

Map greepe_map

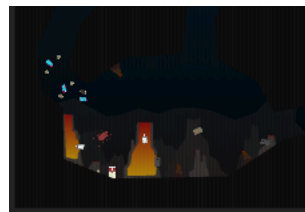

BIOME / SIZE / IDEAS

The greepe_map is a map of 875 by 100. This map is the mixture of my imagination with the ffa_official, ffa_morty, birdymap, nac_ffa, sushuimap_v1, doctor_ffa ... The biomes are:

ARCTIC / DEEP ARCTIC

The arctic, is inspired by nac_ffa with the old sushuimap_v1. The volcano is made with deep ground and the sky in the background (color: 2A2C2C). The arctic sky is FF68B3 and FFAAFD. the water of the volcano under the water is AB0000 and FFC200. shallow / deep water is 00304C and 000000

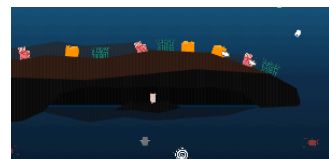

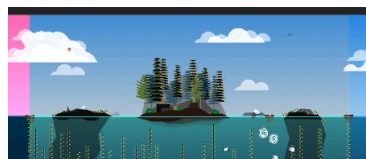

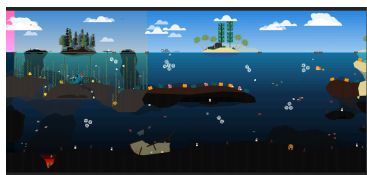

OCEAN / KELP FOREST / DEEP

The kelp forest, based on the old ffa_morty, and I also placed a forest on the island centering the biome the color of the sky is 418ED6 and AFC4D4. and the water color is 358F92 and 123250.

The deep contains a shipwrecked birdymap ship (it is so beautiful), it has a volcano that is beautiful: \ the color of the water is 123250 and 000000.

The ocean is based on nac_ffa with ffa_official, the sky is 2887E1 and 9CC9EF. The water is 1773A1 and 123250.

REEF / DEEP REEF

the reef is based on nac_ffa and doctor_ffa. Reef / deep is based on ffa_morty. the sky is the same as the ocean. the water is 0D9BC0 and 123250.

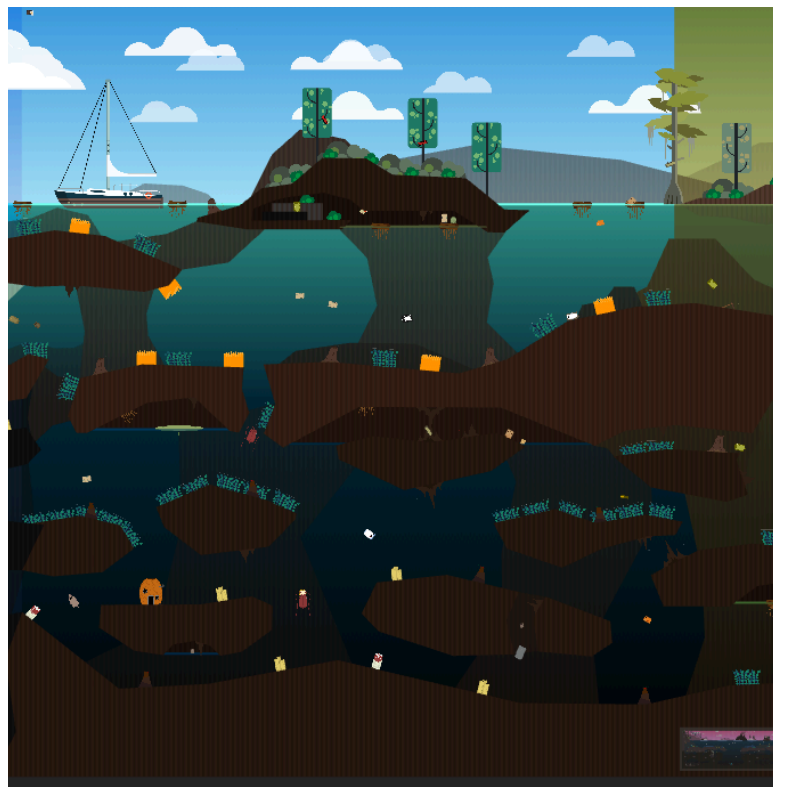

the deep reef is based on me: \, 100% my idea.

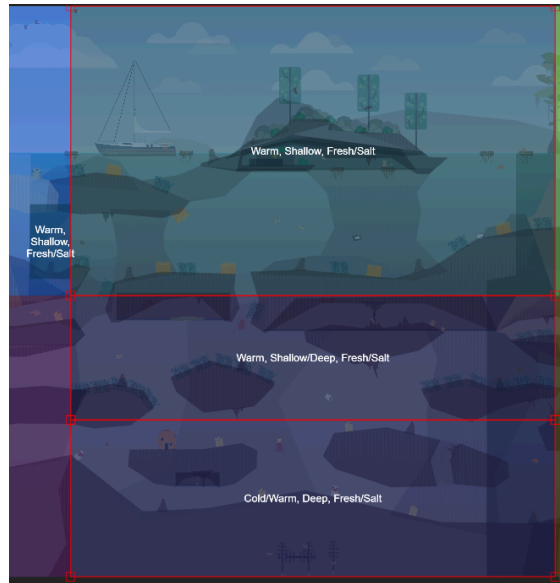

ESTUARY / DEEP ESTUARY

the middle island is based on the ffa_official and doctor_ffa. the decoration is based on ffa_official and nac_ffa. the sky color is 3B9ADE and A2DFF6. the water color is 339B8F and 032736, the deep color is 032736 and 000000.

SWAMP / DEEP SWAMP

the two islands were kind of strange in the middle, it was two, but I separated, the waterfall is based on the ffa_official, the shipwreck is 100% my ideas. the sky colors are 69803D and B4BB74. The water color is 4B5D36 and 000100.
