

TC Roberson Sign Out Policy

TC Roberson High School is legally responsible for every student from the time they arrive on campus in the morning until they leave the campus in the afternoon.

Parents may request that their daughter/son sign out during the school day for a number of legitimate reasons. A written note from the parent is required for anyone signing out with the exception of students involved in courses that require them to leave campus. Parents may also send an email to ask.tcrhs@bcsemail.org to provide permission for their student to sign out. **Call in permission from parents will not be allowed.**

Students are allowed to sign out with a parents note up to (3) times during the semester. On the 4th time, parents must come to the school and sign the student out.
