KEVIN.MURPHY GLOSS TREATMENT COLOR + HAIRCUT

\$99

As a multi-functional demi-permanent service, COLOR.ME GLOSS will color and treat your hair, providing nourished, strengthened, and repaired hair fibers for thicker, healthier hair. It also improves vitality and provides intensive moisture to restore hair. The result? Beautiful, luminous hair color with improved health that looks softer, and shinier! This is a completely customizable color that can be used as a clear gloss or to add tones to blondes or richness to darker shades. It is an all over application and can be used over highlighted hair as well. This service includes a haircut and basic blow-dry. Waves or Curls can be added for \$20
