

Privacy Policy for Tikyo

Last Updated: May 08, 2026

Tikyo ("we," "our," or "us") is committed to protecting your privacy. This Privacy Policy explains how we collect, use, and disclose information when you use our mobile application, Tikyo (the "App").

1. Information Collection and Use

Tikyo is a utility application designed to help users download and play media content.

-

Personal Data: We do not require users to create an account, nor do we manually collect personal information such as your name, email address, or phone number.

-

Non-Personal Data: Like most mobile apps, we may collect non-personal information such as device model, OS version, and technical logs to improve app performance.

2. Third-Party Services (Advertising)

This App uses third-party services that may collect information used to identify you. We use Google AdMob to display advertisements. AdMob may collect:

-

Advertising IDs (e.g., Google Advertising ID).

-

Approximate location data for ad targeting.

-

Technical device information for analytics.

For more information, please visit [Google's Privacy & Terms](#).

3. Media and Storage

Tikyo requires access to your device's storage to save downloaded media files (videos, audio, and images).

-

Files are stored locally on your device.

-

We do not upload your downloaded files to any external servers.

-

The App includes an internal player to view/listen to your local files.

4. User Responsibility & Copyright

-

Tikyo is intended for personal use only.

-

Users are solely responsible for any intellectual property violations resulting from the unauthorized downloading or sharing of copyrighted content.

-

We are not affiliated with, endorsed, or sponsored by any third-party social media platforms.

5. Children's Privacy

Our App does not address anyone under the age of 13. We do not knowingly collect personally identifiable information from children. If we discover that a child under 13 has provided us with personal information, we immediately delete this from our servers (if any).

6. Data Deletion

Since we do not store your data on our servers, you can delete all app-related information simply by:

- 1.

Clearing the App cache/data in your Android settings.

2.

Deleting the downloaded files from your device's "Download" folder.

3.

Uninstalling the App.

7. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. You are advised to review this page periodically for any changes. Changes are effective immediately after they are posted on this page.
