Unitarian Church – Schematic ideas

**Option A - (4,556 sf) – Floor Plan**

Covered Entry with vestibule on center to Meeting Hall. Oriented east- west.  
Entry Vestibule could have sloped ceilings with trusses that mimic the covered entry.  
Sanctuary to be a large square representing equality – seats could be arranged in a variety of ways.  
Sanctuary could open to Social Hall Space. –  
Sanctuary/Meeting Hall shall have views of south and west.  
Storage shall be in corners of the sanctuary/meeting hall.  
Social Hall could be multi-purposed as a classroom or overflow seating.  
Social Hall shall be used for reception/coffee hour and opens to Patio.  
Kitchen shall be adjacent to social hall and have access for side entry on main level.  
Pastor Office and Admin with storage shall be with separate exit/entry.  
Classrooms and Nursery shall be in basement sanctuary/meeting hall.

**Elevation**

Timber Frame Entry with gable roof or hip roof.  
Center Link with glass  
Office/Kitchen wing – could have roof trusses.

**Option B - (4,500 sf) – First Floor Plan**

Covered Entry to Vestibule and Gathering Space.  
Sanctuary to be a large square representing equality – seats could be arranged in a variety of ways.  
Sanctuary/Meeting Hall could open to Vestibule/Entry Space  
Sanctuary/Meeting Hall shall have views of south and east- orientated facing south.  
Kitchen shall be adjacent to gathering space and have access for side entry on main level.  
Pastor Office and Admin with storage shall be located on west side with separate entry/exit.  
Pastor Office has its own PR.  
Bathrooms located near kitchen and stair.

**Optional Second floor Plan – (1,600 sf)**

Stair to meeting rooms/classrooms.

**Elevation**

Timber Frame Entry with shed roof.  
South facing shed roof could be large timbers. – ability to have solar panels  
Another elevation option indicates hip roof with clerestory. (Similar to Wilson Chapel)

**Option C - (+/- 5,800 sf – like Option A but larger version) – First Floor Plan**

Covered Entry to Vestibule.  
Vestibule shall have coat storage, stairs, and elevator to basement.  
Vestibule shall be oriented east-west on axis to center of Sanctuary.  
Sanctuary to be a large square representing equality – seats could be arranged in a variety of ways.  
Sanctuary/Meeting Hall could open to “Social Hall” - to be used for coffee, overflow, and possible classrooms.  
Sanctuary/Meeting Hall shall have views of south and east.  
Storage shall be in the corners of sanctuary.  
Kitchen shall be adjacent to social hall and have access for side entry on main level.  
Pastor Office and Admin with storage shall be located on north side with separate entry/exit.  
Bathrooms located off the vestibule.  
Music Room located on the Main level.  
Additional classrooms to be in basement.
