2019 Online Interprovincials

If the IGA had stadiums, this event would make us more popular than rugby. Unfortunately we don't, and it will be played out on KGS or OGS instead.

There are two formats in which we could bring this tournament back to life.

Knockout.

The simplest format. Teams can extend beyond 3 players, with "who won on board 1" being the tiebreaker..

Round Robin

All play all event. 3 man teams play a match. (Possible to have an Exiles team if there is a lot of interest)

General Rules

- No cheating.
- 45 minutes with 3 x 20 seconds (Medium pace)
- 6.5 komi, Japanese Rules.
- Handicap is 1 stone for every 250 rating points.
- Board order is by EGF rating as of start of 2019.
- Qualification to play for a province is
 - Born there, or
 - Lives there
