!

Mayara Cole

"Brunnhilde! My hammer!", "Look at my hammer, Valkyrie!", "By the light of Odin! There goes my hammer!"

Gunnar Svensson

embarks on genocidal quest to confront Thor

Chase Devineaux

Looks for that bell

Philippe Breliere

Rings bell

Chase Devineaux

Thanks Hank.

Philippe Breliere

Yes, my pleasure.

Ivy Monaghan

...

feels it's a little warm in Stark Manor

Eugene Grovington

dangles a zip line down to Nat, inviting her to join him

Ivy Monaghan

grabs zip line and tugs it twice so she can be pulled up

Mayara Cole

lols I meant his... weapon hammer, not... *turns red*

Eugene Grovington

pulls her up

Chase Devineaux

Points to Hank

Philippe Breliere

Rings the bell

Eugene Grovington

Sounded like things were getting a little wild.

Gunnar Svensson

continues onward to slay Asgardian wifebeater

Chase Devineaux

Where's Deadpool?

Mayara Cole

Stops Steve Where you are going, Captain?

Dan Awesome

slides down on stolen Spidey Rope

you raaaannng?

Philippe Breliere

You cannot much leave, at any rate, Captain Rogers.

Gunnar Svensson

I'm going to save you from a terrible life.

Chase Devineaux

Yes, with much regret.

Gunnar Svensson

...

...Tomorrow, I will save you from your abusive steady.

Mayara Cole

Oh that's okay, we're not really steady in this dimension.

He has Natalie Portman.

Gunnar Svensson

...

Two-timing, abusive boyfriend?!

Chase Devineaux

Captain... I think it's fair remind you Brunnhilde's 19.

Gunnar Svensson

Wow, you really need me.

Mayara Cole

I'm 1900 years old!

Gunnar Svensson

And I'm 24

Chase Devineaux

Yes... the Asgardian equivalent of a teenager.

Gunnar Svensson

...

...see? We're good.

Philippe Breliere

Asgardians age very slowly.

Loki himself is but a teenager.

Gunnar Svensson

So do I, as I so recently discovered.

Ivy Monaghan

He sometimes acts like it.

Mayara Cole

My human host form is 18. *smiles*

Gunnar Svensson

We're a perfect match.

Philippe Breliere

Ah yes, she is a human girl with a Valkyrie spirit.

Mayara Cole

Totally.

I use a sword, you use a shield...

Dan Awesome

18 is legal!

Gunnar Svensson

Swell!

Dan Awesome

I know this.

Gunnar Svensson

You want to elope?

Chase Devineaux

We're in Morocco... I guess 16 is legal here.

Gunnar Svensson

I mean...

Philippe Breliere

Stark would know.

Gunnar Svensson

Sometime...

Mayara Cole

Why we need to elope? Everybody heard our convo.

Gunnar Svensson

With... Someone...

Uh, I haven't met your parents.

Chase Devineaux

Does not write this convo in spreadsheet for privacy reasons

Philippe Breliere

Laughs lightly

I enjoy it when young people get together.

Mayara Cole

Thor is my leader, I have no parents.

Gunnar Svensson

Keen!

Mayara Cole

My human host is an orphan.

*Odin is my leader, not Thor.

Gunnar Svensson

Your what?

Eugene Grovington

secures his gear and sleeps

Gunnar Svensson

Who are you staying with?

Mayara Cole

In Asgard? I stay with my Shield Maiden sisters.

Here, I am with the Avengers.

And right now, I am staying in room 212 of Stark mansion.

Gunnar Svensson

Oh nice.

Who's this host you were talking about?

Dan Awesome

scratches his head

Mayara Cole

Oh, this body. I'm a Valkyrie, my realm isn't Earth, so I have a host for me.

She and I become one.

Then we smite evil!

Gunnar Svensson

blinks

Dan Awesome

When two become one...

I need some love like I never needed love before!!!

Philippe Breliere

It is a rather complicated process.

Dan Awesome

[[yeah]]

Gunnar Svensson

Is this going to make things weird?

Philippe Breliere

But it results in one Valkyrie.

Gunnar Svensson

*make

Mayara Cole

Nope. It just means I'm a teenage girl with Valkyrie powers.

Dan Awesome

Buffy.

Gunnar Svensson

...oh. Then why didn't you say so?

Mayara Cole

I guess that sums this up.

Loki doesn't need a host body, because he's a god.

Gunnar Svensson

...

Philippe Breliere

Also, the Brunnhilde in legends is a spirit only.

Gunnar Svensson

I need to take you to church.

Mayara Cole

Yep.

I've been to church.

It's for human war ships.

Chase Devineaux

worship.

Gunnar Svensson

Then why did you say Loki was a god?

Mayara Cole

warship?

Gunnar Svensson

Worship

Mayara Cole

He's 'a' god, not 'the' God.

Gunnar Svensson

...ah

Mayara Cole

In Asgard, it's a title for very powerful people.

Gunnar Svensson

checks down the list

Philippe Breliere

What is that list for?

Gunnar Svensson

So far, you qualify.

Philippe Breliere

Ah, I see.

Bran Brychanson

Looks up from his work

Glances at the clock

Dan Awesome

Do a little dance...

ow, make a little love...

Get down tonight...

Gunnar Svensson

...

Bran Brychanson

It's almost 0340 eastern time...

Wait...

Chase Devineaux

You're never much an all-nighter kind of guy, Rhodey.

Get some sleep.

Bran Brychanson

make that 0440.

(Which means it's 0140 where I am.)

Dan Awesome

He was all pumped after the exercise and the vodka.

Gunnar Svensson

(...)

(so it is)

Bran Brychanson

I'll listen to your advice this time, Tony.

Chase Devineaux

It's... 10:40 here in Morocco.

Gunnar Svensson

(I had 7 o'clock badge last night.)

Bran Brychanson

We both know what I'm like sleep deprived.

Chase Devineaux

But you guys get some sleep. Jet-lag is not cool.

Bran Brychanson

(....)

Ivy Monaghan

slides down from the rope to get another shot of vodka

Bran Brychanson

(0700?)

Gunnar Svensson

(Sounds like a great night for another.)

Mayara Cole

shares vodka with Natasha

Bran Brychanson

(...)

Ivy Monaghan

(I can confirm, I left him at 7, then saw him again 3 hours later.)

(He then had lunch and continued chatting.)

Bran Brychanson

(*Doesn't even know what staying up til 0700 feels like*)

Gunnar Svensson

(Except my eyes are so red, I don't think that's good.)

Mayara Cole

Strawberries can fix red-eyes.

Ivy Monaghan

(He did seem to grow a little taller afterwards. Which is an odd side effect.)

Gunnar Svensson

wonders how

(Yes, must carry on experiment.)

Bran Brychanson

(Yeah. Well, I'm going to hit the sack)

Ivy Monaghan

We had experiments like that in Russia.

Gunnar Svensson

(heheh, I'll actually do that too.)

Ivy Monaghan

There was a gas that makes you not sleep.

(Night both of you.)

Bran Brychanson

(I need to get up early enough so I can exercise before coming into the hangout)

Gunnar Svensson

(because bloodshot eyes.)

Bran Brychanson

(If I don't exercise before... it usually doesn't happen)

Gunnar Svensson

(not because I'm weak.)

Bran Brychanson

(Night, all)

Mayara Cole

(*yawns* will sleep too)

Hugs Capt and Rhodey

Night!

Gunnar Svensson

checks at hugging Greta, and runs off instead

Mayara Cole

Hugs everybody else who's actually awake

Gunnar Svensson

Night

Chase Devineaux

Haha, take care.

Everybody else... I offer brunch.

What do you want?

Ivy Monaghan

Vodka brunch.

Do you have caviar?

Philippe Breliere

Je voudrai...

Looks at Stark's brunch menu

What is this Asian stuffed squid in light lime sauce and quail egg?

Chase Devineaux

I don't know. Never tried it.

Dan Awesome

jumps down for brunch

Pizza?

Philippe Breliere

Looks for Pizza in menu

Reads

French-style thin pizza with 4 cheeses and egg.

Dan Awesome

Why is there egg on everything in this menu?

I'll take it!

Chase Devineaux

It's the catering. You think I cook?

Philippe Breliere

No, Tony, you are not capable of cooking. Even for yourself.

Chase Devineaux

Thank you, somebody understands me.

Philippe Breliere

Would you like to look through the menu? *Hands menu*

Chase Devineaux

No, uh... Just put it down, I'll figure something out.

Ivy Monaghan

I will have the potato pancakes with caviar.

Philippe Breliere

Presses the orders to the computer through the kitchen console

What would you like, Tony?

Chase Devineaux

Surprise me.

Philippe Breliere

Thinks

Orders extra spicy tagine

Chase Devineaux

Add cous cous

Philippe Breliere

Adds couscous

Chase Devineaux

Lamb tagine

Philippe Breliere

Enters lamb

Chase Devineaux

Extra potatoes

Philippe Breliere

enters extra potatoes

Chase Devineaux

Can you have them pick out the pine nuts?

Philippe Breliere

...

Chase Devineaux

Blank stare

Philippe Breliere

...

Chase Devineaux

I don't like pine nuts.

Philippe Breliere

How will I do that?

Ivy Monaghan

(laughing too hard)

Chase Devineaux

In the comments section.

JARVIS does it for me all the time.

Philippe Breliere

...

signs and goes to comments section to enter removal of pine nuts

*sighs

Chase Devineaux

And can you ask them to take out the chunks of onions?

Philippe Breliere

...

No.

Chase Devineaux

Why not?

Philippe Breliere

We all must eat.

You are stalling.

Presses enter

Chase Devineaux

But...

Philippe Breliere

If you don't like onions, pick them out on your own.

Chase Devineaux

Manually? By myself?

Philippe Breliere

Yes.

You wanted a surprise, you said.

Chase Devineaux

Hank... you're hurting my feelings, Hank.

Philippe Breliere

Yes, we are friends, I am sure you will recover.

Chase Devineaux

Nods Max.

Joe Kerr

nods Stark

notes bracelet on Valkyrie

Chase Devineaux

I'm sure you've caught up above?

Joe Kerr

Yes. And I am rather curious

Valkyrie was an interesting but unfortunate first victim.

Chase Devineaux

Pete mentioned your name a few times, but he doesn't exactly have grounds (in here, he was referencing NG talks.)

Joe Kerr

Who would have the most to gain by taking her out....and declaring war on Asgard?

(yeah i noticed. thx for noting that it was in NG and I was just RPin Mags)

Do you mind me being honest Stark?

Chase Devineaux

(Anytime, I wanted him to stay logical, he's a kid, he's emotional.)

Please, by all means.

Joe Kerr

(heh)

notes Dr McCoy's appearance

Dan Awesome

chews 10 packs of gum to keep from talking during lynch discussions

Philippe Breliere

nods as he enters Hello Magneto.

Joe Kerr

Me thinks Dr Strange doth protests too much.

Chase Devineaux

Thanks Deadpool for being a sport -- fist-bump

Dan Awesome

fist bumps back

Philippe Breliere

I can see that, as the discussion progressed.

Joe Kerr

As for other suspects, admittedly Dr McCoy, you are on my list. Not that I bear you any prejudice or ill will.

Philippe Breliere

That is understandable, of course.

Anyone may be suspect in here.

I had admittedly had Wanda on my list as well.

Joe Kerr

True. But somehow you have become a central character - a key researcher into the virus. A perfect cover psychologically.

As far as my own daughter is concerned, I will shamefully admit I don't know her well enough to understand how she thinks.

Chase Devineaux

Right, but since the story came after he picked his role, it does give Dr. McCoy some reasonable doubt.

Joe Kerr

True.

Chase Devineaux

And... really, I don't blame you, Max.

I don't think Wanda knows much about you either.

Joe Kerr

sighs

I wonder if she could ever forgive me for leaving her and Pietro. I was so foolish then.

Philippe Breliere

I'm certain we all have the capacity for forgiveness.

Chase Devineaux

In the meanwhile... Vodka?

Philippe Breliere

Yes, of course, the one thing we seem to have an endless supply of.

I will take water for now, thank you, Tony.

Chase Devineaux

We have an endless supply of water too.

Joe Kerr

As will I, Stark. Unlike you, I work best sober

By the way, being experienced in villainy, I will say this, the first kill is never as random as people think.

Chase Devineaux

Nods We all have our fort .

Joe Kerr

There's a reason Valkyrie was targeted. Finding that reason brings us to the culprit(s)

Philippe Breliere

The two most popular reasons seems to hang between Captain America and Dr. Strange.

I say this objectively.

It would seem Strange may have taken out Valkyrie because she had spoken out about him in regard to magic and science.

But Dr. Strange had rebuked that it is easily believable that Captain Rogers would take out Valkyrie to remove himself from blame.

Joe Kerr

Actually I favour Stark as being a likely suspect in this also

Chase Devineaux

(A la Ivy to Euge in first game.)

Joe Kerr

And my reasons have nothing to do with his advances towards my daughter

Chase Devineaux

I take that as a compliment, Max.

Joe Kerr

?

Mikal Darsha

This is all very interesting indeed.

Joe Kerr

You must be drunk already Stark.

Mikal Darsha

I favor the idea that it was a ploy from the Captain.

Just noting my observations to how he reacted when her infection was announced.

Joe Kerr

maybe.

Philippe Breliere

I had thought the same, originally.

That was why I was so quick to side with Dr. Strange in the beginning.

Captain America was very adamant that the Valkyrie was taken by Strange.

Joe Kerr

but to me Stark has the most to lose if Valkyrie sticks around.

Chase Devineaux

Most to lose? But she's always been on my side.

Joe Kerr

she reads him better than anyone except maybe Ms Potts.

Philippe Breliere

I'm sure that is debatable.

I have not seen Valkyrie notice anything for or against Tony, except for harmless flirting.

Mikal Darsha

I truly believe we are skipping over the issue of Captain America.

Chase Devineaux

Exactly, if anything, she'd be a great one to bounce anything off -- no, that was not a pun.

Dan Awesome

rings bell

Philippe Breliere

Chuckles

Joe Kerr

True. But she is also a vote turner. Taking her out leaves more vote control for those who are influential.

I agree too that the Captain is suspicious.

Valkyrie might also be able to read him well enough.

Mikal Darsha

Though I think we need more time to watch if anyone call tell us more.

There are many amongst us who have investigative and doctoral skills.

Philippe Breliere

We must remember that Captain America had one or two suspect that he stuck to.

Mikal Darsha

A good team (like what happened in Star Wars mafia) may be beneficial to us.

Philippe Breliere

While Dr. Strange did sway through several suspects.

Joe Kerr

let's hope we survive long enough for our skills to matter.

tries to magnetically move bell and only manages to shift it an inch

Chase Devineaux

Exactly, teamwork, thanks Fury... you're great at pop-talks.

I guess that's what you do.

Mikal Darsha

You're doing great, Stark. Keep it up.

Joe Kerr

Now you're pushing it

Chase Devineaux

But I'm great, he's right, I'm Iron Man.

Mikal Darsha

rolls eye

Philippe Breliere

Yes... we know.

Chase Devineaux

(haha 'eye')

Joe Kerr

(nice one Mikal)

Philippe Breliere

While Tony is not acting like a 14 year-old boy, he is often very deductive.

Chase Devineaux

Sharp as occam's razor

Joe Kerr

true. he seems to thrive of alcohol

*off

Chase Devineaux

Most of the world's finest machines are fueled by combustible organic compounds.

Joe Kerr

decides against continuing this line of argument

This is getting us nowhere

Philippe Breliere

Laughs lightly Yes.

I presume you are staying in the mansion as well, stuck here like the rest of us?

Joe Kerr

Unfortunately

It would seem so

Philippe Breliere

Ah, unfortunately. I suppose it isn't terrible. We had a *looks through menu* rather brilliant brunch this morning.

Chase Devineaux

Right, thanks for ordering, Hank.

Joe Kerr

I hope dinner is as splendid.

So are we putting the Captain back on ice or we revoking the doctor's license (Strange not Hank)?

Mikal Darsha

I already know where my vote is going.

Philippe Breliere

I am not yet certain, but we must cast all our votes soon.

It is our first voting session, we do not know too much yet.

Chase Devineaux

Never easy.

Joe Kerr

Fury, would it be possible for you to phone Wolverine in? Normally I hate dealing with his rage but his quick-healing factor might provide us the cure to the Legacy virus

Chase Devineaux

I'd lean towards Strange... but only because I think Capt. and Loki were on to something.

Philippe Breliere

We don't need Woverine, we have Deadpool.

Mikal Darsha

No can do, Magneto. We'll need to solve this in-house.

Joe Kerr

Strange as it is (no pun intended), I think Loki seems trustworthy...for now

Mikal Darsha

And yes, Deadpool has Wolverine's healing factor. Perhaps the doctors can try get a hold of him.

Philippe Breliere

Yes, he seems to be trying in his convoluted way to help this time.

Chase Devineaux

Be reminded, you might actually have to touch Wade.

Joe Kerr

Deadpool's powers aren't too reliable though. I recall his attempts at teleporting failing miserably on several occasions.

Mikal Darsha

He's also impossible to work with.

(be back)

Philippe Breliere

But he does heal.

Joe Kerr

Preaching to the choir, Fury. There's a reason I never put him in my brotherhood.

Chase Devineaux

Heh

Joe Kerr

Seeing how this plays out is going to be like peeling off a band-aid

Chase Devineaux

Peeling it off slowly, you mean.

Philippe Breliere

Yes, the Valkyrie was not a likely suspect for anyone.

And yet, for everyone.

Joe Kerr

no Stark. it's the fact that you have to do it coupled with the suspense of whether it will hurt as bad as you think it will

Chase Devineaux

Hasn't really thought that about bandages

Joe Kerr

You were probably drunk when you peeled your band-aids off anyway

Chase Devineaux

Points to Magneto Yes. Probably.

Philippe Breliere

As I stated, when he's not acting like a 14-year-old...

Joe Kerr

hides a smile while drinking his glass of water

Philippe Breliere

We have had uneasy truces in the past, Magneto, and we've always understood one another.

I am sure, however, that neither one of us will be fully off the other's suspects list.

Joe Kerr

Understandably so, in these circumstances, Dr McCoy

Chase Devineaux

No one's off my spreadsheet until something happens... or JARVIS gets back and gives me all the answers.

In point form.

Philippe Breliere

Of course, that is also understandable.

Joe Kerr

on that note, I must have some time to think. I will be in the sauna, contemplating.

Chase Devineaux

Yes... feel free.

Throw water over the hot stones to make steam.

Joe Kerr

(got to go. bye)

Philippe Breliere

Yes, enjoy. (ensuite!)

You are especially patient, Tony.

Chase Devineaux

Do I look like I have a choice?

Apparently, humans are at risk too.

I can't take this to Pepper.

Philippe Breliere

...

Chase Devineaux

What?

Philippe Breliere

Nothing... I... never thought you knew how to think of anyone other than yourself.

Chase Devineaux

Looks around to make sure no one else was listening.

Oh yeah, sure... *whispers* Let's not talk about this anymore.

Or... you know, to anyone.

Philippe Breliere

Of course.

Chase Devineaux

Excellent. *Hands Hank a bottle of Evian*

Have some water.

Philippe Breliere

Shakes head and accepts

Astrid Jane

Blueberry?

Chase Devineaux

Blueberry?

Astrid Jane

holds out a packet of sun-dried cyanococcus

Chase Devineaux

Hey nice *takes a few* Thanks.

Astrid Jane

scrolls through transcripts

Chase Devineaux

If you can get these fresh, I can use them for the wild yeast on their blue skin... for... brewing.

Philippe Breliere

You and wild yeasts...

Chase Devineaux

It's science, Blue.

Philippe Breliere

Yes, I find your search to perfect alcohol consumption very interesting.

Chase Devineaux

Bluebries and vokor also goo..

Swallows

Blueberries and vodka... also good.

Astrid Jane

laughs

weighs probabilities

Philippe Breliere

What are you thinking, Wanda?

Astrid Jane

Dr Strange made good arguments...

pops a few more blueberries

offers some to Dr McCoy

Philippe Breliere

Also takes some of the fruit

Gunnar Svensson

Hmm, is that so?

Chase Devineaux

Any part of that argument stood out in particular?

Astrid Jane

drags security feed scroll bar "Take me! Take me!"

Gunnar Svensson

...

Astrid Jane

I don't like peculiarities. It interferes with probabilities.

Gunnar Svensson

You don't kick a man while he's down...

Astrid Jane

Are you down, Captain?

Gunnar Svensson

Or is that why you're a witch?

Yes, someone just removed yet another friend from my life.

Astrid Jane

smiles and lets the Captain slide

Gunnar Svensson

At least, temporarily.

Astrid Jane

Have a blueberry, Steve. *holds out bag* It suits your uniform.

Gunnar Svensson

*At

...uh, thanks.

Mikal Darsha

I think Scarlet (Witch) has a point.

Philippe Breliere

You may call her Wanda, as well.

Gunnar Svensson

...

Mikal Darsha

Who would suspect the Captain of taking the woman he kisses (twice) out?

His gross over reaction was also odd to me.

Gunnar Svensson

...So no one else saw Dr. Strange as odd?

...

Lee Jordan

Agrees with Fury I agree with you. But! I think Strange is odd.

Agrees more with Captain America

Mikal Darsha

Hmm...

scratches his good eye

Gunnar Svensson

I dare the Detective to check me after this, if Greta wasn't that person.

Chase Devineaux

I have to agree with Capt Rogers and Loki, call it a hunch.

Gunnar Svensson

Or I could be the Detective, you know.

Astrid Jane

Detective, Captain?

Mikal Darsha

Damn it Captain, why do you sound so suspicious?

I want to believe you.

Gunnar Svensson

Call my bluff, Detective!

Philippe Breliere

Captain, if you are saying so, you may be taken out by the culprits next, you understand?

Gunnar Svensson

I'm innocent.

Astrid Jane

And people think I'm mad...

Gunnar Svensson

Like, tots.

Lee Jordan

Eats a blueberry

Astrid Jane

smacks Loki's hand away

Lee Jordan

There are no gummy bears in blue berry flavor?

Gunnar Svensson

But, I'm betting on the doctor knowing what's best.

Lee Jordan

Ow! Man...

Gunnar Svensson

And he'll save me if he has any faith.

Mikal Darsha

Or you could be mafia and draw the doctor's sympathies.

Astrid Jane

You really are very odd today, Captain.

Mikal Darsha

If the doctor should be someone like Spiderman.

Gunnar Svensson

Again, I'm calling out the Detective.

Philippe Breliere

Of course, we're certainly trying to save you... aa, you mean as 'rolled doctor'...

Gunnar Svensson

I'm willing to take this risk.

Philippe Breliere

You are sounding slightly insane, Captain.

Chase Devineaux

But he's right. He's calling for action.

Gunnar Svensson

It's the American way.

Mikal Darsha

I would also not wish for us to get our detective killed trying to save you.

This is why we have covert operations, man!

Philippe Breliere

Are you sure you cannot get drunk?

Gunnar Svensson

The Mafia would need a lucky hit if the Detective is not me.

Astrid Jane

mutters, scrolls through more transcripts

Chase Devineaux

Tries to decipher Steve Rogers

Mikal Darsha

All right Captain, since you are being very bold about this all. Who do you think is the most suspicious?

Chase Devineaux

Captain, I'm trying to help you here.

Gunnar Svensson

Dr Strange... And Wanda, now.

Mikal Darsha

notes this

Philippe Breliere

A oui, admittedly, Wanda was on my list. No offense to Wanda, of course.

*yes

Gunnar Svensson

She was quick to judge me.

Lee Jordan

She didn't let me have blueberries.

Astrid Jane

And you are quick to presume I was quick, Captain.

But, please... feel free.

Gunnar Svensson

I know, only I know I'm innocent right now.

Astrid Jane

This is not the first time there's been a witch hunt.

eats more blueberries

Gunnar Svensson

But that was pretty... Defensive-minded.

Very Mafia-like.

Chase Devineaux

For now, the only person we all know is innocent, is Val.

Gunnar Svensson

Protecting their own.

Philippe Breliere

She had no true alliances, as I had seen.

Gunnar Svensson

She hasn't had time to express herself, Dr.

Astrid Jane

You're wrong. I was frequently told that "once an Avenger, always an Avenger".

My allegiance is clear.

Chase Devineaux

Captain America is very boisterous in general, (since NGs... just to remind everybody).

Gunnar Svensson

Uhhuh

Philippe Breliere

When I said 'alliances' I had meant Valkyrie.

Forgive me.

Astrid Jane

There is nothing to forgive.

Philippe Breliere

And yes, I can see Captain being rather loud (since NGs)

Dan Awesome

plays video games

Astrid Jane

gets off chaise longue to cast vote

Gunnar Svensson

...that's a fast vote.

Lee Jordan

I think we should remember how different Strange made himself.

Dan Awesome

leaves out vote box

Astrid Jane

You have your Republicans and I have... whatever I have.

finished up the blueberries but leaves one for Loki

Chase Devineaux

(heheh)

Lee Jordan

Has one blueberry

Chase Devineaux

Loki, go back, what did you mean?

Gunnar Svensson

Yes, I was wondering that.

Lee Jordan

I said it before, he was 'sick' before anyone.

Gunnar Svensson

(Take into account it's his first game.)

Lee Jordan

Always rubbing his temple, sitting tiredly.

Gunnar Svensson

(But that doesn't mean that's an invalid point.)

Lee Jordan

And he wasn't exactly a gummy bear.

Gunnar Svensson

Heh

Philippe Breliere

I'm sensing Loki has become very attached to the human gummy food.

Lee Jordan

They're good, just saying.

Perfect for my Asgardian pallet.

Chase Devineaux

Good, we have plenty of them.

Gunnar Svensson

Anthony... What's your main suspicion?

Chase Devineaux

Hang on JARVIS left me with manual mode...

checks his spreadsheet

Gunnar Svensson

(Heh)

Chase Devineaux

Right now, I'm thinking Strange.

Philippe Breliere

I cannot agree with you completely on that.

Astrid Jane

returns to reclaim chaise longue

Ivy Monaghan

Strange?

Philippe Breliere

I feel there is too much variable to point to Dr. Strange now.

Chase Devineaux

Your guess is as good as mine, but I thought his varying of suspects... despite it being his first game... was a sign.

Lee Jordan

Agrees

Chase Devineaux

*is as

Philippe Breliere

Then I hope you three are correct.

Astrid Jane

Hope is an interesting concept.

Chase Devineaux

I know, there's still that.

But eventually, a decision has to be made, right? Whether or not you vote, time runs out. Might as well make an educated guess.

Philippe Breliere

Nods

Gunnar Svensson

nods

Lee Jordan

nods

Gunnar Svensson

May I reference our good record on first lynchings?

They're usually right, which is interesting.

Astrid Jane

I think Captain America is unwell, but not of the Virus.

Philippe Breliere

We do work well as a team, despite.

Gunnar Svensson

...Nice to know you have faith in me, Wanda.

...I guess.

Astrid Jane

Once an Avenger, always an Avenger.

(*needs to stop referencing comics, for the good of the masses*)

Chase Devineaux

(*catches very few refs*)

Gunnar Svensson

(Meh, I was probably the same way with Star Wars.)

(It's your home turf, you should claim it.)

Mayara Cole

Looks for the brunch menu

Oooh, Duck confit.

Chase Devineaux

It's 5:15 in Morocco, you're hungry? It's not called brunch, it's called dinner.

*PM

Mayara Cole

Looks at dinner menu

Why do you have so many menus?

Chase Devineaux

We're not barbarians.

Ivy Monaghan

(ha)

Gunnar Svensson

(Heheh)

Chase Devineaux

Pickles with brunch, never with dinner. Heavy meats = dinner.

That sort of thing.

Philippe Breliere

I am somewhat hungry...

Chase Devineaux

Not surprised, Hank.

Ivy Monaghan

I heard the Spicy Tagine was nice here.

Chase Devineaux

Except for the overpowering onion... thanks Hank.

Gunnar Svensson

Heh

Philippe Breliere

Level stare

Gunnar Svensson

In my day, we ate what we were served.

Mayara Cole

What would you like for dinner, Steve?

Gunnar Svensson

Oh... Uh... I'll... Have whatever you're having.

What do you want, Tony?

Chase Devineaux

Surprise me.

Philippe Breliere

No, do not surprise him.

Astrid Jane

Why not?

It's rather easy, isn't it?

Leave in the onions.

Gunnar Svensson

She'd make a great wife.

Ivy Monaghan

Hello, Strange.

JB Nimble

My thanks. Greetings, Natasha.

Gunnar Svensson

...for somebody, I mean.

Philippe Breliere

Hello Doctor.

You are better this morning?

JB Nimble

Less stressed, yes. More willing to accept whatever happens.

Philippe Breliere

It is perhaps for the best. We will all be in such positions at least once.

Gunnar Svensson

...Except for those the Mafia hits.

JB Nimble

True, though from what I have heard, I may only have the once. *turns and reclines instead*

I am sure as long as we keep this virus well documented, it will be good on all of us.

Chase Devineaux

Agrees

JB Nimble

So has anyone tallied the unofficial standings?

Chase Devineaux

No, we never know what the vote is until it's fully done, really.

Discussion is public, but voting is private.

JB Nimble

True, but I do know there seems to be the two main factions at the moment. Fair enough, though.

Philippe Breliere

Often, if we have all voted, we will be granted the result right away.

Dan Awesome

That is true indeedy.

JB Nimble

I know that I have not, yet. Perhaps I am holding it up, but I am still unsure if I wish to vote what my instincts are telling me.

Philippe Breliere

You have 24 hours, of course.

JB Nimble

Yes. Though maybe it is a vain hope that something will make the situation clearer.

Gunnar Svensson

Since the Mafia hit.

Philippe Breliere

We may always additionally discuss.

Gunnar Svensson

Should be about 12 hours now.

Philippe Breliere

Ah yes, about that.

JB Nimble

Hmm? *looks to Hank*

Philippe Breliere

About 12 hours.

JB Nimble

Ah, yes.

Nevon Blair

I hope so too.

Food!

Why is it all fancy?

Philippe Breliere

I was told by Tony that we are not barbarians.

Nevon Blair

Can't we just get hotdogs?

Gunnar Svensson

Because of Anthony... Who apparently won't eat half the stuff anyway.

I'm sure there are some...

Gunnar Svensson

Does that mean no belly dancing?

Chase Devineaux

I'm not calling in a belly dancing troupe.

But you can try belly dance, no bars on that.

Lee Jordan

Don't fall for it, Tony, he'll tell the world you're a do-gooder.

Next thing you'll know, after bald eagles, he'll say you only love one woman.

Nevon Blair

Chase Devineaux

Eugene Grovington

Actually, forget it.

I'm getting distracted from why I came down.

Astrid Jane

2 - Mikal

3 - Sven

4 - Jack

Eugene Grovington

Philippe Breliere

Eugene Grovington

Chase Devineaux

I know, right? I had to type that out myself.

Gunnar Svensson

...

Ever heard of a pen and paper?

Gee, I know. Such a pain.

Chase Devineaux

Montblanc?

Nevon Blair

What's that?

Gunnar Svensson

A mountain. In France.

Chase Devineaux

It's a pen...

And a mountain.

Philippe Breliere

I suppose now is the time we wait?

Chase Devineaux

Yes, nightfall, we wait.

Kidd Kidman

Lee Jordan

Chase Devineaux

Yes, second cupboard from the door in the pantry.

Eugene Grovington

If we do, they're probably marinating in vodka.

Chase Devineaux

Also that.

Eugene Grovington

Assuming *someone* didn't drink it all.

Chase Devineaux

Vodka gummies are in the fridge.

Ivy Monaghan

...

Chase Devineaux

...

Oh you mean her.

Haha, yeah.

Natasha, always drinking vodka.

Gunnar Svensson

She does this often?

Ivy Monaghan

Kidd Kidman

That sounds unnecessarily risky.

Avengers. Is this another group?

Bran Brychanson

It has to be this way when you're human.

Kidd Kidman

Humans were not made to wander alone. We were meant to work in tribes.

You should consider at least bringing a partner.

Bran Brychanson

Well, I was hoping the Captain would...

Bran Brychanson

Yeah. But he is busy with other priorities.

Dan Awesome

Nevon Blair

Looks at Val Sorry.

Mayara Cole

Kidd Kidman

Gunnar Svensson

Uh-huh

Great job you've done Bag-face.

JB Nimble

Gunnar Svensson

Poor Greta is all alone because of your fantastic work.

JB Nimble

Oi! *echoes from the hall towards the lab*

Gunnar Svensson

Looks like I have to fix your problem for you.

Kidd Kidman

JB Nimble

Split vote? The culprits are apparently strategic. Not a good sign for us.

hears strange music from CD player

tosses CD away and puts on a jazz CD

Better

Hmm...why were there only 4 votes for Strange? At least 5 of us seemed to be against him...

Gunnar Svensson

Heh

Bran Brychanson

Watches the Captain closely

Gunnar Svensson

I know why.

I voted for Natalia.

Bran Brychanson

Why, Captain?

Gunnar Svensson

You can ask around. I was the only one.

Bran Brychanson

Seems a little random...

Gunnar Svensson

Because it proves I'm not Mafia.

Bran Brychanson

Uh huh...

Gunnar Svensson

It does.

Bran Brychanson

I'm still trying to decide if you're trustworthy...

Gunnar Svensson

If I was Mafia, why would I rally everyone against Syrandf and then not vote him?

*Strange

Bran Brychanson

Plenty of reasons... but you wouldn't have told us that you didn't vote for Strange...

Gunnar Svensson

As you can see, I put myself out in the spotlight and barely survived.

But I gambled.

Bran Brychanson

Does it worry you that Strange might not have been Mafia?

Gunnar Svensson

And if I was on Strange's team, I wouldn't have persisted.

Bran Brychanson

Since there were four votes for him exactly.

Gunnar Svensson

I'm rather certain he was.

Bran Brychanson

So am I.

Gunnar Svensson

There were three for me.

The exact number of Mafia.

Bran Brychanson

I never really entertained the thought that you were Mafia.

Three Mafia?

Right.

Gunnar Svensson

Glad to hear that, Colonel.

Bran Brychanson

I'm pretty sure I know who voted for Strange as well.

Not positive though.

Gunnar Svensson

I also have faith that Greta wasn't the doctor.

So I'm counting on the doc to keep our detective around.

Bran Brychanson

So am I.

Gunnar Svensson

So, let's cover our scenarios now, comrade.

Let's assume Strange was Mafia.

Bran Brychanson

Comrade? Doesn't that seem a bit communist?

Gunnar Svensson

What should we expect in retaliation?

...

Bran Brychanson

You may be a target.

Gunnar Svensson

Ok then - Colonel.

It's definitely crossed my mind.

Bran Brychanson

I see Loki as another target.

Gunnar Svensson

That's why I'm counting on the doctor.

Him, as well.

He seems to be rather intuitive.

Bran Brychanson

You two are the names that stand out.

Gunnar Svensson

So if you were Mafia, would you try to get me or Loki?

Bran Brychanson

Loki.

Gunnar Svensson

Hmm

Bran Brychanson

But if I thought the Doctor was on to us, I would go for you.

Gunnar Svensson

That's not particularly comforting, but I see your point.

But again, I'm counting on the doc.

Now, let's assume Strange really does have a good heart.

And I wrongly accused him.

What would the Mafia do then?

Bran Brychanson

They could take out another one of your girlfriends to try and set up your lynching.

Gunnar Svensson

...

Bran Brychanson

Since it was a close vote last time.

Gunnar Svensson

Right, girlfriends...

Bran Brychanson

In that case, Wanda seems like a nice target.

Gunnar Svensson

True, though she did seem a little suspicious to me.

Bran Brychanson

Or they could try and keep you alive as a lackey since you helped them last time. In that case, the mafia hit would be more random.

Gunnar Svensson

She accused me because of a phrase I said, right off the bat.

Bran Brychanson

True. It seemed quick to me as well.

Gunnar Svensson

And she voted VERY quickly if you ask me.

Bran Brychanson

It could have been revenge for your four-timing.

Gunnar Svensson

...

...She doesn't seem to mind Anthony.

Bran Brychanson

Heh.

That's always the case, isn't it?

Gunnar Svensson

Would seem so.

Bran Brychanson

How do you know I'm not Mafia?

Gunnar Svensson

Because what you said about the Mafia attacking Loki next.

Truly, I don't actually know.

But it just seemed like you were being totally honest at that moment.

Bran Brychanson

I see.

Well, I did vote for Strange.

Gunnar Svensson

Good to know, you kept me around. Heheh

Bran Brychanson

What do you think about Director Fury?

He gathered two votes.

Gunnar Svensson

Very shifty. But I'd guess that's not unlike him.

Bran Brychanson

True.

Gunnar Svensson

Wanda really has brought herself to my attention.

And Anthony... He's been on my radar.

But I think he's clean.

Bran Brychanson

I think Tony is fine, but I'll have to observe another round or so before I'm sure.

Kidd Kidman

Good evening Captian Merica, Mr. Rhodes.

Bran Brychanson

Good evening, ma'am.

Gunnar Svensson

Good evening, Miss.

Kidd Kidman

Have I missed much?

Bran Brychanson

I'm always suspicious of friends because you're drawn to trust them more.

Gunnar Svensson

Not much, no.

But you can join us in our collaboration.

Kidd Kidman

/is silently relieved.

Bran Brychanson

Just some chit chat

Gunnar Svensson

We're running through what the Mafia might have in store for us this round.

Kidd Kidman

You were mentioning a 'Wanda'?

Bran Brychanson

What are your thoughts after today's events, Storm?

Gunnar Svensson

Wanda, the Witch.

Kidd Kidman

I've sensed a divide here, but I can't decide which is the guilty party.

Gunnar Svensson

Do you have a list of suspects?

Kidd Kidman

This may sound...odd, but I feel suspicious of the Spiderman.

He seemed very quick to defend Dr. Strange.

Gunnar Svensson

You got that vibe too, eh?

Kidd Kidman

There was something else. His reaction to the vote was... odd.

Bran Brychanson

I noticed something like that as well.

Gunnar Svensson

I think you may be on the right track, Miss.

Kidd Kidman

I'm conflicted over Dr. Strange.

On the one, he was rather showy, but that could also be a manifestation of panic.

What do you think of Loki?

Bran Brychanson

I believe he is clean.

Kidd Kidman

Why is this?

Gunnar Svensson

Loki could be Mafia... He does seem very confident and knowledgeable.

And yet I do trust him.

It might come back to bite me later on, but I think he's honest.

Kidd Kidman

He said something... that Strange did not taste 'dark'.

It was hard to decipher.

Gunnar Svensson

I thought he said he did taste dark, but let me go back and read that.

Kidd Kidman

/is tempted to scan endless roll of footage, and yet, is not.

Bran Brychanson

I thought so too.

Kidd Kidman

Do tell us what you find.

Gunnar Svensson

" I thought much, too. And he feels dark."

Loki said that.

Kidd Kidman

Who did he say feels dark?

Gunnar Svensson

Strange.

Right now, I have two conclusions.

Either I was a fool and led a false crusade against an innocent man, and became a Mafia tool...

...or I was totally right and those three votes against me were Mafia.

And don't quote me, but I'm pretty sure I'm right.

Bran Brychanson

Hates the fact that he might have been used as a mafia tool in Strange's lynching

Kidd Kidman

If you are right, then I would align the Spiderman with Strange.

Gunnar Svensson

nods

Kidd Kidman

My vote was not for Strange.

Gunnar Svensson

I'll check into that in the future.

Who did you vote for?

Kidd Kidman

The Spiderman.

Of everyone, his reactions felt the most unnatural.

Gunnar Svensson

nods

Again, you may be on to something.

I'll look into this.

Kidd Kidman

Of course I may be wrong, but I am trying my best to keep personalities from tainting my judgment.

Gunnar Svensson

Hopefully neither Greta nor Strange were our doctor.

Kidd Kidman

Who is Greta?

Gunnar Svensson

The blonde.

Kidd Kidman

Her name is not Val?

Gunnar Svensson

Huh?

Kidd Kidman

I've seen the others refer to her as such.

Gunnar Svensson

Really?

Kidd Kidman

You did not notice?

Gunnar Svensson

She's only been Greta as far as I heard.

Kidd Kidman

No matter. We'll ask her when we see her next.

Gunnar Svensson

Who would you trust most of all?

Kidd Kidman

Remind me, how adamant was Strange against you?

Gunnar Svensson

He continued to list his noble sufferings and tell me how suspicious I was until he realized he was probably going to be voted out.

Kidd Kidman

/goes back into the tape

Gunnar Svensson

He also threw in a few complimentary names along with mine.

Bran Brychanson

Including Tony and I.

Gunnar Svensson

Right.

Kidd Kidman

I see you have suspicions of Dr. McCoy?

Bran Brychanson

He is a suspect in my book.

Kidd Kidman

And to answer your question as to who I trust most?

/thinks on this.

Gunnar Svensson

McCoy and Strange were my suspects from the very beginning, but Blue seemed to carry himself calmly.

Kidd Kidman

It may be bias of circumstance and subject to change, but Magneto.

Gunnar Svensson

However, remember the silent ones can be very dangerous.

Kidd Kidman

You've marked Strange for being forward and McCoy for the opposite?

Gunnar Svensson

I'm just giving everyone a look.

Can't be blind because of formalities.

That's how the Nazis got so far.

Kidd Kidman

Indeed, but it adds to the idea that Strange was targeted because he was overly active, not by the actions themselves.

Gunnar Svensson

Oh, it was the actions that I noted.

Kidd Kidman

/is rereading said actions to judge them.

Gunnar Svensson

Strange was very loud when arguing with me.

A little too loud for an innocent. Seemed like he had his whole defense already scripted with his humanitarian stuff.

Kidd Kidman

Now that I'm reading this...it appears that you picked the fight with him.

Gunnar Svensson

I'll admit I did.

Bran Brychanson

He did.

Gunnar Svensson

But that wasn't before I had analyzed him.

Kidd Kidman

Then what did you expect him to do if not defend himself?

Bran Brychanson

Captain wasn't the first to accuse him though.

If I remember correctly.

Kidd Kidman

/goes back to log

Gunnar Svensson

I would have left him alone after a few comments if he didn't erupt like that.

Those were long-winded speeches he gave.

Kidd Kidman

Has he always been that way?

Gunnar Svensson

Not sure if I was around him enough before.

Bran Brychanson

I believe I was wrong. The captain was the first to accuse Strange.

Gunnar Svensson

However, I refer you to his referencing half the crowd as suspects.

Yeah, I know I instigated that.

But I had source.

Kidd Kidman

Source?

Gunnar Svensson

Mmhm

Bran Brychanson

I feel as though Loki added some credibility to your accusations though.

*takes a "though" away

Gunnar Svensson

This is why I voted Black Widow.

Bran Brychanson

I'm pretty sure you're clean, Captain.

90% sure.

Gunnar Svensson

Because that should clear me, since I didn't actually vote Dr Strange.

Kidd Kidman

/notes this.

Bran Brychanson

True. Especially when you were in danger yourself.

Kidd Kidman

Perhaps I should make a spreadsheet as well.

Gunnar Svensson

If I were Mafia, I wouldn't waste a critical vote.

Kidd Kidman

/checks list.

I haven't met 'Fury' yet.

Gunnar Svensson

I don't think anyone has, really.

He doesn't say much.

But his two votes are puzzling.

Why two?

Kidd Kidman

How many Mafia are there?

Bran Brychanson

Heh heh.

I asked the same question a while back.

Three.

Gunnar Svensson

There were three at the beginning. Hopefully there are only two now.

Kidd Kidman

Hmm...

Mr. Rhodes, who did you vote for?

Bran Brychanson

Strange.

Kidd Kidman

/nods, though keeps in mind that said statement could also be a lie.

Bran Brychanson

I don't lie.

Can't read thoughts

Gunnar Svensson

Heheh

I trust you both mostly.

Bran Brychanson

I do actually trust Strom.

*Storm

Kidd Kidman

Thank you for that, although I am curious as to why.

Bran Brychanson

Partly because you seem honest, partly because you didn't know how many Mafia there were.

Kidd Kidman

/thinks

Interesting.

Gunnar Svensson

Heheh, yes that's a good reason.

Kidd Kidman

Capt. Merica, why did you vote for Natasha?

Gunnar Svensson

I suppose you could always be fooling us by asking.

But I don't think that's the case here.

Because I didn't see anyone ever mention her.

She seemed safe and it wasn't going to hurt her if I did.

Kidd Kidman

/feels Capt is innocent or playing brilliantly

Bran Brychanson

There's always that nagging doubt, right?

Kidd Kidman

Yes...

/pauses

That suit allows for telepathy?

Gunnar Svensson

Heh, I totally understand if you still have doubts about me.

I just hope the doc doesn't see it that way.

Kidd Kidman

You did put forth for the detective to ask of you, which I found interesting.

Gunnar Svensson

Yep

Bran Brychanson

I hope the detective doesn't...

I believe it would be a waste.

Gunnar Svensson

Hey, thanks.

Kidd Kidman

/doesn't comment

May I ask again why you chose Natasha, Capt?

Gunnar Svensson

Like I said, no one else was hinting her even once.

Kidd Kidman

But did you have a reason to do so?

Bran Brychanson

It was to cast doubt away from himself without causing damage.

Gunnar Svensson

So I figured if I voted her, there couldn't possibly be anyone else voting for her and would send her above the storm of votes I knew Strange and I would each get.

Kidd Kidman

Then you did not think Strange was guilty?

Gunnar Svensson

And what Mafia would vote randomly like that when they would be focused in self-preservation?

I think Strange was Mafia.

I got exactly three votes.

Q Mafia wouldn't want to lose a member early in the game.

Ir immensely affects their chances.

*It

Kidd Kidman

Yes... but then why did you not vote for Strange?

Gunnar Svensson

To prove my innocence.

It would be safe to vote Strange, and wouldn't clear me from suspicion.

Kidd Kidman

Did you intend to tell the group of your vote, though?

Gunnar Svensson

Eventually.

Kidd Kidman

/nods

/hopes she doesn't fall asleep before everyone else comes back.

Gunnar Svensson

I also did consider it as an extra detective 'probe' to see if she reacted suspiciously when she saw that vote for her.

I like to cover my bases.

Kidd Kidman

Did she?

/goes back to notes

Gunnar Svensson

No, I didn't notice any reaction to it.

Nothing besides everyone understandably being puzzled at the odd distribution of votes.
I expected a few more for me and Strange than we actually got.

Kidd Kidman

/stops looking at notes before she gets a headache

JB Nimble

comes out of the lab to get some food

Bran Brychanson

Plenty of sandwiches in the fridge.

Kidd Kidman

/empathizes with sorcerer, as if she too was once a flamboyant wizard who was wrongly accused while trying to cure a curse.

/unconsciously runs hand through her hair.

JB Nimble

nods his thanks and raids the fridge

takes a bite Have I missed anything?

Bran Brychanson

Just lengthy discussions.

And confessions.

JB Nimble

Oh? Who confessed?

Bran Brychanson

Heh.

I confessed to voting against you.

No offense.

Gunnar Svensson

And I confessed to not voting against you.

Bran Brychanson

That's the bright side.

JB Nimble

None taken. You're still wrong. And my thanks Captain, though with what you did you didn't need to.

Gunnar Svensson

Heh

Sorry, champ.

Bran Brychanson

There's a lot of responsibility resting on you, Captain. You might have facilitated the quarantine of an innocent man.

Gunnar Svensson

I accept that responsibility.

Whether I was right or wrong.

Bran Brychanson

As long as you can sleep at night...

Gunnar Svensson

I can't.

Bran Brychanson

But, good. A leader must accept responsibility.

Gunnar Svensson

Between thinking about the Mafia and Greta...

Bran Brychanson

And you are the poster boy leader.

Gunnar Svensson

...and Peggy...

...and Bucky...

Bucky...

JB Nimble

Don't worry, you'll have me to add to the list if we don't get this plague wrangled. *grimly takes another bite*

Gunnar Svensson

...

Being Cap'n 'Murica is tough...

So many...choices...

Like blondes or brunettes?

Bran Brychanson

Snorts

JB Nimble

gives him half of his sandwich on the way back to the lab Poor guy. Must weigh on you as heavily as a wrongful accusation. Well, I should get back to work.

Gunnar Svensson

...

...Take care, Strange-o.

JB Nimble

leaves, but leaves the lab door cracked to listen

Kidd Kidman

I must take my leave as well, although I know doing so so early in the night will cost me in the morning.

Ivy Monaghan

is just starting to catch up with the security feeds

(bye Kidman)

Kidd Kidman

/makes sure surveillance is still working.

Bran Brychanson

Even'n, Storm.

Kidd Kidman

(Night mates!)

JB Nimble

(Night!)

Gunnar Svensson

!

Greta!

Bran Brychanson

Looks up

Gunnar Svensson

searches for breakfast

Ivy Monaghan

Did the Captain just randomly yell out Greta?

Gunnar Svensson

...It... wasn't random.

Ivy Monaghan

now sees Val pop up

Bran Brychanson

It wasn't?

Ivy Monaghan

Must be reading, (took me 17 minutes)

Gunnar Svensson

(She's appearing at the bottom of my screen.)

(Heheh, we had quite the in-depth chat.)

Ivy Monaghan

I'm surprised, Steve. I suppose your wayward vote for me was in the end a good thing.

Mayara Cole

waves

Gunnar Svensson

Iron Patriot and I are taking things into account.

Ivy Monaghan

I thought the 3 votes against you were odd as well.

Gunnar Svensson

...It was planned.

And the three votes, have to be Mafia.

Which convicts Dr Strange, I'm afraid.

Mayara Cole

(Am I allowed to join in this discussion if it's not about lynching?)

Ivy Monaghan

(former GM?)

Gunnar Svensson

(You can join as long as you don't try to mess with our conclusions.)

Mayara Cole

(Okie! Because I thought the same, in Star Wars, 4 votes against Jawa convinced Chase that Kidman was Mafia)

It's true here too if the culprits wanted to preserve themselves.

Three votes all for Capt.

Makes a ham sandwich

Sees Tony

Tony! Where is the ham slicer?

Chase Devineaux

...

Ivy Monaghan

I think we'll know more from what happens next.

Chase Devineaux

Can't use your sword, Val?

Gunnar Svensson

Ham...

How did you know, Greta?

You're awesomesauce.

Mayara Cole

We do not use swords to cut ham, Tony Stark!

Ivy Monaghan

(brb, you guys are making me hungry for lunch)

Mayara Cole

Looks at Captain Wow... awesomesauce... so late noughties.

Chase Devineaux

Points blonde to imported antique meat slicer

Mayara Cole

Eyes machine

JB Nimble

(...noughties. Is that an actual term now?)

Chase Devineaux

Also -haha- 'noughties'

(and yes, it's what the Brits mostly call 2000 - 2010)

Mayara Cole

(*got the term from Pru)

Chase Devineaux

I had fun too, when Pru said 'noughties'))

Anyway, vote talk. I agree, 3 votes for Capt were most likely self-preservation signs whether or not it's conclusive.

Bold move voting Ivy though, your logic's interesting.

Bran Brychanson

Interesting? Heh heh.

Gunnar Svensson

Heh

Nothing bolder than the red, white, and blue.

Chase Devineaux

Yeah, it was almost like that time Alfred voted Joker while everyone else voted Nightwing. *Semi OOC* Except there, it was a tie and instigated a re-vote.))

JB Nimble

walks back in Forgot a drink. *rummages in the fridge for a soda*

Mayara Cole

Waves to Dr. Strange and hands him a soda

Gunnar Svensson

Except I wasn't the only odd vote.

Chase Devineaux

Yeah, I'm hoping a few of those odd votes point us to the right direction.

Gunnar Svensson

Interesting how Patches got two unprecedented votes.

JB Nimble

Thank you, Valkyrie. Glad you wouldn't deprive someone believed to have infected you of refreshment.

Mayara Cole

Never, even if you were, it was a dice roll. *smiles*

Chase Devineaux

calculates expenses for yesterday

Realizes he's sober

Val, you're at the kitchen, drink please.

Mayara Cole

hands Tony a beer

Chase Devineaux

...

Mayara Cole

What?

Oh.

rolls eyes and puts down beer next to Tony

Chase Devineaux

Thanks.

picks it up

Gunnar Svensson

...

Chase Devineaux

swigs

Gunnar Svensson

gets up to get his own Yuengling

Chase Devineaux

Okay...

looks through data

JB Nimble

steals Cap's seat

Gunnar Svensson

...

Fine, I can stand.

Chase Devineaux

nods to Strange

Gunnar Svensson

Next to Greta.

Chase Devineaux

Opportunistic.

JB Nimble

Hmm? *looks questioningly at Cap*

Mayara Cole

pulls up a stool for Capt

Nevon Blair

Swings in

Gunnar Svensson

Hey, no, you have the seat, Greta.

Nevon Blair

Sandwich! *web-snatches*

Gunnar Svensson

...

Mayara Cole

Dude! It's tots not done!

Nevon Blair

Eats

So good

Mayara Cole

You're so turning into DP.

Nevon Blair

...

I'm sorry Valk.

JB Nimble

relaxes with his soda

Gunnar Svensson

Oh boy...

Nevon Blair

Sits on a stool

spidey-style

Gunnar Svensson

Hey, what did you just call her?!

Nevon Blair

Valk, for Valkyrie

Gunnar Svensson

That's no way to -

Valkyrie?

Nevon Blair

hunches over

Can I have milk?

Mayara Cole

God, you're like 6.

Gets milk for Peter

Gunnar Svensson

Why Valkyrie?

Mayara Cole

I'm a Valkyrie.

I also have many names.

Gunnar Svensson

...OK

Nevon Blair

Loki calls her Brunnhilde.

Gunnar Svensson

Whatever that means.

I like Greta.

Chase Devineaux

Valkyries are shield maidens of Asgard.

Though I think in this particular setting, we only have one Val.

Mayara Cole

Is the one Valkyrie

Gunnar Svensson

That's cute.

Mayara Cole

I like Greta too.

I may adopt it as my other many nick names.

Gunnar Svensson

Wait... You mean it wasn't already?

Gee, I feel bad now...

Nevon Blair

drinks his milk

Mayara Cole

It's okay, were you always Captain America?

JB Nimble

slowly stands and walks over to stand beside Cap

Gunnar Svensson

Since I was old enough to drink.

Nevon Blair

I'm old enough to drink... in Morocco.

Gunnar Svensson

Heh

Chase Devineaux

Weed is also semi-legal here... you didn't hear that from me.

Gunnar Svensson

Weed?

Nevon Blair

It is?

Mayara Cole

Damn it, Stark!

No, it's not.

JB Nimble

seems to consider something, then shakes his head and returns to the chair

Gunnar Svensson

...

Chase Devineaux

Chuckles

Goes back to grumpy self for data input because Wanda broke JARVIS

Nevon Blair

What are you writing, Tony?

Chase Devineaux

The norm... people's first few words, vote reactions... vote count... how much I hate aliens...

Gunnar Svensson

Aliens aren't real, Anthony.

Chase Devineaux

Looks up Right, you know, better they aren't.

Mayara Cole

I'm an alien...

Gunnar Svensson

No you're not.

You're a babe.

Chase Devineaux

You're humanoid, don't over-complicate this for us.

Mayara Cole

Gives Capt his ham sandwich

I made it a star-shaped sandwich.

Gunnar Svensson

attacks Han sandwich

Swag!

Nevon Blair

Watches and laughs

Awesome

Gunnar Svensson

You're an artist too?

Mayara Cole

Only with things I can cut *giggles*

Gunnar Svensson

Can you be any less exceptional?

Mayara Cole

waves to Rhodes

Want a sandwich?

While the ham slicer is out.

Bran Brychanson

Yes, thank you.

Heads over to the sandwiches

JB Nimble

stands up again and walks back to the lab. As he passes Cap, he smacks him on the back of the head

That's for saying swag.

Mayara Cole

puts out a few sandwiches

Gunnar Svensson

...

Bran Brychanson

So Tony, have you formed any ideas about the situation?

Gunnar Svensson

I thought that was modern?

Bran Brychanson

Munches on sandwich

I should rephrase that. Have you formed any reasonable ideas?

Chase Devineaux

Other than what I said about the 3 votes, not much else.

JB Nimble

It is. That's not a good thing, especially for you. I'd rather be accused by a worthy soul, if it must be. *nods to all* Goodnight, I'll be working in the lab should anyone need me.

Chase Devineaux

(Being mauled by kids, give me a few)

Gunnar Svensson

...

'Worthy soul'...

How am I supposed to know these things?

Mayara Cole

Don't worry capt

Gunnar Svensson

...I don't worry. As long as you're around.

Mayara Cole

He probably doesn't mean you were fake.

hugs

Gunnar Svensson

Oh

is ambushed by hug

Golly...

grins stupidly

Chase Devineaux

People lynched can still proclaim innocence, either way, Capt. I wouldn't worry about it.

My strategy's always been to look at votes, but this is still too early in the game to tell.

Mayara Cole

nods

Nevon Blair

Is there anybody you think is clearly innocent?

Chase Devineaux

You mean someone I think the mafia will never vote for?

Nevon Blair

Yes?

Chase Devineaux

First, I won't implicate any one person by saying that unless I'm sure of at least 3.

Because it's early in the game, mafia could take out presumed innocent people.

They already took out Val, either a random first hit, or they're confident no one would have lynched her.

Mayara Cole

I don't think anybody would have lynched me, really.

but that's just me.

Bran Brychanson

I would have lynched you...

Chase Devineaux

*Correction above -- change 'never' to 'likely'

(not fully at the computer)

Nevon Blair

Okay because I was wondering.

haha

Bran Brychanson

...just kidding.

Mayara Cole

giggles

I'm completely clueless most of the time.

Chase Devineaux

Not always, I think your Leia game was great.

But here, we won't see a real pattern or strategy until maybe the next round.

Nevon Blair

Because the votes?

Chase Devineaux

The vote patterns, and how some of us are overly honest without any one person being overly suspicious.

Philippe Breliere

I agree with that.

After having caught up.

Honesty is good, but I believe we are jeopardizing ourselves.

Nevon Blair

Capt and Rhodey said they thought Ororo was innocent.

Philippe Breliere

Yes, which makes Ororo a very easy target.

Chase Devineaux

Right.

Again, people, this is too early in the game to proclaim votes and innocence.

(don't worry about it though, we've done this before)

Bran Brychanson

It might be too early... or it might not.

Chase Devineaux

(I'm just being Stark)

Nevon Blair

How is it not?

Philippe Breliere

If the mafia takes out Ororo, those who said she was innocent are likely suspects as well.

Chase Devineaux

Yes, it widens our suspects pool back to virtually everyone.

Mayara Cole

Doesn't it exclude Captain America?

Philippe Breliere

Unfortunately, no.

He could have easily voted for Ivy to implicate her, and then have the remainder of his team vote for Jack.

Nevon Blair

If you were doctor, who would you save?

Philippe Breliere

I may save someone I believe is detective.

Nevon Blair

You can already see that?

Philippe Breliere

There are patterns I am seeing, but I may be wrong.

I will not mention names yet, of course.

Lee Jordan

Goes get more gummy bears

Bran Brychanson

I'm betting heavily on who the detective is with my actions... I could be wrong though.

Dan Awesome

BRRRRRRRRRIIIINNNNNNGGGGG

Lee Jordan

Betting may be successful for you humans yet.

Nevon Blair

looks at DP

Dan Awesome

I got a lovely announcement!

Gunnar Svensson

...

Bran Brychanson

Okay...

Philippe Breliere

So soon?

Dan Awesome

My heroic friends! I have once again let the bad guys take one of you!

Chase Devineaux

...

Gunnar Svensson

Gah

Chase Devineaux

Worst babysitter ever.

Dan Awesome

I'm really sorry, Kitchen Nightmares was on TV and it was a new episode!

Bran Brychanson

You 'let' them...?

Gunnar Svensson

.....

Lee Jordan

.....

Bran Brychanson

...and?

Dan Awesome

Well, Gordon Ramsey helped a vegetarian restaurant in Paris. Can you believe it?

International episode!

Gunnar Svensson

.....

Nevon Blair

Wha?

Dan Awesome

what?

Chase Devineaux

Focus, Wade.

Dan Awesome

Oh right, and Storm is totally infected now.

slaps bracelet on Storm

Sorry guys.

Chase Devineaux

Looks at Hank

Gunnar Svensson

...

Philippe Breliere

It would seem...

Chase Devineaux

You called it, Doctor McCoy.

Gunnar Svensson

Oh right, now they are trying to frame me again.

Nevon Blair

Wow

Lee Jordan

Eats a gummy bear

Bran Brychanson

Figures...

Mayara Cole

Also eats one

Chase Devineaux

Okay, are enough of us online to discuss lynching?

Nevon Blair

nods I guess.

Gunnar Svensson

Ywe

Bran Brychanson

Any ideas?

Gunnar Svensson

*yes

Nevon Blair

Now is our suspect pool back to everybody?

Gunnar Svensson

Actually, I have one.

Chase Devineaux

It is, in a sense. Storm was universally known as 'clean' by this time.

Your take, Capt?

Gunnar Svensson

But please, someone else go first. People don't seem to like me too much.

Mayara Cole

Listens quietly

Gunnar Svensson

No matter how I try.

Chase Devineaux

I've been in your spot, Capt.

Gunnar Svensson

Heh

Chase Devineaux

Don't worry about perception, it's what you believe that's going to eventually pull you through.

Gunnar Svensson

My theory is that my vote, to my own surprise, was correct.

Philippe Breliere

I am considering Spiderman...

Nevon Blair

What? Why me?

Philippe Breliere

Storm admitted she voted for you, yes?

You were also seeking to find from Tony Stark who he believes is innocent.

Gunnar Svensson

True, and she was rather convincing to me about it.

Nevon Blair

But that would only implicate me, not a team of mafia.

Chase Devineaux

He's right, it's not an individual game.

Gunnar Svensson

However, like I said... I'm beginning to suspect Black Widow.

Lee Jordan

Tries to make logic on this

Gunnar Svensson

No matter how well I think she 'passed' my test.

Bran Brychanson

I don't really see why she would be a suspect?

Chase Devineaux

Anything she said that really gave suspicion?

Gunnar Svensson

She did appear for a brief stint a couple hours ago. To vote, possibly?

Philippe Breliere

I'm not sure that is enough.

Captain, you are making this seem like you voted against an innocent as Mafia, and are now making us do the same.

Gunnar Svensson

No, but it's what I got, take it or leave it.

...

Nevon Blair

I'm starting to agree with Beast.

Gunnar Svensson

Look, I've pointed this out again and again. I wasted a vote I'd I was Mafia.

Bran Brychanson

Well... Deadpool made the announcement a few minutes ago, but he had been lingering in the background before that. Did he know who was infected with the virus before that? or was Storm just infected?

Gunnar Svensson

*if

Chase Devineaux

We can't know for sure when the vote was cast.

Gunnar Svensson

That was a high stakes risk for Mafia.

Chase Devineaux

Ivy also usually comes on around now considering it's morning-early afternoon in Thailand))

But I'm not ruling her out, I just need to know some solid grounds.

Dan Awesome

does not say anything as GM

Chase Devineaux

I think suspecting Spider-Man has more grounds than suspecting Ivy.

Gunnar Svensson

I do too.

Dan Awesome

[[Though guys, in honestly all hit/lynch announcements are just made when there are enough people online to warrant discussion]]

Nevon Blair

I kinda agree with that too, guys.

Gunnar Svensson

But I was bringing something new to the table.

Bran Brychanson

Captain, do you really think Black Widow is Mafia? or was it just your best guess?

Lee Jordan

I think Ivy is a Gummy Bear.

Bran Brychanson

Was Strange a Gummy Bear?

Gunnar Svensson

I'll just say I've got some extra analyzing done.

Lee Jordan

No!

Strange was dark.

Gummy bears are good.

Chase Devineaux

...

Sure, right.

Bran Brychanson

I like Gummy bears as well.

Chase Devineaux

Focus, Loki.

Bran Brychanson

Remember that time when we ate 24 bags of gummy bears, Tony?

Gunnar Svensson

...

Chase Devineaux

Oh yeah! Didn't you end up in the hospital?

Gunnar Svensson

Guys, it's vote discussion time.

Bran Brychanson

Heh heh. I did actually.

Chase Devineaux

Laughs Or was that me?

Bran Brychanson

*Actually

Chase Devineaux

Right, vote discussion.

Rhodey's good at memories.

Gunnar Svensson

facepalms

Philippe Breliere

Yes, if anyone can distract Stark, it's likely Rhodey.

Chase Devineaux

Goodtimes

Nevon Blair

What about Scarlet Witch?

Gunnar Svensson

Right, so... Spider-kid.

Nevon Blair

I'm just trying to think of another person that isn't me that I suspected.

Gunnar Svensson

...

Chase Devineaux

haha

Ivy Monaghan

backflips back in

Bran Brychanson

I thought the Witch was suspicious, but only because she was quick to accuse Captain and quick to cast her vote.

Gunnar Svensson

No fair, doing this with kids...

Philippe Breliere

Hello Natasha

Nevon Blair

I'm not a kid.

I'm a teen.

So is Valk

Ivy Monaghan

I've been monitor your discussion while scouting around.

Gunnar Svensson

...still a kid.

Nevon Blair

I can take a virus as good as she can.

Lee Jordan

Scarlet Witch was on my suspects list, as I am sure she was on my others.

But I don't know about her.

Chase Devineaux

Don't know as in?

Lee Jordan

Don't know if she is a gummy bear?

Nevon Blair

webpalms

Ivy Monaghan

(ha)

Gunnar Svensson

(Heheh)

Philippe Breliere

That is, however, a good point.

Wanda is on everyone's list.

Bran Brychanson

Is she on your list?

Chase Devineaux

Will not make a witch hunt joke

Gunnar Svensson

...

Philippe Breliere

Yes, she was admittedly high on my liste.

Before Strange.

Bran Brychanson

Huh.

Ivy Monaghan

I don't know, she seems to be playing the same as she usually does. Just a little quieter.

Gunnar Svensson

What about Patches?

Ivy Monaghan

Quieter from NG I mean))

Gunnar Svensson

He got two votes.

Chase Devineaux

If we presume Captain America is innocent, then we'd have to lean towards anybody who spoke against him.

Gunnar Svensson

That was very...different.

Chase Devineaux

But the opposite could be true, right?

Philippe Breliere

I agree, yes, if Captain is innocent, perhaps our best choice is Wanda.

Ivy Monaghan

Wanda and Nick Fury were the two that spoke more adamantly against Captain America.

Chase Devineaux

Emphasis on the 'if' I'm not trying to solidify anything.

Gunnar Svensson

Hey, thanks for that backhanded accusation.

Bran Brychanson

I think the Captain is innocent, but I could be wrong.

That would be a bummer.

Philippe Breliere

Yes, it would be.

I understand, Tony, we must remain subjective.

Ivy Monaghan

That's the thing, the Captain could be very brave or really good at playing us all.

Gunnar Svensson

You need me.

I promise.

Scout's honor.

Bran Brychanson

Heh.

Nevon Blair

But guys, if Captain was so brave... why hasn't the Mafia taken him out?

Chase Devineaux

Given the 3 votes, they could have tried.

Bran Brychanson

They thought the Doctor would indeed protect him?

Gunnar Svensson

I d'd request the doctor's attention.

Ivy Monaghan

Then why Storm?

Philippe Breliere

You are presuming that a doctor believes you, Captain.

Bran Brychanson

Low key character?

Philippe Breliere

It can be true that you are indeed Mafia.

Gunnar Svensson

I know, but they should.

Bran Brychanson

Not likely to be lynched?

Ivy Monaghan

I think not likely to be lynched sounds right.

Philippe Breliere

You are linked to both Valkryie and Storm.

Gunnar Svensson

I think all of us trusted Storm.

Chase Devineaux

All of us did.

Bran Brychanson

To be fair, I was more adamant about Storm's innocence when we talked earlier.

Gunnar Svensson

Hey, I had minimal contact with Storm until a few hours ago.

Chase Devineaux

But either way, she's gone now.

And throws us back to square one.

Bran Brychanson

The Captain didn't really state his opinion.

Gunnar Svensson

Also, you guys know I'd be smarter than that. You know this.

Nevon Blair

Not stating it doesn't mean he didn't read.

And then discussed with his Mafia team.

Bran Brychanson

Anyone could have.

Chase Devineaux

Right, anyone could.

Bran Brychanson

I'm just saying that you can't really connect the hit on Storm with the Captain.

Nevon Blair

You're agreeing a lot wit Captain too, Tony.

Chase Devineaux

Sometimes, he's right.

Gunnar Svensson

Thank you.

Bran Brychanson

Emphasis on sometimes?

Gunnar Svensson

...

Chase Devineaux

Haha

Mayara Cole

still listens

Gunnar Svensson

I'm not flying blind, guys. I'll admit that much.

Ivy Monaghan

Is it very likely that the mafia would be repeated 2 times in a row?

Philippe Breliere

Tony, I'd like to know if you have any suspects?

Ivy Monaghan

I mean same people?

Or was that probability scrapped?

Lee Jordan

The dice does not lie.

Gunnar Svensson

Previous rolls do not ever affect future rolls.

Ivy Monaghan

Right, Tony... any suspects?

Chase Devineaux

Right, to answer Hank... I'm currently thinking Pete, Rhodey, and I'll add Wanda higher onto that list after today's discussion.

No offense, Rhodes, you were just buddy.

And that wasn't a sure flag.

Gunnar Svensson

Heh

Nevon Blair

Why am I high on that list?

Chase Devineaux

You're... different, as Pete.

But that could just be DP.

Gunnar Svensson

You should really stop hanging around that guy.

Bran Brychanson

No offense taken. I suspect you as well. Probably just because you are my friend, and we must be wary of friends.

Chase Devineaux

Beast was high on my list during the first round...

Because I thought taking Val out was decently calculated.

But couldn't be sure.

Philippe Breliere

Of course, I'm honoured, in a way.

Gunnar Svensson

Heh

Bran Brychanson

I also thought Beast was suspicious, but now I'm not sure.

He seems to be acting normal now.

Philippe Breliere

My suspect list spans Wanda, Magneto, and Captain America.

Gunnar Svensson

If Strange was dirty, Blue is clean.

Nevon Blair

Wanda and Capt on my list.

Bran Brychanson

How so?

Gunnar Svensson

Gee, thanks.

Nevon Blair

How's Blue clean if Strange is dirty?

Lee Jordan

Thinks Capt has logic

Gunnar Svensson

Because two Mafia wouldn't implicate themselves together.

Trust me, I've studied Mafia psychology.

Chase Devineaux

nods Excellent point, I have to agree with that.

Bran Brychanson

Hmmm

Philippe Breliere

Thank you, then, Captain

Bran Brychanson

Takes the Beast down on his suspect list

Nevon Blair

But what if Strange wasn't Mafia?

Bran Brychanson

Lowers his position that is

Gunnar Svensson

Then Blue is a possibility.

Ivy Monaghan

I think someone said it earlier that we have a rather good record as townspeople for voting out mafia on a first lynch.

Philippe Breliere

Yes, it seems we do.

Gunnar Svensson

Though not high in my list.

That was me. Again.

Philippe Breliere

I trust by this logic that Strange was likely mafia.

Gunnar Svensson

You're welcome.

Nevon Blair

OK then I trust it too.

Gunnar Svensson

And remember to floss before bed.

Chase Devineaux

Who's on your list, Capt?

Give us 2-3, maybe.

Gunnar Svensson

Witch, Spider-teen, and Natalia are at the top.

Philippe Breliere

It seems we all have one common person on our list.

Chase Devineaux

I'm still not entirely sure it's Wanda.

No one voted her, you'd think there'd be more of an indication.

Nevon Blair

Or she's Mafia.

Gunnar Svensson

I think that's why spider is being brought up most here.

Lee Jordan

I think Wanda is possible, but I'm not so sure like I was with Strange.

Ivy Monaghan

Wanda has never been on my radar until you all mentioned her.

Nevon Blair

It's between me and Wanda?

Aw man! She's going to win, she's a girl.

Bran Brychanson

Hehe

Ivy Monaghan

I'm sorry Peter, but you were suspicious to me as well.

Aw!

Gunnar Svensson

No, there's still chances for others, kid

Philippe Breliere

Do not fret, little man, we are discussing this.

Chase Devineaux

If you look back at the votes -- given the point that no one voted for Wanda -- there's two standing for Mikal.

*Fury

(sorry)

Nevon Blair

He's a suspect for me, under Capt.

Chase Devineaux

But Wanda's higher on your list, why?

Nevon Blair

Blueberries and stuff.

Gunnar Svensson

Huh

Nevon Blair

She's trying to sway you, Tony!

She knows you make decisions here.

Bran Brychanson

My three suspects are: Fury, Wanda, and Tony in that order.

Chase Devineaux

I happen to like Blueberries...

Philippe Breliere

She tempted him with blueberries?

Gunnar Svensson

Hmm

Chase Devineaux

I wouldn't say 'tempted'...

Nevon Blair

And that's why she's low on only his list.

Somebody save Tony!

Lee Jordan

No blueberries, Tony, gummy bears are clearly superior.

Chase Devineaux

...

Philippe Breliere

Very observant of you, Peter.

Nevon Blair

Thanks guys, I learned from the best.

Dan Awesome

Thanks for casting all your votes guys!

Gunnar Svensson

But if it's Wanda, it's not Anthony.

Dan Awesome

I'll announce it in a second.

Oh wait... NO ONE voted. Come on!

Hurry it up.

Gunnar Svensson

(that was classic)

Nevon Blair

Man, Deeps, we're talkin'!

Bran Brychanson

(Hehe)

Chase Devineaux

I'm going to ignore the blueberries and say I don't think Wanda's like that.

Ivy Monaghan

(you made me do a double take there.)

Lee Jordan

His weakness is wimmin.

Nevon Blair

Yes! True!

Ivy Monaghan

Sorry, to say Tony... but they're a little right.

Philippe Breliere

This is quite true.

Gunnar Svensson

Yeah, he has a record with women.

Chase Devineaux

...

Gunnar Svensson

But I don't think it's him.

Lee Jordan

You think it's the wimmin?

Gunnar Svensson

Yes

Philippe Breliere

I am inclined to agree.

Nevon Blair

Now what?

Philippe Breliere

We have compared our respective lists.

Lee Jordan

Must now think and ponder.

Puts urge to mischief aside to consider

Gunnar Svensson

I'll file Spider-teen for further research, tomorrow night.

Nevon Blair

My original suspect was Mags, but I don't see his name up anywhere.

He's sooooo quiet.

Gunnar Svensson

I think Wanda now.

Lee Jordan

Agrees with America

Ivy Monaghan

is still choosing between two suspects

Philippe Breliere

Yes, Magneto is still one to watch.

Gunnar Svensson

agrees with Australia

Philippe Breliere

He comes in between games, at least once, says little, and then disappears.

*in between rounds

Gunnar Svensson

But that's not atypical for him.

Lee Jordan

Unlike his purple unicorn days, Magneto has changed.

Dan Awesome

Ho ho ho ho

hahahaha

sorry.

Gunnar Svensson

(LOL)

Chase Devineaux

(Heheh)

Nevon Blair

Agrees with Loki for some weird reason

Dan Awesome

puts out the ballot box

Vote Deadpool!

Philippe Breliere

I am near ready to vote.

Nevon Blair

OK me too.

Chase Devineaux

Right.

Lee Jordan

Needs a little more time but thinks he has the right mutant

Dan Awesome

Gunnar Svensson

votes Deadpool

.....

Nevon Blair

Insta-videos

Ivy Monaghan

Nice moves.

Chase Devineaux

Lowers mask

Dan Awesome

Admit it, you can't stop watching me!

Chase Devineaux

Nobody has time for this, DP.

Nevon Blair

Throws pennies

Gunnar Svensson

.....

Dan Awesome

gah! my eye!

Nevon Blair

Sorry Deep, wish I had dollars.

But I'm just a poor college student.

Gunnar Svensson

That in itself could convict you to lockup, Spider-teen.

Lee Jordan

Wishes he has not seen this

Philippe Breliere

Perhaps after this, you may use your magic to unsee it, Loki.

Mayara Cole

OMG, work it, girl!

Dan Awesome

Holla!

I will continue to dance until Stark gets us belly dancers.

Gunnar Svensson

...

Greta, how could you...

Chase Devineaux

Pretends to sleep

Mayara Cole

How could I like pole dancing?

It's good exercise, Steve.

Dan Awesome

Yeah, look at my abs.

Rock solid, baby.

Mayara Cole

Nice bod. But bet you have to do it with your mask on.

Dan Awesome

Kinky Dinky.

Mayara Cole

I don't hear a bell.

Dan Awesome

rings bell

So Val, you still with Steve?

Mayara Cole

I am with him?

What is 'with'?

Dan Awesome

If not, we should totally go out for chimichangas.

With, with... like you go see Avenger movies and eat fast food with.

Mayara Cole

I have not gone to see an Avenger movie or ate fast food with anyone.

Dan Awesome

Want to?

Mayara Cole

Okay, but touch me and you die.

Dan Awesome

I've died like 458,768,929 times.

I can deal with this.

Onward! To go first base!

*Toward

Gunnar Svensson

.....

Mayara Cole

Doesn't Tony have a movie theater here?

Chase Devineaux

Points east to private preview theater Seats 16.

Mayara Cole

Want to come watch an Avengers movie, Capt?

Nevon Blair

I wanna go!

Dan Awesome

Want to, Capt?

Mayara Cole

cool!

Dan Awesome

Great. Group date!

Sit with Capt, Spidey.

Nevon Blair

Group date!

I sit with Capt?

Awww!

Dan Awesome

Dibs on the blondie

Nevon Blair

You two can sit beside her, I can sit behind.

Mayara Cole

rings bell

Nobody sitting 'behind' anybody.

Dan Awesome

Heh.

No, I'm a gentle-merc.

Nevon Blair

Are we all dating Valk?

Or are we all dating DP?

Dan Awesome

...

Gunnar Svensson

I don't want anything to do with Bag-face.

Dan Awesome

Don't be like that Capt.

Do I have to play our song again?

Gunnar Svensson

If she's into your thing, then I guess she's not the girl for me.

Dan Awesome

I thought I was the girl for you!!!

We danced!

We had future plans!

We had hotdogs!

Ivy Monaghan

tries not to find that disturbing

Gunnar Svensson

...

Dan Awesome

What?

You pulled me aside and slowly whispered how hotdogs are the most American of foods.

Bran Brychanson

Paces back and forth

Paces forth and back

Chase Devineaux

Can't sleep, Rhodey?

Bran Brychanson

Just thinking.

Weighing a big decision.

Chase Devineaux

You know, I'd suggest a shot or two of fine grain alcohol.

But that'll only wake you up in the middle of the night and make you think more.

Milk is probably the way to go.

Or sex.

We're in Morocco, want me to call somebody?

I can send in a French girl.

It's one of those things on your list right? Have sex with a French person?

Bran Brychanson

I'll take the drink.

Ivy Monaghan

rolls eyes

Good choice, War Machine.

Chase Devineaux

Wine then. French wine.

Close enough.

Bran Brychanson

Thanks.

Ivy Monaghan

gets a third bottle of Vodka down

Chase Devineaux

I know what you're thinking.

You thought that was your third bottle.

Ivy Monaghan

...

Chase Devineaux

Lifts up fingers to indicate number 7

Ivy Monaghan

I... shared.

Chase Devineaux

I'm not judging, I just happen to be great with numbers.

This is also my 'second' beer.

Oh wait, it is.

Imagine that.

Ivy Monaghan

Not to my calculations.

You had several Yuel-lings?

This is a night cap.

Chase Devineaux

I've had two (sponsored) Heineken.

Ivy Monaghan

Russian laughs

goes to find a place to curl up for a nap

Dan Awesome

Why don't I ever get sponsorship deals?

Chase Devineaux

Sponsorship deals are like women, DP.

You don't go chasing after them, they come to you.

Then the good ones are fair with you, accepts you for who you are.

The 'bad' ones just want you for your Audi.

Dan Awesome

Didn't you make like 50 million more than your co-stars in the last movie due to Sponsorship deals?

Chase Devineaux

Yes, I do have great relationships with women, thanks for reiterating.

Ivy Monaghan

thinks she just heard the post ridiculous thing in her sleep

Gunnar Svensson

...

Chase Devineaux

(I see the 'post' addict in Ivy is still dreaming of 'posts')

Gunnar Svensson

Joe Kerr

Joe Kerr

(took me 30 mins)

sees bracelet on Storm

No! I will not let more mutant blood be shed. This must be stopped!!!

sees Cap

Captain?

From my villainous days, I can think of two reasons why Ororo was targeted.

1. She might have been onto something with all that talk of Spiderman being mafia
 2. Mafia might have seen it as a good opportunity to get rid of someone not likely to be voted out. The fact that she accused Spiderman would be a bonus as that would allow them to influence votes on him
- I still can't understand my daughter but I know her to be quick tempered...towards me at least.
Maybe I should trust Storm's instincts, Charles did train her well.

orders a Tajin of lamb

deliberates over chessboard while waiting for food

Philippe Breliere

I agree with both your points, Max.

But I may need to add that Ororo's gut feelings are not entirely trustworthy (in past Mafia Games, she has not performed well at picking culprits).

I take her suspicion of Spider-Man with a grain of salt.

Your daughter, however, is quite capable, evenly.

Philippe Breliere

And yet, this may include Captain America and his cohorts simply causing chaos while leading us on.

Mikal Darsha

I find this all interesting indeed. The two points Magneto brought up are nearly identical to my own thoughts.

Except I also must put forth my suspicions that Captain America is leading us all astray.

He's showing an uncharacteristic boldness.

Joe Kerr

Mayara Cole

Yeah I know what you mean.

Mayara Cole

Tony, how am I supposed to type this out?

Chase Devineaux

Mayara Cole

It's only got room for 200 characters.

Chase Devineaux

Then type it out in Arabic.

Mayara Cole

Dan Awesome

There you go.

Mayara Cole

Chase Devineaux

See? Wade could do it.

Dan Awesome

Yeah, any toddler can.

Mayara Cole

Represses she-hulk-like Valkyrie frustration.

Dan Awesome

My instagram rating is through the roof after that breakfast pic with you Stark.

The shots of Black Widow taking a nap helped too. Why didn't I think of this before? I can be insta-famous.

Chase Devineaux

Is it getting you any sponsors?

Dan Awesome

No, but I made really good friend with a Nigerian prince. He wants to send me 6.5 million dollars and all I gotta do is give him my passport scan and 4000 dollars for the transfer fee.

Win!

Astrid Jane

...

Chase Devineaux

Sounds like a winner.

Let me know how it goes.

Mayara Cole

There's some sauce too, if you'd like.

Joe Kerr

Hello Val, how are things?

Mayara Cole

Not bad, I'm starting to feel okay with this Virus thing...

Joe Kerr

Is your Asgardian physiology building up an immunity?

Mayara Cole

I can't tell, maybe that's something we'll figure out afterwards.

You've ever been infected?

Joe Kerr

I can't recall sadly. My last run in with my daughter did a number on my memory.

You must have heard of the incident. I think they call it "house of M" ?

Mayara Cole

I have, but... Wanda's okay now, right?

Joe Kerr

It shames me to say this...but I wish I knew

She won't talk to me and I don't blame her

Mayara Cole

Wish I could help on that, but I wasn't really raised in a family unit with a functional father.

Joe Kerr

Seeing how Loki and Thor turned out, I don't doubt that

Mayara Cole

Agrees

Joe Kerr

Stark, out of curiosity, have you cast your vote?

Chase Devineaux

Not yet, I don't exactly have support for the suspect I have in mind.

But I'm thinking I might mull over this another hour before I vote DP.

Mayara Cole

giggles

Joe Kerr

Who is your suspect? Would it be me?

Chase Devineaux

No, actually.

The sway is Wanda, I think, and they have their logic. I just don't quite buy into it.

I'm still between Fury and Peter.

Joe Kerr

I can't quite bring myself to suspect my own flesh and blood just yet either.

I'm voting based on a hunch.

Philippe Brelriere

Fury and Wanda have been the two to speak against Captain America, I believe.

And perhaps I, as well.

Joe Kerr

Something doesn't quite fit with the whole Peter and Wanda thing for me. Call it villain's paranoia but I feel that we are being played

Chase Devineaux

Everyone's been playing with very good logic this game.

Peter and Wanda?

You mean the reduction to the two as suspects?

Joe Kerr

yes.

Philippe Brelriere

As a team we often try to reduce suspects to avoid confusion, this is not new to our townfolk strategy.

Joe Kerr

yes, but the way everything suddenly points to them is too convenient

Chase Devineaux

Also because of the conversation on Storm... then her being taken out.

Resets any of my suspect pools back to everybody, really.

Philippe Breliere

Yes, I noted that.

My suspects also.

Joe Kerr

Take this for what it's worth Stark, but I too do not trust the one-eyed man

Chase Devineaux

Nods to Max

I'm getting the same vibe, but he's been singular in his target.

That's my only gripe.

Philippe Breliere

Ah, you are right.

He has only mentioned one name: Captain America.

Joe Kerr

curious

Chase Devineaux

He's not behaving in a way that would be causing chaos.

He's on my list though, for the fact that he does have only one target... who I believe is likely innocent.

Philippe Breliere

I'm unsure about Captain America.

Chase Devineaux

I think he's crazy enough to be telling the truth.

Joe Kerr

Or secretly drunk

Philippe Breliere

We may never know.

Joe Kerr

goes off to continue staring at the chessboard

(gtg bye)

Chase Devineaux

Take care.

Astrid Jane

House of M was almost a decade ago. Get over it, people. *huffs and goes back to room*

Philippe Breliere

Do not misread, Wanda, I believe your father was defending you somehow.

Astrid Jane

Besides, I only gave you what you wanted! *at Magneto* A world in your own image!

But you ruined it.

Dan Awesome

Today on Jerry Springer, family feuds!

Philippe Breliere

Nevon Blair

Dan Awesome

Good job little buddy.

Nevon Blair

How do you turn on Tony's video games?

Chase Devineaux

No internet, so you're left with already downloaded games.

Nevon Blair

Woot! *Plays LEGO Marvel Super Heroes.*

Dan Awesome

Ooh, no let's play the new Deadpool game.

Nevon Blair

But that one's just you yapping about how cool you are.

Dan Awesome

Exactly, with an IGN score of 99/100

Beat that.

Nevon Blair

What? No way you got 99/100 on IGN!

Dan Awesome

Sure I did.

The public loves me.

Nevon Blair

Chase Devineaux

He just bosses us around.

Chase Devineaux

Oh hey, just like real life.

Ivy Monaghan

Gunnar Svensson

And... Uh, thanks for your... Vote of confidence back there, Anthony.

Though I'm not exactly flattered by your commentary on my mental state.

Dan Awesome

You were great in that one Loki.

Lee Jordan

Even though he's never been invited to have any

Chase Devineaux

Retrospectively offers Loki Schawarma

Gunnar Svensson

See, I'm the smart one in that movie.

Kidd Kidman

/nods approvingly

Gunnar Svensson

wonders when lynch votes will be announced

Nevon Blair

Everyone here voted?

Dan Awesome

Hold yonder horses!

Philippe Breliere

I have voted, yes.

Dan Awesome

Actually... I've got all the votes for some time now.

Want me to do the announcement?

Chase Devineaux

Was going to say, I voted a while ago.

Sure, announce.

Nevon Blair

Yes!

Ivy Monaghan

Do it.

Gunnar Svensson

Do it, Bag-face.

Nevon Blair

So we can go lunch and stuff!

Lee Jordan

Is on the other side of the world, but okay

Dan Awesome

Okay... you all asked for it.

Nevon Blair

rings bell

Bran Brychanson

Waits

Gunnar Svensson

...

Dan Awesome

1 vote Magneto.

2 votes Nick Fury.

Gunnar Svensson

Again...

Dan Awesome

2 votes Spiderman.

2 votes... Scarlet Witch.

Nevon Blair

Wow

Dan Awesome

And 3 votes Captain America!

Nevon Blair

!!!

Gunnar Svensson

What!

Chase Devineaux

...

Bran Brychanson

Shakes head

Kidd Kidman

Interesting....

Chase Devineaux

I'm actually... wait, what?

Philippe Breliere

This is most interesting. *Agrees with Ororo*

Gunnar Svensson

What!!!

Lee Jordan

Has no words

Ivy Monaghan

There was a three way tie between Nick Fury, Scarlet Witch and Spiderman?

Gunnar Svensson

You guys need me!!!!

...the mafia did this.

Dan Awesome

Sorry Capt.

Gunnar Svensson

...

Philippe Breliere

It does not seem possible there are still 3 mafia left?

Dan Awesome

Let me put on this friendship bracelet of infection for you.

slaps bracelet on Capt

Bran Brychanson

Possibly... or 2 mafia and one of us voted for him.

Lee Jordan

Doesn't understand

Gunnar Svensson

...

They wanted to silence me!

You'll see! You need me!

goes off to find Greta

Kidd Kidman

Am I allowed to ask who voted who?

Philippe Breliere

With this sort of result... the votes are nearly impossible to decipher.

Dan Awesome

You can ask but people are allowed to not answer.

Kidd Kidman

Quite understandable.

Consider the question asked.

Bran Brychanson

I want to know who voted for the Captain...

Chase Devineaux

I definitely did not vote Captain America.

My vote actually went for Spidey, sorry buddy.

Ivy Monaghan

I didn't vote for the Captain.

Nevon Blair

That's okay.

Bran Brychanson

I feel I threw my vote away on Fury.

Ivy Monaghan

I didn't think it at first, but after reading all the logs later in the day the argument seemed to stack up against Wanda.

Chase Devineaux

Fury could still be Mafia.

Gunnar Svensson

Avenge me, Colonel.

I thought everyone was voting Wanda.

Nevon Blair

So weird, this vote result.

Ivy Monaghan

I was thinking that...

I think we must have taken out at least one Mafia member.

Bran Brychanson

Sorry, Captain.

Dan Awesome

[[Updating the TECS mafia page]]

Nevon Blair

Chase Devineaux

Is still trying to process vote results

Kidd Kidman

/is actually still catching up

Philippe Breliere

This game, my friend... this is very harrowing.

Nevon Blair

Feels adrenaline

Dan Awesome

(go to gplus.to/tecsmafia and be sure to click 'follow' under the avatar - I put all kills/lynch there so you don't have to read everything)

Astrid Jane

Hm.

Nevon Blair

Like an Olympic gold medalist, you're the best.

Astrid Jane

(I like the avatar. *laughs*)

Dan Awesome

Well, that concludes our daytime lynching folks.

Nevon Blair

(Goes off to lunch)

Ivy Monaghan

Astrid Jane

waves to the Friendly Neighbourhood... boy

Gunnar Svensson

OK, since I've got nothing to lose now, I'll spill.

I voted myself.

Philippe Breliere

You were your own downfall?

Gunnar Svensson

Yeah, crazy.

Ivy Monaghan

is a little suspicious of this

Astrid Jane

What's... wrong with you?

Are you ill?

Gunnar Svensson

I changed my vote from Wanda at the last minute.

Philippe Breliere

I too, find this hard to believe.

Gunnar Svensson

I had faith in you guys.

Kidd Kidman

/awaits logic of this

Astrid Jane

I'm honoured you chose self-sacrifice... but... What?

Truly, Captain.

Chase Devineaux

Bran Brychanson

Feels like he let down the Captain

Chase Devineaux

Bran Brychanson

JB Nimble

Ivy Monaghan

Philippe Breliere

How can we be so sure that Captain America is now telling the truth?

Lee Jordan

Believes Captain

Bran Brychanson

I just seems like something he'd do.

Chase Devineaux

Opens scotch and shares with Rhodey

Bran Brychanson

Crazy, brave...

Gunnar Svensson

I thought everyone would vote either Wanda or Peter.

Bran Brychanson

Thanks.

Astrid Jane

Thank you.

Ivy Monaghan

Voting randomly for me the first time, I might have understood... but throwing himself a vote instead of using it to help the other heroes?

WHY?

Chase Devineaux

Well yeah, I voted Peter, but... but in the end...

Bran Brychanson

It was a gamble.

Gunnar Svensson

Because I still hadn't convinced you of my innocence.

Ivy Monaghan

A gamble for what?

Bran Brychanson

To throw suspicion.

Chase Devineaux

It explains our random votes...

But there aren't any patterns now, really.

Ivy Monaghan

So you were going to trick us into believing your innocence??

Kidd Kidman

And yet you seemed so shocked by the results...

Astrid Jane

One day, someone will explain this to me.

JB Nimble

offers Cap a banana

Philippe Breliere

Precisely, Black Widow is correct.

To at least have one vote for yourself, Captain, would prove your 'innocence'.

However, you miscalculated.

And infected yourself.

Astrid Jane

Your vote for yourself... you were attempting to throw votes, right?

You assumed the argument against me was so strong.

Gunnar Svensson

I was either hoping you'd think the Mafia was scattering votes against me, or I was going to tell you outright if none of you reacted.

Astrid Jane

You're... infected.

Lee Jordan

Asgardian head-hands

Gunnar Svensson

Yes, I know.

Astrid Jane

slaps on a N95 mask on Captain America

Go to your room.

Gunnar Svensson

...

Astrid Jane

The Legacy Virus is airborne.

Gunnar Svensson

At least I have Greta.

Astrid Jane

I think we have negative-pressure isolation rooms.

They tend to only hold one occupant.

Kidd Kidman

Should I as well?

Chase Devineaux

We do?

JB Nimble

Come on, Cap. We have a cure to find, and since we're both locked out, I can think of plenty of tests I could do on that super body of yours to speed the vaccine along.

Chase Devineaux

Usually JARVIS tells me these things.

Astrid Jane

Oh, right... I got JARVIS to put them in before we arrived...

Chase Devineaux

... Stop talking to my AI without me, Wanda.

Astrid Jane

But I do all the time.

You can't stop us.

Gunnar Svensson

Alright, Strange. I guess it couldn't hurt to help you now.

Astrid Jane

I talk to Hank Pym's AIs too.

Philippe Breliere

Looks at Tony

What will we do now?

Chase Devineaux

I don't know... I've never seen someone vote themselves out before.

Is still perplexed

Dan Awesome

History in the making.

Kidd Kidman

If he actually did.

Chase Devineaux

No choice now but to wait until morning, I guess.

Philippe Breliere

Nods to Ororo

Yes, if indeed he did.

Bran Brychanson

If everyone said who they voted for, we could confirm what the Captain is saying.

Lee Jordan

Does not think everyone would be fully receptive of that idea because we could have mafia among us

Bran Brychanson

Agrees with Loki

Philippe Breliere

Yes, we may be leaving ourselves vulnerable too.

Bran Brychanson

I guess you have to weigh the risks vs. the benefits. Tony and I already said who we voted for.

Chase Devineaux

At this point, might not matter. Our biggest clue could come with the next infected.

Lee Jordan

Yes, the next person to be infected is inevitable.

We will find out more then.

Bran Brychanson

Yeah. I see how it would be better to wait.

Philippe Breliere

Unless a doctor saves them, that is also to be considered.

Chase Devineaux

Right, we'll see how the night phase plays out.

Bran Brychanson

Sits down to wait

Stands up

Philippe Breliere

Brews calming tea for everyone

Bran Brychanson

Thanks.

Kidd Kidman

/dozes off

Bran Brychanson

Drowns the tea

Chase Devineaux

Takes some tea Kind of you, Hank, thanks.

Astrid Jane

Green tea with mint?

peers into cup It smells wonderful.

Philippe Breliere

Yes, it is.

I would still like to note that Captain Roger's vote for himself has barred us from voting off a potential mafia member.

Chase Devineaux

Right, that's where the confusion comes in.

Astrid Jane

(Uncannily, all the ventilators in my corner of the ICU started to alarm at that point of the discussion.)

Chase Devineaux

(Really? Heheh false alarm or drill?)

Astrid Jane

(Ah, just patients coughing at the same time...)

Philippe Breliere

I am beginning to think we are dealing with either very lucky or very smart mafia here.
I am leaning towards very lucky.

Dan Awesome

Tony Stark makes you feel He's a cool exec with a heart of steel.

As Iron Man, all jets ablaze,

He's fighting and smiting with repulsor rays!

Amazing armor! That's Iron Man!

A blazing power! That's Iron Man!

Nevon Blair

Nevon Blair

Hey, I danced!

Chase Devineaux

Nevon Blair

Woot!

Dan Awesome

Cha-ching!

Nevon Blair

Capt voted himself out?

That was announced when I went to lunch?

Wow, this game!

You miss and hour...

Astrid Jane

And we had green tea with mint to recover.

I believe Dr McCoy still has some.

Gunnar Svensson

...You make it sound like I knew I had the deciding vote on my fate.

Philippe Breliere

Please, do take some.

Gunnar Svensson

I'm hardly suicidal.

Nevon Blair

Who'd know?

You probably wouldn't have voted yourself if you knew.

Gunnar Svensson

Right.

Nevon Blair

It's okay man, I almost voted myself 3 times in 3 games.

But I didn't think I could do that.

Gunnar Svensson

(Really?)

Dan Awesome

...

Ivy Monaghan

...

Chase Devineaux

Why... were you going to vote yourself?

Ivy Monaghan

That was a strategy that people think of?

Nevon Blair

It's SO HARD to vote anybody!

Don't you guys know? The guilt!

Gunnar Svensson

...

Philippe Breliere

I..see.

Gunnar Svensson

Ok, I had someone else in mind to get rid of.

Astrid Jane

You are too good to be true.

prods Spidey to test

Nevon Blair

Ow!

Chase Devineaux

Drink some tea, little guy.

Gunnar Svensson

I just lost my gamble.

Nevon Blair

Has some tea

is calmer

Ivy Monaghan

Vodka?

Chase Devineaux

Wait!

Ivy Monaghan

reaches for what she thinks is her 5th bottle

stops

Chase Devineaux

No, he can't take his liquor.

Ivy Monaghan

It's Vodka... not Vodka

Chase Devineaux

Oh, for yourself?

...

Sure, drink.

Ivy Monaghan

takes a bottle of Water

Chase Devineaux

Thinks that bottle of Evian looks suspiciously drunk

Nevon Blair

You guys think we got at least one mafia with the 2 we've lynched?

Philippe Breliere

Perhaps.

That is all we may learn from the voting.

There was a series of 2 votes.

Any one of them could have been Mafia.

Chase Devineaux

Good point.

Ivy Monaghan

Right.

Nevon Blair

Nods I sort of thought that too.

Chase Devineaux

Doesn't narrow our choices any.

Philippe Breliere

Sadly, no.

More tea, Tony?

Chase Devineaux

Thanks.

How's the research coming, Hank/

*?

Philippe Breliere

We have collected blood samples from the infected, Storm and Valkyrie.

Dr. Strange is working on processing them now.

Ivy Monaghan

looks out from the windows to the Moroccan streets

Dan Awesome

Romantic isn't it?

plays the violin

Ivy Monaghan

...you play the violin?

Chase Devineaux

Watches a guy sell weed to another guy.

Oh hey, it's Hakim.

Dan Awesome

This? No... I just pretend to play while Stark's surround sound system tricks all of you into thinking I *can* play it.

Ivy Monaghan

and... the mood is ruined.

Gunnar Svensson

...

Chase Devineaux

Welcome to Morocco.

Lifts beer bottle and drinks

Dan Awesome

Don't worry guys, I'll keep watch and make sure no baddies get you while you sleep.

Ivy Monaghan

I don't like the idea of you watching use sleep.

*us

You have already failed twice.

Dan Awesome

Hey, I do what I was paid for.

Chase Devineaux

Is it still a surprise he fails so often?

Dan Awesome

Hey, I've been getting 2 Amazon gifts a day after pretending to be Black Widow.

Ivy Monaghan

WHAT?

Chase Devineaux

Only Wade...

Dan Awesome

Chill! I make sure to give you a cut. Where did you think all those new knives came from?

I keep the lingerie though.

Chase Devineaux

Again, only Wade.

Gunnar Svensson

.....

Ivy Monaghan

Keep him away from me or so help me god I will find some way to kill him.

Dan Awesome

Hands BW a copy of Vladimir Nabokov's Lolita oh and they sent us some boring books too.

Ivy Monaghan

takes book

This is first edition print.

Signed.

Chase Devineaux

Well, at least that's something.

Dan Awesome

yeah, tell me about it. I should do your PR.

Ivy Monaghan

I am secret agent. PR is what I should never have.

Chase Devineaux

Wait for it Natasha.

He might not mean 'Press Relations'

He could mean 'Personal Relations'.

Dan Awesome

Yeah that.

Gunnar Svensson

.....

Feeling predictable, Bag-face?

Does it scare you that Anthony can read you?

Dan Awesome

What no, me and Tony are besties.

War Machine's just jealous.

Gunnar Svensson

...

Dan Awesome

The other day, Tony gave me a private jet!

Ivy Monaghan

That seems extravagant.

Gunnar Svensson

...

Was it a bubble bath?

Dan Awesome

No, like a flying one.

With guns.

Chase Devineaux

...

I parked that jet on a carrier...

That was you?

Gunnar Svensson

facepalms

Dan Awesome

Yep! I knew you wanted me to have it.

Chase Devineaux

...

Where is it now?

Gunnar Svensson

...

Dan Awesome

Fun times!

Gunnar Svensson

...

You're a bad influence on Peter.

Chase Devineaux

... (that was a decent facsimile)

(Classic I.O.U)

(Off for the night, take care)

Dan Awesome

The moment you stop thinking I'm insane and realize I'm a genius the better it is for us all.

(later man)

Gunnar Svensson

(Take care, Boss.)

Is there actually a brain under that sack?

Or are you a marionette?

Dan Awesome

I like that you like my body, Capt.

Don't treat me like an object, please!

Gunnar Svensson

.....

Right... I should go hang out with Greta and Strange.

Dan Awesome

Or mostly Greta?

Am I right?

Heh heh heh

Captain Playa

Gunnar Svensson

...possibly.

...

Dan Awesome

Storm's infected too you know. She can Chaperone to make sure there's no funny business in quarantine.

Gunnar Svensson

.....

Dan Awesome

Hey, we gotta keep you rowdy kids from sucking eachother's faces.

Gunnar Svensson

...If we ever survive this, what's the policy on war brides?

They can be naturalized quickly?

Dan Awesome

I think you gotta talk it out with her very protective beau, Thor.

Gunnar Svensson

Oh, we will certainly talk...

Dan Awesome

You sorta have to cross a gay-ish rainbow bridge to meet him though.

And that's not figurative.

Gunnar Svensson

I think Loki and I will be able to work something out.

Thor will realize what's best for him.

Wifebeater...

Dan Awesome

sure...

has no idea what Capt is talking about

Did you know I was Canadian?

It's like... the better America!

Gunnar Svensson

...

Dan Awesome

This is great!

Gunnar Svensson

Must not be if they produced you.

This disappoints me

Captain Canada was always my backup plan.

Dan Awesome

Maple syrup for everyone!!!

Gunnar Svensson

...I can support that.

Dan Awesome

About time.

(gotta run off, later yo.)

Gunnar Svensson

I can also support--

Nevermind...

(See us)

Joe Kerr

For what it's worth, my vote went to Fury too.

I'm beginning to see a pattern...and I agree with Dr McCoy, the mafia got lucky

Eugene Grovington

Huh, I step out for a while and miss all the action.

You guys have been having quite the party in here.

JB Nimble

(...pokes?...)

Kidd Kidman

/stirs

Gunnar Svensson

Heh

Only us rejects are around, it seems.

Kidd Kidman

Rejects?

Gunnar Svensson

You, Strange, me...

Kidd Kidman

I hardly count myself a 'reject'.

Gunnar Svensson

True.

At least everyone knows you're innocent.

Strange and I still have to be proven.

Kidd Kidman

/sips her tea

Gunnar Svensson

Guilty until proven innocent, heh.

Kidd Kidman

Irony, isn't it? You cast a stone and it came back for you.

Gunnar Svensson

'Murica.

Eugene Grovington

jumps down

No.

None of that.

Gunnar Svensson

It was my fault, granted.

Kidd Kidman

None of what, Clint?

Gunnar Svensson

Didn't see that kind of vote dispersion, though.

Eugene Grovington

gives Cap a dirty look

He knows what he was doing.

Gunnar Svensson

?

Kidd Kidman

Trying to put a Dent in things?

Eugene Grovington

(Heh.)

Kidd Kidman

Gunnar Svensson

Hey, I'm sort of free to do what I want now.

Go on s few dates. Eat some burgers. Watch some movies.

Drink more beer...

Think about... Bucky...

...

Kidd Kidman

/tries piece the day's incoherent events into some sort of logic.

/sighs

Who is Bucky?

Gunnar Svensson

Who is Bucky? Who is Bucky????

Eugene Grovington

Another long lost lover, I think.

Gunnar Svensson

The greatest, most American, most generous man there ever was.

Better than even Johnny Cash.

Or... Teddy Roosevelt...

Or... Me...

Eugene Grovington

Better than Johnny Cash?

Gunnar Svensson

Bucky should be wearing my uniform...

Eugene Grovington

You better reconsider.

Do almonds make you blind?

You know, never mind. *grabs a handful*

Astrid Jane

Eugene Grovington

Astrid Jane

The man who sold me this assured me they were good.

Eugene Grovington

Blindness seems low on our list of concerns at the moment.

Astrid Jane

On the contrary... blindness and true sight is of utmost importance.

Eugene Grovington

Given the quality of these almonds, I think I can run the risk at the moment.

Chase Devineaux

And... that vanilla they get from wild orchids...

Eugene Grovington

And you don't have any here... why?

Chase Devineaux

Thinks he wants gelatinous ice scream served with a Turkish sword.

Astrid Jane

There was an artist I passed by, near the mosque... He painted sunsets so brilliant. *eats another almond*

I think I'll go sit for a bit to watch him, when this is over...

Lend me the Quinjet, Tony?

Chase Devineaux

I don't know, why don't you ask its AI.

Astrid Jane

That shouldn't be a problem then.

Chase Devineaux

I don't like pressing buttons on the food order console.

Astrid Jane

types in "refuel" in Comments box

Chase Devineaux

It's tacky.

The buttons, not the console.

Astrid Jane

I'm sure you'll find willing parties to do it for you.

Chase Devineaux

I had one, JARVIS.

Astrid Jane

My apologies. Have an almond.

Have ten.

Eugene Grovington

I'm sure Jarvis is doing just fine.

Chase Devineaux

I know he's doing just fine, he's loving it without me.

But he misses me.

He's programmed to.

Eugene Grovington

Then he's doing a great job of hiding it.

Astrid Jane

Chase Devineaux

You really want me to put my logos on your arrow?

Kidd Kidman

(So apparently in the comics the suit somehow falls in love with Stark and kidnaps him.)

Eugene Grovington

(I kind of liked the one about Spidey and Wolverine.)

Chase Devineaux

(This happens in so many variations, comics tend to suck this way.)

Eugene Grovington

No, your logo is on enough things Stark.

Chase Devineaux

(Off for a bit, work, see you kids.)

Accepted, Clint.

I'll make your arrows.

Stark, they'll say...

Printed in little tiny emblems up until the little feathery things.

Stark-feathers... yeah, that doesn't sound very clean.

Eugene Grovington

Perfect. First one will end up addressed to Hulk.

Chase Devineaux

Is distracted thinking about arrow trajectory.

Chase Devineaux

Magneto, huh? I don't know if this affects anything. But there was 1 vote for him twice.

Ivy Monaghan

Bran Brychanson

I had already decided he was innocent.

I now see three suspects... unless I'm entirely wrong.

Eugene Grovington

looks at all the empty vodka bottles

Kidd Kidman

I had spoken of him as the one I most trusted.

I hope I didn't bring this upon him...

Chase Devineaux

I did think Pete was going for him unnecessarily.

I don't think you did anything, Ororo, not to worry.

Assuming we might have gotten at least one culprit, any suspects based on that?

Bran Brychanson

What are your top suspects now, Tony?

Philippe Breliere

Max was taken?

Then whose was that constant vote against him?

Bran Brychanson

*Who are

Chase Devineaux

Mags wasn't really on my list... But now Pete and Fury are higher because Pete was against Max, and Fury was against Capt.

Philippe Breliere

Coincidentally, Nick Fury is higher on my list now as well.

Bran Brychanson

Do you think Pete would keep voting against Max even when he wasn't on many peoples' radar?

Chase Devineaux

I thought that.

Which either makes him a single minded innocent... Or a brilliant mafia.

Bran Brychanson

True.

I would put Fury above him though.

Ivy Monaghan

Are we sure Capt voted himself off and the two other votes were mafia?

Bran Brychanson

But he is on my top three list.

Like I said, all the townies could come clean about who they voted for.

Philippe Breliere

I must suspect you most, War Machine.

Bran Brychanson

Sure.

Philippe Breliere

You are playing a very good game.

Chase Devineaux

He's asking the right questions, that's not abnormal.

Bran Brychanson

How many people are left?

Eugene Grovington

Eight.

Bran Brychanson

So if we didn't get one of the mafia, this is the last lynching?

Eugene Grovington

If.

Bran Brychanson

That's what I thought.

That would answer a lot of questions.

But my gut says we already got one.

I believe that as well.

Bran Brychanson

Eugene Grovington

Hey, my nest is comfortable and away from this plague ridden crowd.

Ivy Monaghan

Sure sounds lonely up there.

Eugene Grovington

You can all thank me later.

Eugene Grovington

I'm not drunk yet, Nat.

Ivy Monaghan

...

remains Russian-quiet

Chase Devineaux

'Yet', he says.

Lee Jordan

We are now discussing voting?

Ivy Monaghan

Yes.

Chase Devineaux

It's that time, if you have suspects, say them.

Lee Jordan

I have a few suspects, too many to read.

I can only say the blue Beast is clean as a gummy bear.

I would wonder about Fury next.

Puts down golden bag of gummy treats on the table

Chase Devineaux

Takes one Thanks.

...

Ivy Monaghan

considers this

Chase Devineaux

Doesn't know how Loki manages to stay alive so long

Ivy Monaghan

He was rather low key.

Lee Jordan

Thinks many would think a doctor might save him, and would be a vote wasted.

Chase Devineaux

...

Low key Loki.

Haha

Notes he's drunk

Eugene Grovington

notes he is also drunk

passes the bottle back to Nat before he passes out

Ivy Monaghan

He's so cute when he passes out.

Lee Jordan

Thinks Clint cannot take his liqueur

Nevon Blair

Swings in

Chase Devineaux

Just the little guy I wanted to see. Let's talk.

Nevon Blair

Me?

Chase Devineaux

Yes, speculations say you might have voted Magneto twice.

Bran Brychanson

Sits down in a nearby chair

Nevon Blair

I thought he was suspicious.

Philippe Breliere

Then it was you?

Nevon Blair

Yeeeeeah that was me.

Checks up on this

Lee Jordan

Thinks emotional display from Wanda is very strange.

Nevon Blair

Oh wow, yeah.

Did she actually call him father then?

Philippe Breliere

I noted that as well.

It also did not seem... sarcastic.

Nevon Blair

Yeah, okay, sorry for messing up the vote earlier guys, I think I know who I'm voting for now.

Lee Jordan

Is Wanda truly much more suspicious than Fury?

Philippe Breliere

At this point in time, yes.

She narrowly escaped our last voting session.

Chase Devineaux

Guys, at least 3 people 'narrowly' escaped.

Lee Jordan

Tony is right.

But we all still suspect Wanda even after Captain shot himself in the foot?

Nevon Blair

Haha! In the foot!

Ivy Monaghan

I think it's what Captain would have wanted.

Gunnar Svensson

...

drinks a very Russian vodka just for that sentiment

Chase Devineaux

Let's not rush to conclusions, either way.

Dan Awesome

puts out ballot box

Philippe Breliere

No, I will not rush into conclusions... but I believe this is a relatively easy vote for me.

Nevon Blair

Me too.

Lee Jordan

Agrees with this

Philippe Breliere

Valyrie, Storm, and Magneto, they were all very easy targets, yes?

Lee Jordan

Believes so

Ivy Monaghan

I think so too.

Nevon Blair

We have enough people left to make mistakes?

Bran Brychanson

If we already took one down, we do.

Philippe Breliere

We do, and yet we do not.

I do believe we have had at least one, however.

Nevon Blair

I think so too, guys.

Ivy Monaghan

keeping ourselves focused may help.

Chase Devineaux

nods

Nevon Blair

Wanda's name comes up so often.

Something she's done above had to strike everybody as her being mafia.

Philippe Breliere

The only reason I have against Fury is that he spoke against Captain America.

Chase Devineaux

Right, my reason too, and we all seem to agree Captain is innocent.

It's not enough to flag him as culprit in this light.

I wish the votes could tell us more, but they don't.

Nevon Blair

Yeah, last game, we were really good dissecting the votes.

Philippe Breliere

This round is very clouded.

Bran Brychanson

Doesn't want to cast a vote until people have a chance to defend themselves, but also realizes certain people never defend themselves anyway

Lee Jordan

(got a shift mates, tc)

Dan Awesome

((Guys you are allowed to change votes after casting))

Chase Devineaux

Agrees with Rhodey

Dan Awesome

((up until the GM announces))

Give them to meeeeeeee

[[hungry for votes]]

Chase Devineaux

I doubt either Fury or Wanda would defend themselves.

Bran Brychanson

I honestly haven't seen Fury for a while.

Nevon Blair

Do you think absence is suspicious?

Philippe Breliere

They could both be Mafia.

That is always possible.

Ivy Monaghan

It wouldn't be the first time sliding under the radar worked.

Bran Brychanson

True.

Nevon Blair

And don't the mafia usually take out quiet people?

Philippe Breliere

There have always been a few votes against Fury.

Chase Devineaux

The hardest part is picking the right one to vote for first.

Nevon Blair

I think it's easy now.

Wanda's reaction was melodramatic.

She's always rolling her eyes at him, doing all sorts of attitude.

Then he gets voted out and she goes all nuts?

Philippe Breliere

Guilt perhaps?

Nevon Blair

I suspected mags all this time guys, but so he's innocent, I wasn't right about that.

But I think Wanda's reaction seals it.

Bran Brychanson

Assuming Loki is innocent, I don't see many other suspects besides the two.

Chase Devineaux

The hypothesis to take is the one that has the least assumptions.

We trust Captain America is innocent, right? Anything else that's clear enough in this?

Nevon Blair

Nothing's ever clear!

Philippe Breliere

Calm down, Peter.

Nevon Blair

Swings like a pendulum

This game's been like mud from the start.

Bran Brychanson

Who did you vote for last round, McCoy, if you don't mind saying?

Philippe Breliere

I had voted for Peter.

Nevon Blair

I voted Mags, but you guys know that.

Bran Brychanson

Takes notes

Chase Devineaux

Okay, so you and I were the two votes for Peter...

Bran Brychanson

Mags and I voted Fury.

Chase Devineaux

Pete was Mags.

Bran Brychanson

Captain voted for the Captain.

Ivy Monaghan

I voted Scarlet Witch.

Chase Devineaux

Right...

I'm going to guess Loki voted Wanda too.

That leaves Wanda and Fury who voted for Capt.

Nevon Blair

Ah ha!

Philippe Breliere

Nods

Then I see it is time to vote.

Dan Awesome

I am the vote-monster... feeeeddd me

Nevon Blair

Feeds vote monster

Dan Awesome

gobble gobble gobble

Chase Devineaux

(meeting, I'll consider this for another hour... and vote when I get back)

Philippe Breliere

Acknowledges

Good day, Tony.

Bran Brychanson

(Later)

Ivy Monaghan

Bye Tony.

Philippe Breliere

I believe this is a good deductive conversation.

Nevon Blair

Feels good about this

Bran Brychanson

Feels as good as he can

Nevon Blair

Yeah, it's never sure.

But at least we know now who voted for Capt.

Bran Brychanson

I always see conspiracies everywhere...

Nevon Blair

Aside from capt.

You're still one of my favorite supoer heroes, Capt!

*supper

*super

silly spidey grins

Gunnar Svensson

salutes

You're a swell kid, Spider.

Nevon Blair

Thanks Capt!

You're swell too

I think.

Gunnar Svensson

Just stay away from Bag-face, and you'll be set.

Nevon Blair

Does that mean fat?

Gunnar Svensson

...

Nevon Blair

If it means fat, you're not swell

you're straight

?

is confused

Gunnar Svensson

It means... 'trippy'.

...I think.

Nevon Blair

...

Swag?

Gunnar Svensson

That.

snaps finger

Nevon Blair

Cool, now we're communicating!

Gunnar Svensson

What we're we doing before??

Nevon Blair

You were talking... I think.

I was just nodding.

Gunnar Svensson

...

Nevon Blair

(off to bed guys, you guys making me stay up way late!) lol

Bran Brychanson

(Heh)

(Later)

Gunnar Svensson

(What? This isn't even late.)

Philippe Breliere

It seems we will find the results in at least 6 hours?

Gunnar Svensson

(4am is primetime, Nev.)

Bran Brychanson

(I should head to bed as well)

Philippe Breliere

Good night everyone off to sleep.

Gunnar Svensson

('Night dude.)

Bran Brychanson

(It's *super* later here...)

Philippe Breliere

I trust we will see you first thing in the afternoon

(*R*)

Bran Brychanson

(*late)

(Heh. The sign that I should sleep more)

Astrid Jane

(Her IC self hates her father - inaccurate.)

wanders out of room in search of food

Mikal Darsha

I would just like to point out that I was one of the people that voted Captain America. Not because I am mafia but because he was extremely suspicious and still is in my eye(s).

The fact that he voted himself in order to sway the crowd should have been enough to convince all of you that he's not playing a straight game.

Chase Devineaux

It's true, it's definitely a misjudgment on his part.

Mikal Darsha

Besides, I'm Nick Fury... I do things.

I don't have time to infect all of you.

Nevon Blair

Not the best excuse, Mr. Fury.

But if I don't vote for you, can I join the Avengers?

Mikal Darsha

...

yes.

Astrid Jane

(LOL.)

Nevon Blair

Gasps

Uhm....

uh...

Aw man...

Thinks hard

Grabs a magazine and heads to think in his room

Chase Devineaux

...

Hold it.

Nevon Blair

...

Chase Devineaux

Takes out 'Maxim' from under 'Popular Mechanics' and hands back the Techie magazine

Nevon Blair

...

Astrid Jane

...

Nevon Blair

How did that get there...?

Astrid Jane

raids the fridge for milk

Chase Devineaux

Go think.

Mikal Darsha

Kids these days.

Nevon Blair

But... that's not my magazine!

Chase Devineaux

Shuts the door on Pete

Dan Awesome

Can't blame him, it's his girlfriend on the cover.

Chase Devineaux
Relevant.
Gunnar Svensson

...

They distribute these issues all the way out here?

Chase Devineaux
Sure they do.

Gunnar Svensson
Uh-huh...

Dan Awesome
I like Merc Magazine myself...

Way hotter cover.

Gunnar Svensson

...

Didn't know this was in print...

Dan Awesome
The good part is, you can get a signed copy.

I'm right here.

To Captain Lovin' from your Pool Party

Gunnar Svensson

.....

Chase Devineaux
Probably worth less when signed.

Gunnar Svensson
Heh

Astrid Jane

Are votes being taken now? *wanders around with a glass of milk*

Dan Awesome

YES!

shakes ballot box

Nevon Blair

Scratches door

Can I come back in now?

Whines

Astrid Jane

Right.

opens door expecting a puppy

Nevon Blair

would wag tail if he had any

Astrid Jane

put milk into Spidey's hands and goes off to vote

Mikal Darsha

Votes are being taken? Well I vote Captain America again.

Chase Devineaux

...

Astrid Jane

LOL.

Chase Devineaux

He's out, Nick.

Mikal Darsha

What?

Gunnar Svensson

.....

Chase Devineaux

Captain America voted himself out last round.

Mikal Darsha

Why the hell would he do that?

Gunnar Svensson

Seriously.

Nevon Blair

(ROFL!!)

Gunnar Svensson

Are you even American?

Joe Kerr

comes out of room to see the commotion

Spiderman voted me?

Mikal Darsha

Okay, let me get this other trucking vote out of the way... *mumbles*

Gunnar Svensson

Everyone knows I was innocent.

Joe Kerr

makes note to pay Spiderman a special visit in future

Nevon Blair

I'm sorry Mags.

I was misled by your sense of style.

Joe Kerr

have you looked at yourself in the mirror lately?

Nevon Blair

Don't start, old man.

Chase Devineaux

I don't think he quite 'ended'.

Joe Kerr

old man? **OLD** man?

Nevon Blair

Senile

Joe Kerr

You are really pushing your luck Spider boy

Chase Devineaux

Hello, uh... infected Magneto...

Joe Kerr

makes note to pay Mary Jane a visit

Chase Devineaux

Stop making him angry, Pete.

It's my house.

Gunnar Svensson

(ha!)

Joe Kerr

I don't have my powers right now Stark so your house isn't at risk.

Nevon Blair

What? I'm not... dating her... I'm dating... Jane Mary.

Joe Kerr

However once I regain my abilities, I cannot guarantee the same for the adolescent arachnid

Nevon Blair

goes up to the ceiling

Just Spider-Man's fine.

Joe Kerr

pours himself a scotch

Nevon Blair

Adolescent-Arachnid sounds like a bad disease.

Joe Kerr

smiles

Nevon Blair

Are the votes all in?

Dan Awesome

Nope.

Nevon Blair

swings around

I'm going stir crazy.

Chase Devineaux

Can you do that outside?

Nevon Blair

Lingers

Chase Devineaux

Gives Pete a Euro

Nevon Blair

Only a Euro? To go play outside?

Joe Kerr

Stark, where is your cinema again? There is a particular movie I feel like watching right about now

Chase Devineaux

Answered your own question 'Euro' and 'Play'.

Sure, it's... *points* Down that way, Max.

Joe Kerr

Thanks. You have ever movie ever made right?

*every+

Chase Devineaux

Probably... search on-screen and it should download if it's not there.

But we don't have internet.

Astrid Jane

I was about to ask...

Joe Kerr

Drat. I wanted to watch Casablanca

Chase Devineaux

Okay, I have that.

Dan Awesome

Stark, can you watch these guys? Imma nap.

Chase Devineaux

...

Dan Awesome

Don't let anyone infect each other.

Joe Kerr

You should be taking your own advice Deadpool

Chase Devineaux

Sure, considering we're on voting time.

Joe Kerr

*advice

then I wouldn't be in this sorry state

...and Spiderman would be caged in 15000 lbs of steel right about now

Nevon Blair

I'd say DP was doing all this to get attention... but he's really not this resourceful.

Gunnar Svensson

Heh

Dan Awesome

Hey! I'm resourceful.

Lee Jordan

hears crickets

Joe Kerr

Stark, is that one of your ringtones?

Chase Devineaux

I don't carry a phone.

Joe Kerr

neither do I

Gunnar Svensson

Why would you carry a phone?

Nevon Blair

Shows Spidey iPhone

Gunnar Svensson

That's a phone?

Joe Kerr

that is a money stealing scam

besides, who needs a phone when you work with telepaths?

Nevon Blair

Valk has one too, Capt.

Gunnar Svensson

...She does?

Joe Kerr

an Asgardian with a phone? Curious

Nevon Blair

She's an 18-year-old guys, with Valkyrie powers.

Sure she'd have an iPhone.

Shows instagram

That's her insta-video about ordering Schawarma.

There's her selfie with DP and Tony...

There's one with me and DP dancing...

There's Wanda passing out dates.

Joe Kerr

. Wait...Stark can't get internet but you get WiFi?

Nevon Blair

There's Clint getting drunk...

It's phone network.

3G

Astrid Jane

4G.

Dan Awesome

Heh

Fun times.

Joe Kerr

ah, why bother. not like anyone would call me.

Mikal Darsha

I'm in none of those photos.

Nevon Blair

I'd call you, Mags.

It'll be cool like when you're starting your magnetic apocalypse again... we can Whatsapp.

Joe Kerr

you'd be dead first

Dan Awesome

[[Deadpool likes this.]]

Nevon Blair

[[Spider-Man favs]]

Astrid Jane

Also, magnetic interference much?

Joe Kerr

unless you came to your senses and joined my brotherhood...in which case I may reconsider

Nevon Blair

But I can't be your brother...

You're like my Grandfather's age.

Joe Kerr

And Wolverine is old enough to be MY grandfather...your point?

Nevon Blair

He's not my brother either.

Is he your brother?

Is your brotherhood co-ed?

Can girls join?

Lee Jordan

Would be interested if girls could join

Joe Kerr

yes there are females in the brotherhood. Mystique, Marrow, Domino, Rogue for a time...

Nevon Blair

Do you call them brothers?

Joe Kerr

The term 'brothers' is not with regards to gender but that we are all bonded by the Mutant Blood that flows through our veins

Nevon Blair

Why don't you use the term 'family' then?

Joe Kerr

I wasn't the one who came up with the term. It was a democratic vote. They decided 'Brotherhood of Evil Mutants' sounded a little cooler than "Family of Evil Mutants"

Of course, we've since dropped the 'Evil Mutants' part

Nevon Blair

BEM?

I guess that does sound better than FEM.

But do you have to be Evil?

Can't you just be 'Good Mutants'?

And what if your members aren't all mutant?

Joe Kerr

Good and Evil are relative terms. To the humans we oppose, we are evil. To the mutants whose cause we pursue, we are good

Nevon Blair

...

Joe Kerr

My members can only be mutants. I do not trust humans

Nevon Blair

Not according to the dictionary.

I'm a human.

Why were you recruiting me?

Joe Kerr

technically you are a mutant, albeit a scientifically created one besides, i was hoping to turn you into man-spider first.

Nevon Blair

Oh cool!

Joe Kerr

that or get you back in your symbiote suit

Nevon Blair

thinks

That doesn't sound fun, Mags.

Joe Kerr

you seemed to think otherwise when you were in the suit

Nevon Blair

That's because... I was in it.

Dan Awesome

Tap dancing Spiderman!

Nevon Blair

dances

Dan Awesome

coughs

Everyone here?

Eugene Grovington

Until I get called out in a few.

Make it quick.

Dan Awesome

We got the votes.

1 vote... Black Widow.

1 vote... Captain America (again)

Chase Devineaux

...

Gunnar Svensson

What.

Astrid Jane

...

Eugene Grovington

...

Kidd Kidman

...?

Chase Devineaux

Damn it, Fury.

Dan Awesome

And 6 votes... Wanda.

Astrid Jane

accepts the bangle

Mayara Cole

gasps

Mikal Darsha

coughs

Astrid Jane

goes bake cookies in her confinement

Eugene Grovington

facepalms

Dan Awesome

But don't worry guys... Wanda doesn't have to wear the bangle.

Astrid Jane

...

Mayara Cole

She doesn't?

Nevon Blair

?

Dan Awesome

CONGRATULATIONS!!!

Astrid Jane

looks at You Know Who

Gunnar Svensson

...

No way is the Mafia dead.

Dan Awesome

You've lynched ALL Mafia Members!

Gunnar Svensson

Nope.

Chase Devineaux

...

Gunnar Svensson

Nope. Not buying it.

Dan Awesome

CELEBRATE!

Philippe Breliere

What?

Lee Jordan

Yes!!

I was Detective!

Gunnar Svensson

No, you haven't.

Astrid Jane

. . .

Stop it.

Lee Jordan

We won!

Gunnar Svensson

No!

Nevon Blair

What?

Gunnar Svensson

You haven't won!

Mayara Cole

blinks

Eugene Grovington

laughs

Astrid Jane

goes back cookies

Dan Awesome

Oh... wait

Astrid Jane

*bake

Eugene Grovington

It gets better.

Dan Awesome

Oh wait... you DIDN'T!

Nevon Blair

...

Ivy Monaghan

...

Philippe Breliere

...

Dan Awesome

All your lynch were TOWNIES!

Kidd Kidman

/feels the need to shock someone.

Astrid Jane

laughs

Gunnar Svensson

. . .

Mayara Cole

Screams

Astrid Jane

smiles

Lee Jordan

Wow

Eugene Grovington

double facepalms

Nevon Blair

What the?

Astrid Jane

puts cookie batter in oven

Gunnar Svensson

No. Way.

Kidd Kidman

/sighs

Philippe Breliere

Is this another trick?

Astrid Jane

Nope.

Dan Awesome

No, sorry to say... this is real. Thanks for playing!

Astrid Jane

checks timer

Gunnar Svensson

.....

Dan Awesome

Oh wait!

oh wait!

Eugene Grovington

Its been fun. Peace.

Dan Awesome

Not only that.

Gunnar Svensson

.....

Dan Awesome

You lynched both your detective and doctor!

Eugene Grovington

Enjoy your plague apocalypse.

Nevon Blair

Whaaaa?

How?

Gunnar Svensson

Is this another trick?

Dan Awesome

Astrid Jane

I thoroughly enjoyed this game.

Chase Devineaux

Okay, right, before we get carried away, let's go back a bit.

Astrid Jane

My favourite theme.

Dan Awesome

But honestly guys, you all played an awesome awesome game.

Gunnar Svensson

...

We lynched the Detective?

Bran Brychanson

Knew he was getting duped

Dan Awesome

Yep. So the final announcement is that Strange was the Detective, Captain was the Doctor.

Gunnar Svensson

Yes, I was.

Dang.

Astrid Jane

You poor dear.

takes cookies out of oven

Eugene Grovington

waits for mafia announcements

Kidd Kidman

/somewhere Jareth is laughing

Gunnar Svensson

It was Black Widow!

Chase Devineaux

IC: There isn't a plague, you're all free to go, we were doing this as an experiment to see if the Legacy Virus and its vaccine would work on Earth's greatest heroes. Please find your briefcase of 1-Million US Dollars in cash on your way out.

Gunnar Svensson

I told you guys!

...

Philippe Breliere

...

Ivy Monaghan

Thanks for playing!

Astrid Jane

Philippe Breliere

Thank you...?

Gunnar Svensson

shakes fist at Natalia

Astrid Jane

Also, cookies for everyone.

Gunnar Svensson

I knew it was you.

Eugene Grovington

I'm rich!

Astrid Jane

Almond.

Gunnar Svensson

Russians.

Chase Devineaux

Alternatively, there is ice cream

Gunnar Svensson

But no one believed me.

Eugene Grovington

I never have to see any of you again!

Mayara Cole

WAIT what??

Gunnar Svensson

...

Dan Awesome

Mafia was, as you may have guessed: Tony, Black Widow and Loki.

Mayara Cole

How?

Gunnar Svensson

Wait...

Lee Jordan

Bows

Gunnar Svensson

Why didn't Jack tell us he was Detective?

Astrid Jane

Josh, good game. I enjoyed your play.

Ivy Monaghan

God of Mischief.

Astrid Jane

Particularly.

Gunnar Svensson

He could have convicted Loki that way.

Mayara Cole

Wait!!

I want to hear from the mafia.

Bran Brychanson

Why don't I go with my intuition...?

Mayara Cole

What??

Chase Devineaux

Okay, hang on.

After the die was cast...

We knew Josh was always most likely lynched.

So I figured... he had to play fake detective.

Gunnar Svensson

But Strange.

Why didn't he tell us he was Detective?

Lee Jordan

Did his best

Ivy Monaghan

Strange may have helped, but you voted him off first.

Gunnar Svensson

He could have done that to dispute my accusation.

Philippe Breliere

Brilliant!

Brilliant play!

Lee Jordan

Mates, you should have SEEN the Mafia window.

Ivy and Chase were all point-by-point strategies from first line in.

Nevon Blair

Wow

Bran Brychanson

Yeah, you guys were amazing as mafia.

Mayara Cole

We weren't really, we were playing townies.

Bran Brychanson

Thinks he should trust his nurse's intuition more...

Astrid Jane

Best Mafia Award, I think. 😊

Chase Devineaux

No, you played great townies.

Ivy Monaghan

...so much for mafia. Anyone we voted never got voted out.

Eugene Grovington

By great, he means easily duped.

Chase Devineaux

Ivy and I were basing all our Mafia votes on what we'd do as townies.

Nevon Blair

That's why we couldn't tell!

Philippe Breliere

Yes, and even when they revealed their votes... they were clearly innocent.

Gunnar Svensson

feels completely baffled by Strange's silence, and how terribly he was duped

Lee Jordan

Crazy, aite?

Astrid Jane

And the witch hunt was magnificent.

Bran Brychanson

...

Eugene Grovington

Truly.

Chase Devineaux

That was completely unplanned.

Astrid Jane

You were all very quick to jump on Wanda.

No, not you.

Chase Devineaux

I really wanted to keep Capt until the end too.

Eugene Grovington

OK, this is nice. Shall we do our post op?

Mayara Cole

I want to hear their strategies

Eugene Grovington

Because this costume is getting itchy.

Mayara Cole

So when I play Mafia, I can be good too.

Nevon Blair

Yeah, wow

Astrid Jane

laughs

Nevon Blair

What?

Gunnar Svensson

I wanted to keep me to the end, too.

Ivy Monaghan

It was Loki that did the bulk of the work, really.

Gunnar Svensson

Really, whatever you did was great.

Lee Jordan

Chase & Ivy told me who to say was gummy bear and who to was dark.

but I came up with the gummy bear part.

Mayara Cole

That was so neat!

Philippe Breliere

I had an inkling it was you!

Jumps on Master Tony Qui-Gon Stark

Chase Devineaux

Ow... my back!

Astrid Jane

Haha... Philippe, I was high on your list.

Dan Awesome

Heheheh

Astrid Jane

Logs serve. Science didn't work so well this time.

Nevon Blair

No way!

Bran Brychanson

After Strange, Wanda, and Fury, my other choices were Loki, Tony, and Captain...

Philippe Breliere

The votes... oh the votes, were so convoluted...

Mayara Cole

Totally!

Dan Awesome

Oh oh!

Guys

I took a poll from everyone voted out.

On who they thought was doctor detective or mafia

Gunnar Svensson

I got the Russian right!

I told you guys.

Dan Awesome

Yes, captain got 1 point. He thought mafia was: Wanda, Strange and Natalia

He thought the detective was Loki and he was Doc (duh)

Strange made some right guesses

He said Mafia was: Iron Man, Captain America and Spider-Man.

Joe Kerr said: Detective is Loki, Doctor is Spiderman and Mafia is Beast, Fury Stark or Wanda

Gunnar Svensson

Again... I'm still confused why our Detective didn't say so.

Chase Devineaux

Good job, Josh.

Gunnar Svensson

We could have saved him and gotten Loki.

Dan Awesome

oh, and Kid was sure Capt was Mafia.

Astrid Jane

He didn't have the chance.

Chase Devineaux

I think it was luck that Strange went first.

Gunnar Svensson

Yeah he did.

Astrid Jane

Dr Strange was take out in the first round.

Chase Devineaux

We didn't hit any D's

Gunnar Svensson

He could have told us in his defense.

Astrid Jane

*taken

Mayara Cole

Pushes Chase

How the hell!?

Gunnar Svensson

I would have protected Strange, being Doc.

Kidd Kidman

You could have told us you were doc, Capt. 😊

Ivy Monaghan

But would you believe him over Loki?

Gunnar Svensson

No, Doc is different.

Mayara Cole

How the hell do you play a flawless Townie game in one game then a flawless Mafia game the next?

Bran Brychanson

Yes.

Gunnar Svensson

I can't be saved.

Kidd Kidman

Yeah, true.

Gunnar Svensson

Detective can.

Bran Brychanson

In hindsight... heh heh.

Astrid Jane

Doctor, they would have taken you out.

Doctor Captain.

Lee Jordan

I was so afraid I'd get lynched mates

Astrid Jane

And then the Detective after.

Gunnar Svensson

Right, that's why I didn't say I was doc.

Astrid Jane

If you'd both revealed yourself.

Gunnar Svensson

No one knew I was doc.

Mikal Darsha

I was sure Captain was Mafia too.

Astrid Jane

Hence.

Gunnar Svensson

But Strange could have at least cast doubt on Loki.

Chase Devineaux

We had no choice, it was either Josh as fake detective or he'd get voted out.

Gunnar Svensson

It was brilliant strategy. I just don't get Strange's non-confession.

Astrid Jane

I admit, Josh gets voted out so often, I was loathe to think of him as Mafia.

Philippe Breliere

Captain did a good job filtering the votes

JB Nimble

Would you have believed me?

Astrid Jane

I ignored him, basically.

Chase Devineaux

We had a fake Mafia too.

Gunnar Svensson

Thanks, but I led you all to doom, Roux.

Bran Brychanson

In hindsight, yes.

Chase Devineaux

In addition to Josh as Fake detective.

Ivy Monaghan

Yeah, we psyched ourselves into believing in a fake mafia.

Chase Devineaux

Yep

Astrid Jane

Hehe...

Gunnar Svensson

Strange, 50-50 that we believed you.

I figured you would say something. If you wanted to stay alive.

Chase Devineaux

We mentally prepared ourselves to try take out whoever voted Captain America.

JB Nimble

I had you pinned dead to rights, though, Chase. I KNEW you were Mafia, but I didn't have any proof that I could explain.

Chase Devineaux

Who we believed was innocent.

Gunnar Svensson

You'd at least have a shot.

JB Nimble

I figured claiming detective after I'd already started my defense would cast a more suspicious light on me

Gunnar Svensson

But you were pretty dead anyway.

shrugs

Nevon Blair

But everybody suspects Chase as Mafia in every game.

Gunnar Svensson

*shrugs

Mikal Darsha

If so, it would have implicated Roux if Strange said he was detective.

Gunnar Svensson

It's just what I would have done, Strange.

Bran Brychanson

Doesn't like being duped

Gunnar Svensson

The will to survive is strong in me, heh.

Ivy Monaghan

Sven played great. He was extremely competitive.

Bran Brychanson

Can't trust another detective in my life...

Ivy Monaghan

Brought so much life to the game.

Astrid Jane

And loud.

Philippe Breliere

Do not worry, War Machine, you were Mafia once too.

Gunnar Svensson

bows

Sorry I didn't do better for you guys.

JB Nimble

That's why I was so adamant to prove you were Mafia. That was the only way I'd survive

Mikal Darsha

The first thing he did was suddenly point to Strange.

Lee Jordan

Aite mate, Sven was great, he was my buddy in this.

Gunnar Svensson

Heheh

Chase Devineaux

I was floored -- when Sven voted himself out.

Astrid Jane

Haha... Loki and Captain America.

Ivy Monaghan

Yes that...

Astrid Jane

By Asgard.

Sven, what were you thinking?!

Gunnar Svensson

I was thinking hard.

Dan Awesome

Heheheh

Chase Devineaux

Changed my plan completely.

Astrid Jane

That was the most ridiculous thing EVER.

Mayara Cole

Wait, so who's left 'alive'?

JB Nimble

I didn't think until after I was lynched that Chase may have been backing a non-Mafia member

Dan Awesome

I can confirm to all of you that he DID vote himself off.

I even tried to stop him with an "are you sure?"

Astrid Jane

I believe he did.

Gunnar Svensson

I thought about it all morning.

Mayara Cole

So who's still 'alive'?

Astrid Jane

He'd do something like that.

Mayara Cole

Aside from Mafia?

Dan Awesome

Bran, Mikal, Nevon, Roux< Chase Loki Black Widow

Gunnar Svensson

I was doc, I was trying to make sure we still had a chance by staying alive.

JB Nimble

I understand voting for yourself, I don't understand telling everyone, heh

Gunnar Svensson

So I tried so hard to prove my innocence.

Philippe Breliere

Let it be a lesson, Captain.

Gunnar Svensson

I'll do it again.

You know this.

Philippe Breliere

You cannot be dishonest.

Gunnar Svensson

Heheheh

Philippe Breliere

You wanted to prove your own innocence by voting yourself.

Gunnar Svensson

Dishonest?

Philippe Breliere

You are playing a less honest game than the mafia.

Astrid Jane

I have to agree with Philippe.

Gunnar Svensson

It could have worked.

Astrid Jane

You skewed the game, unfairly.

Gunnar Svensson

...

Bran Brychanson

Heh heh.

Dan Awesome

Hey hey, could have worked could not have. But it was a BLAST!

Gunnar Svensson

Sorry for trying.

Philippe Breliere

The Mafia were mafia because of a die roll.

I think they played a brilliant game with the task they were given.

Gunnar Svensson

^That

Philippe Breliere

It may have worked for you, Captain.

But it would have been very, very odd.

R

Gunnar Svensson

Heh

Philippe Breliere

We love you still.

Mikal Darsha

Well... I'm sorry I voted you again Captain. I was just convinced you were evil. Now I know you're just crazy.

pats Captain Good game.

Gunnar Svensson

...

Philippe Breliere

It made me laugh so much.

Gunnar Svensson

I'm... not crazy...

Not really...

...

Astrid Jane

Not my kind of crazy.

Chase Devineaux

heheh Fury.

Bran Brychanson

It's hard to tell lying from crazy

Gunnar Svensson

(I'm so glad you enjoyed Captain, guys.)

Dan Awesome

Yeah, Mikal said he refused to vote Wanda. Voted Captain again.

Nevon Blair

LOL!

Mayara Cole

OMG, I'm still laughing!

Gunnar Svensson

(I had a blast, stupid or not.)

Ivy Monaghan

Ha!

JB Nimble

(Yeah, Cap was great. Only a good character could make me so certain about something incorrect)

Bran Brychanson

(Yeah, it was great)

Chase Devineaux

I had a blast too, thanks for being a sport on all levels.

Ivy Monaghan

This was probably the most stressful game I've ever been in.

But it was a blast.

Lee Jordan

Yes!

So stressed

Astrid Jane

I enjoyed it very much - as said.

Lee Jordan

Much thinking

wow

Kidd Kidman

lol

Nevon Blair

lol, Josh!

Astrid Jane

Bravo for the Mafia.

Mayara Cole

Why did you clear Beast at the end, Josh?

Bran Brychanson

Claps

Mayara Cole

You could have cleared Chase?

Astrid Jane

And thank you, GMs Dan and Eugene.

Lee Jordan

Chase told me mate, he said clear beast or bran

Dan Awesome

bows

Lee Jordan

Everybody already knew those two to be kinda innocent.

gg mates

JB Nimble

Sidenote: I hope I didn't do too badly for my first game?

Dan Awesome

Nah, Strange you were great.

Nevon Blair

You were great!!

Gunnar Svensson

No, Strange, I did badly my first game, heheh.

Ivy Monaghan

You were a sport, Strange. Thanks for sticking with us even with the early vote.

Bran Brychanson

Yeah, great game.

Dan Awesome

Guys, as GM me and Euge were going crazy.

Philippe Brelriere

Yes, to stick with the game is very rewarding as well.

Gunnar Svensson

Yes, thanks for keeping with us after we voted you out.

Chase Devineaux

GMs were going crazy?

Gunnar Svensson

There's nothing personal. We still like you man.

Dan Awesome

First off, CAPTAIN AMERICA kept trying to confuse us GMs.

Gunnar Svensson

Yes! I drove Bag-face insane!!!!

BWAHAHAHA!

Astrid Jane

I hear Harvey Dent.

JB Nimble

Heh, I was still getting eureka moments even last night. Finally came up with a solid alternative theory for who

the Mafia were. Still was wrong, still pegged Chase... 😞

Chase Devineaux

heheh

In every game, I'm a mafia suspect. I think that helped a bit here.

I think people figured if Chase was mafia, he'd stop drinking by now.

Nevon Blair

LOL!

Philippe Breliere

Yes, both the drinking and the spreadsheet was present.

Dan Awesome

Sven started messaging the GMs as the detective or as Mafia to mess us up.

Gunnar Svensson

The spreadsheet.

Heheheh

Dan Awesome

We had to get used to him fast.

Gunnar Svensson

I did indeed.

I'm such a cruel ex-GM!

Dan Awesome

I think my GM skills grew 100 times after dealing with him.

Gunnar Svensson

You're welcome.

Mayara Cole

congrats!

Ivy Monaghan

By the way, good Deadpool Dan.

Gunnar Svensson

Yes!

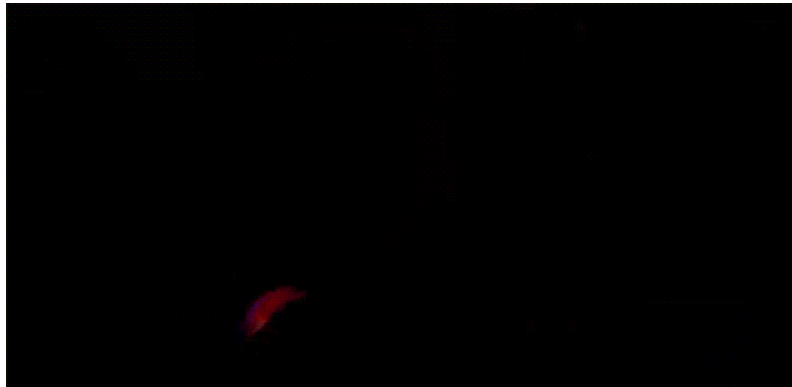

I didn't even know anything about Deadpool, but I'm convinced I've met the real one.

Chase Devineaux

Props to that. 12:50 PM

Very well done, Dan.

Dan Awesome

Kidd Kidman

(Hey all, got to run, it was fun. 😊)

Gunnar Svensson

....

Bran Brychanson

(Later, Kid)

Ivy Monaghan

(bye kid)

Dan Awesome

I gotta say this was a really active game.

Gunnar Svensson

Guys, this was the best so far.
And I'm not even a Marvel fan.

Dan Awesome

I enjoyed the food ordering and even Captain-can't-keep-it-in-his-pants

Gunnar Svensson

I enjoyed every second of it.

...

Mayara Cole

LULZ!

Gunnar Svensson

I mean the game.
Not the pants thing.

Dan Awesome

4 timing was it?

Gunnar Svensson

...

Hey! I got my priorities straight!

It was just Greta at the end.

Hehehehe

Ivy Monaghan

I enjoyed War Machine and Tony's relationship.

Gunnar Svensson

Yeah, Tony pulled a real snow job on Rhodes.

But it was so good.

Bran Brychanson

I knew this friendship would be the death of me...

Heh.

Chase Devineaux

Rhodes knew what he was getting into.

Dan Awesome

Wait so..

Gunnar Svensson

Heheheh

Dan Awesome

why did you all think Loki was Detective?

Chase Devineaux

When I told him Morocco, he was all "What?" but he dealt.

Lee Jordan

Was ZEN

Mayara Cole

lol!

Gunnar Svensson

Because Loki was so obvious, but the real Detective never confronted him.

Only a real detective could be so bold if there was no resistance.

Philippe Breliere

I wondered why the Mafia didn't take him out.

Chase Devineaux

Waste of vote.

Gunnar Svensson

I figured it was because I would protect him.

Chase Devineaux

If he really was detective, we'd just pass him by anyway.

Gunnar Svensson

I figured they would hunt for the doc first.

Me.

Dan Awesome

Okay, while we're at this too. Is there anything we could change to make it better?

Chase Devineaux

Detective Jawa didn't detect a single Mafia member, remember that.

Gunnar Svensson

That's why I told you guys you 'needed me'.

Mayara Cole

But you didn't save anyone.

Astrid Jane

You were yelling as Harvey Dent, too.

Mayara Cole

Astrid Jane

I was getting so deaf.

Gunnar Svensson

No, but there was a chance I could have.

LOL

Harvey Dent.

Nevon Blair

Until you voted yourself out, Capt.

Mayara Cole

giggles

hugs capt

Dan Awesome

Mafia history/

Gunnar Svensson

Hey, no one predicted that vote outcome.

It seemed everyone was set on either Spidey or Wanda.

Nevon Blair

I was sure Mags was mafia! I don't even know why.

Astrid Jane

He has a different play... when he's Mafia.

Chase Devineaux

Like Fury was sure Capt's mafia.

Astrid Jane

Joe.

I knew Kidman wasn't Mafia, too...

Again, different play.

Chase Devineaux

Yeah, they were on my map.

Mayara Cole

You have a map?

JB Nimble

Yeah, my one and only detect was on Wanda because I couldn't get a read on her. I was trying to project my detectiveness into the character. Strange was so very focused on the issue, pressing the urgency...

Chase Devineaux

I have several... all possible scenarios on how this would play out...

Astrid Jane

I was in-character through out.

Philippe Breliere

I did not think Strange was Mafia until after Captain America was voted out.

Mayara Cole

I so love this game

Thanks for the million dollar Tony!

Gunnar Svensson

Greta, I have to apologize to you...

Chase Devineaux

That's playing on my guilt real well, there.

Mayara Cole

You do?

Gunnar Svensson

I was going to save you for the first hit.

But I switched to save Wanda at the very last second.

Astrid Jane

Huh.

Gunnar Svensson

It's on record.

Astrid Jane

Wow. My apologies.

Then I voted you off.

Gunnar Svensson

Heh

Mayara Cole

No worries! 😊

Astrid Jane

laughs

Gunnar Svensson

The trifecta!

Chase Devineaux

Heheh

JB Nimble

Man, if she hadn't been the first hit, I wouldn't have started suspecting Cap, which wouldn't have led me to Chase...

Chase Devineaux

A little luck goes a long way here.

JB Nimble

But primarily I wouldn't have suspected Cap.

Dan Awesome

Quick guys, ideas for the next game?

Philippe Breliere

Thinks shall we reprise anything?

Dan Awesome

We'll likely gather popular opinions and vote.

Astrid Jane

There are still many universes out there to explore.

Gunnar Svensson

(One last thing, I'd like to thank all you GMs for stepping up.)

(I really appreciate getting a chance to play.)

(Had a blast.)

Dan Awesome

(Either me or Euge will be stepping down and playing next round)

Nevon Blair

I'm ready to help GM next game, guys!

JB Nimble

I have the same suggestion as last time. Favorite detectives/criminals, both fictional and real.

Astrid Jane

Go for it, Nevon!

Nevon Blair

Dan, you wanna GM with me?

Dan Awesome

(Will either be me or Euge or Sven GMing with Nev I think)

(I think I've gotta step down 2 games in a row is too long)

Nevon Blair

Euge then

Gunnar Svensson

(You're telling me, man.)

(Was getting boring being unkillable. 😊)

Dan Awesome

(you guys, I love you all but man... I get 6 hours of sleep)

Gunnar Svensson

(I had to... you know... experience the thrill of voting myself out.)

Dan Awesome

(LOL)

Chase Devineaux

Maybe you need 3 GMs somehow.

(heheh, Sven)

Astrid Jane

Good night, Danny!

You were great. 😊

Gunnar Svensson

3 GMs would decrease the player numbers too much.

'Night Bag-face.

Dan Awesome

(not going.)

*just saying you guys are a handful

I had my 6 hours.

Astrid Jane

And you're just awful.

Tricking us like that.

Gunnar Svensson

Ha!

Dan Awesome

heheh

Gunnar Svensson

He does that.

Philippe Breliere

It is the only time he can do it, I believe.

Gunnar Svensson

But I did it to him too, so it's fair.

JB Nimble

(gtg, ttyl)

Gunnar Svensson

(Take care, Jack! Hope to see you next game!)

Astrid Jane

waves to Sorcerer

Ivy Monaghan

(take care Jack)

Dan Awesome

waves

Move to NG guys?

Chase Devineaux

To NGs.

Ivy Monaghan

Looks like that time. After party!

Astrid Jane

Heather's there. She needs to be hugged.

Nevon Blair

After party!!

Mayara Cole

After partay!!!

Astrid Jane

usurps Quinjet when no one looks

Lee Jordan

AP!

Dan Awesome

grabs the booze and his 1 mil

Chase Devineaux

...

Gunnar Svensson
