Learning Objective: 10.9.2: Explain the world impact of the Cold War with the free world on one side and Soviet client states on the other, including competition for influence in such places as Egypt, the Congo, Vietnam, and Chile.

Learning Objective: 10.9.2: Explain the world impact of the Cold War with the free world on one side and Soviet client states on the other, including competition for influence in such places as Egypt, the Congo, Vietnam, and Chile.

Which colonies became independent before the end of World War II in 1945?

Which colonies became independent between 1945 and 1950?

Which nations had anti-colonial revolts or civil wars?

When you are done, pick up a GDP packet with your partner. Read and answer the questions and then create a poster comparing the statistics from two blue countries, two red countries, and two green countries. The poster should explain how the different data can be used to measure how a country is doing. Be sure to provide the data on GDP Per Capita, Passenger cars, population growth rate, mortality rate of children under 5, and number of children in primary and secondary school for all 6 countries. You also need to explain what each item is.
