Gary Kincaid doing a retreat, when he finishes that, he will be able to firm down possibly May for Steps workshop and April May for Chair workshop.

We prefer 90 days to be able to chair meetings.

Mitzi wants to present a tutorial (cheat sheet) from New York....a "how to" guide to chairing online meeting. NYC online meetings are held differently than HC.

Linda wants to review doc before voting.

Michael wants a requirement of training for chair-people.

Linda disagrees with adding the sponsor/sponsee text to the meeting reading.

Linda motions to table vote to Steering Committee.

Michael volunteers to be trainer.

Ask-It Basket:

Linda says too much discussion on religion in meetings. Michael says before and after meetings as well. Motion to Add to training.
