

ACES Video Project Nov. 2018- Present

Purpose: To make our [Resolution on Equity](#) engaging and accessible to students and to render the resolution not as another sitting document but as an action that reminds our community of the continuous work needed to infuse equity in every part of our institution.

Use: ACES website, Orientations, Classroom Discussions, Sharing on Canvas/My.smccd email

Script Writers: Based on Equity Resolution and informed by ACES Committee Members Paul Naas drafted script

Cinematographers: Media students will be paid and get extra credit for filming and editing as well as for giving input into the script.

Actors: Diverse faculty, staff, and administrators from different divisions and departments.

Setting: Different areas of the campus representing various aspects of the student experience such as: Admissions, Financial Aid, buildings/areas representing STEM, Humanities and Social Sciences, Business and Workforce, Learning Center, Library, Grove, Bookstore, or classrooms

Time: If we really want to get people to see it, the video should not be more than 2 minutes

Content: Diverse faculty, staff, and administrators from different divisions and departments speak key parts of the resolution focusing on the themes of celebrating diversity and opposing intolerance and bias.

Script: [Video Script Created by Paul Naas with input from ACES](#)
