

1. *what is frequency? give its significance?*
2. *define assessment?*
3. *difference between norm and range?*
4. *what is mean?*
5. *what is percentage?*
6. *how can a teacher improve feedback?*
7. *What are rubrics? its characteristics?*
8. *what is synthesis, give its verbs and words.... ?*
9. *two characteristics of short answer?*
10. *two types of graphs?*
11. *principals of displaying data?*
12. *requirements of rubrics?*
13. *as a teacher how will you how will you make rubrics?*
14. *What are assessment loops?*
2. *10 MCQ's*
- 3.
4. *16 Subjective Question*
- 5.
6. *1.Equality and equity*
- 7.
8. *2. explain unfairness how the type of Business*
- 9.
10. *3. Question of application level?*
- 11.
12. *4. Significance of frequency*
- 13.
14. *5.Significance of Mode*
- 15.
16. *6. Significance of analyses distractors*
- 17.
18. *7. Requirement of Rubrics*
- 19.
20. *8. Three step for developing Rubrics*
- 21.
22. *9. Link between instruction and assessment*
- 23.
24. *10. Explain Application level of bloom taxonomy*
- 25.
26. *11. define Standard deviation*
- 27.
28. *12. Principle of Displaying Data ? marks 5 (out of grid)*
- 29.
30. *13. what is percentage % ?*
- 31.
32. *14. Clarity in Question?*
- 33.
34. *15. Significance of Mean*
- 35.
36. *16. Forgot*
37. **inal Paper of EDU 405 2015**
Q. What is feedback ? 2 marks

- Q. How is feedback become source of motivation? 3 marks**
- Q. What are the example Question of Application level ? 2 marks**
- Q. Briefly describe analysis level with example question? 5 marks**
- Q. What is distractor? 2 marks**
- Q. What is Discrimination index ? 5 marks**
- Q. What is difference between mean and percentage? 3 marks**
- Q. Explain significance of Mean? 5 marks**
- Q. What is the importance of Standard deviation? 5 marks**
- Q. Explain Distractor analysis? 3 marks**
- Q. What is mean?**
- Q. Write a note on formative assessment ? 5 marks**
- Q. Requirements of Rubrics? 5 marks**
- Q. Characteristics of yes/no questions? 3 marks**
- Q. Define Graph? 2 marks**
- Q. What is Pie graph? 3 marks (last two question are out of syllabus)**

38. edu 405 today paper total question 26, 10 only mcqs.

What is portfolio management, significance of range, significance of range, why the fill in the blanks are important. difference between descriptive and feedback, explain authentic assessment in detail. what is bloom's taxonomy, calculate the mode, differentiate between mode and median, what is discrete. What is meant by mode, significance of frequency, explain box graph with detail; Define graph example with two

39. Edu405

1. Diff between mean and percentage

40.

41. 2. Mode

42.

43. 3. Significance of range

44.

45. 4. Significance of mode

46.

47. 5. Level of bloom's taxonomy

48.

49. 6. Synthesis level of objectives

50.

51. 7. Application level of objectives

52.

53. 8. Mean

54.

55. 9. Rubrics

56.

57. 10. Distractor

58.

59. 11. Analysis objective

60.

61. 12. Negative and positive feedback

62. EDU405 Classroom Assessment Current Final Term 28 August 2015!

63. Distractor analysis

What is percent

What is mode

Difference between range and mode

Example of mode

Example question of evaluation level

Objectives of evaluation level

Box graph

What is measurement

Describe evaluation level and its objectives

Developing rubrics

Write two types of graphs

Key elements of assessment

Discrimination index

64.
