Nate:

Congrats to Craig of Canada for getting married!

Hydralisk:

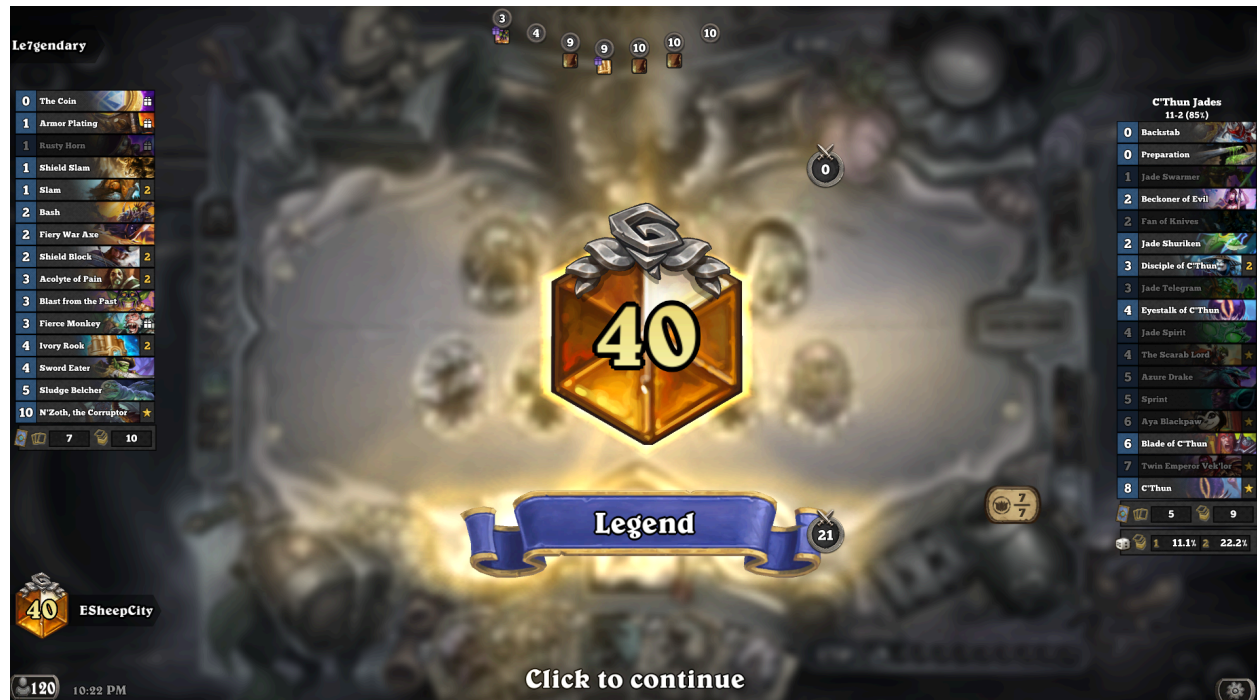

Still jammin twist games. Stuck in Diamond. So many discolocks - they must be working!

Having a BLAST with Rumble still. My armies are leveling up nicely. I have LOTS to do in that game!! AND in Hearthstone! So glad I bought a phone that can run games!

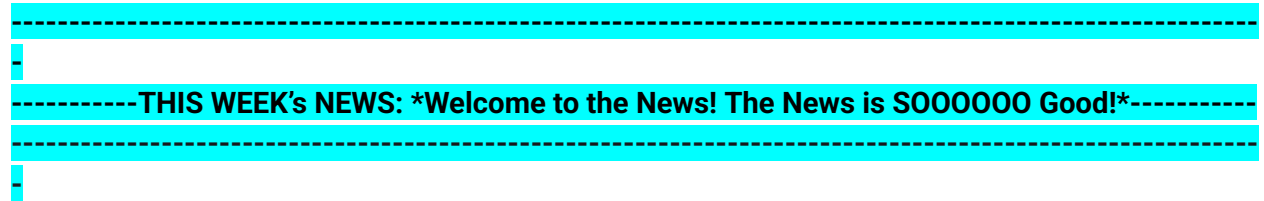

IRL My wife and I are on a hiking/walking kick using the AllTrails app. We have soooo many amazing trails living in a mountainous region beside the ocean. We are starting to explore them!

Mass Pack Opening

Farewell to Fireside Gatherings

Introducing Mass Pack Opening: The New Way to Open Your Pre-Purchase Bundles

Blizzard Entertainment 09/06/2023

We're making some changes to the current expansion Pre-Release Weekend and Fireside Gatherings system ahead of our next expansion announcement, reveal period, and launch.

A Fond Farewell to Fireside Gatherings

First, we've made the difficult decision to discontinue the Fireside Gatherings program as we re-align our focus towards features and programs that can serve more of our players throughout the world.

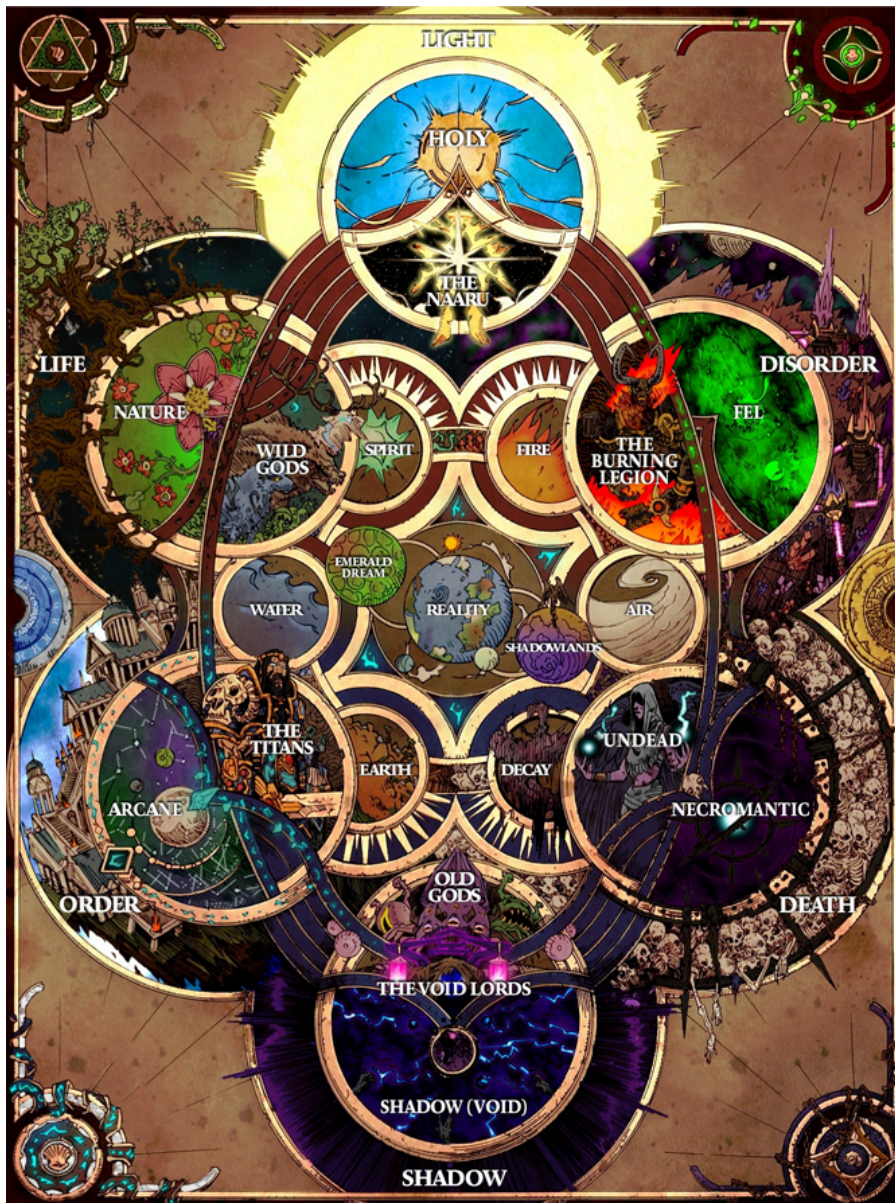

As part of this shift, the Fireside Gatherings website, servers, and in-game buttons will be shut down and removed before the next expansion. Some of these changes have already gone into effect; others are scheduled over the next few patches. As of today, the public Fireside Gatherings website has been shut down. This means you will no longer be able to create public or private Fireside Gatherings, and there are no Fireside Gathering Pre-Release Weekend plans for future expansions.
