

SL- Imagine this

Good Morning Pitusa Furniture

Imagine

Your social media engagement SKYROCKETS going from averaging like 7 likes per post to HUNDREDS

Your web traffic enhances by 4X

Your conversion rates boost by 2X more resulting in more sales, and more revenue.

Now it's time to stop imagining, Let's get to work to make this a reality

I found your brand from Instagram when some of your posts on my explore page popped up, and thought the handcrafted look your products have is very unique and needs to reach larger audiences.

That's where I come in

I as a strategic marketing partner developed a personalized plan that you could immediately implement to boost your CR and Web Traffic.

Here's the plan

1. Implement email marketing to capitalize on the power of storytelling and persuasive language to create movies in the reader's mind convincing themselves to buy your product
2. Implementing the key Instagram secrets to go from 7 likes per post to HUNDREDS
3. Implementing the almost spooky persuasion secrets to get your customers more confident in buying your products.
4. TOP SECRET INFO
5. TOP SECRET INFO

Let's talk on how we can go more in depth to this topic of transforming Pitusa into a leader in the industry.
