Procedures & Expectations

MORNING DROP OFF begins at 9:30 and assembly starts at 9:45 in sha'Allah. Parents are requested to drop off their children at the front of the building and our staff will guide students to the Musallah area for assembly in sha' Allah. Parents do not have to come inside the building for drop off as our staff will be at the front door to supervise students. If students arrive after 10:10, they need to go to the office first to get a tardy pass before they go to the classroom. Parents should not be walking their child to the classrooms when they are late.

MORNING ASSEMBLY. We start our day with playing "99 Names of Allah SWT audio" which students love to listen to as they gather in the Musallah and wait for the Assembly to begin at 9:45. Our first Assembly of every month is run by Br. Imam Azfar which is a great opportunity for the students to get to know our Imam and benefit from his wisdom and knowledge. We also welcome parents and leaders from our own community to be the speakers for our Assembly. We want our students to get to know our dedicated IFN leaders and be inspired by their words of wisdom.

TARDY PROCEDURES: We encourage all parents to drop their children between 9:30 - 9:45 as Assembly starts at 9:45 sharp and ends by 9:55. It is a great way for students to start their day in sha Allah. Classes start at 10:00 AM and any students who arrive after 10:10, need to check in at the office to get a Tardy pass. Parents are requested to bring their child to the office and NOT go straight to the classroom because it disrupts the

learning of other students. If your child is late, they need to check in at the office to get a Tardy pass and one of our office staff will make sure they join their class.

DISMISSAL PROCEDURES: Dismissal is after Dhuhr Salah at 1:30. Cones are placed in the front of the building to block the area for safety. Parents are requested to park their car in the parking lot and come to the outside of the front entrance. 4th through 8th grade students stand outside under staff supervision in designated areas and can leave when parents come to pick. Younger students in grades Pre-K through 3rd grade line up inside the lobby area and are escorted to parents as they come to pick. Please make sure to pick your children on time before 1:40 as our staff leave after 1:45 and we do not have enough staff to supervise students after 1:45. For any students who are not picked on time, parents have to come to the office and pick them from the office. We appreciate your cooperation in making sure dismissal is completed efficiently and safely for all students.

LOST & FOUND PROCEDURES: Teachers try their best to remind students to take their belongings. However, some students are forgetting their jackets, materials and belongings. We have a Lost and Found Box in the Sunday School Office. If your child has lost some of their belongings, please be sure to check the Lost and Found Box which is kept in the Lobby at Dismissal Time. We dispose of/donate items that are not claimed for some time.

SALAH PROCEDURES: Dhuhr Salah is part of the Sunday School curriculum. We teach all students to respectfully pray behind the Imam and participate in "tasbeeh" and "dua" at the end. Parents who are in the upstairs musalla are requested to please go downstairs and wait in the lobby after Salah is done. TA's will bring all students down when they are done. We do not want the upstairs or lobby area to get too crowded. We appreciate your cooperation as we try to make the dismissal process safe for everyone.

LUNCH PROCEDURES: All students get lunch at Sunday School (pizza and juice) and it is included in the Sunday School fee. Students can bring lunch from home if they want to but there will be no reduction in fee.

BATHROOM PROCEDURES: Students in grades 4th - 8th use a bathroom pass for bathroom break during any class period. Only 1 student at a time is allowed from a class to go for bathroom break. Students use a sign in and sign out sheet for bathroom break during class time and return to class promptly. We have also increased supervision for students when they go to the bathroom. We request our parents to make sure their children are aware of the following Behavior Expectations for Appropriate Bathroom Use.

- Respect property
- Do not bring food in Bathroom
- Observe time limits & return promptly
- Flush toilet after use
- Use appropriate amount of toilet paper, soap and water
- Clean up after yourself
- Throw garbage in trash
- Keep Hands, feet & objects to self
- Wash hands before leaving
- Respect others' privacy
- Look behind you to make sure the bathroom is the way it looked when you came in.

Remember: Bathroom is NOT a place to play or socialize

RECESS SAFETY: In order to ensure the safety of all students at recess, we encourage all students to follow these Behavior Expectations for Recess:

- Use appropriate language
- Use equipment safely
- Keep hands, feet and belongings to self
- Wear appropriate clothing for weather
- Follow playground rules
- Inform recess supervisor of problems
- Stay in the assigned area (e.g. stay in green zone, away from road)
- Be inclusive to peers.
- Listen to the supervisors and follow directions.
- Line up in single file when recess is over and walk back to class

INDOOR RECESS Policy: In case of inclement weather, students have indoor recess inside their classroom. Students are NOT allowed to play with a ball inside the classroom because we have limited space and there is a chance of students getting hurt or property getting damaged. We have made this rule to ensure the safety of our students and staff.

CELL PHONE Policy: At IFN Sunday school, students are NOT allowed to use cell phone in the classroom during instructional time and all cell phones (if any) will be stored in "Cell Phone Boxes" for the duration of the class time and can only be used during breaks with teacher permission, at the end of class and during lunch/recess.

GOOGLE CLASSROOMS: Our teachers use Google Classrooms as the home to school connection to post announcements related to homework or classwork, as well as grading of student's assignments etc. Please note that students have to be logged into their own IFN domain email accounts to access google classroom. All returning students continue to use their existing IFN email accounts from previous years. I have attached Step by Step directions [HERE](#) which might be helpful if you need help. Please feel free to email us if you have additional questions.

Disciplinary Procedures:

Attention and consistency are our guide for discipline at the IFN Sunday School. A conscious effort in resolving any substantial or ongoing problem will be taken immediately within the classroom setting by the teacher.

The disciplinary procedure for any student is handled on a case-by-case basis. Based on the situation, any of the following guidelines can be applied:

- Referral to administration
- phone call or email home
- Apology or other “fix it” behaviors

- Lunch/Recess detention
- In school suspension
- Temporary Out of school suspension
- Meeting with parents

For the safety of all, students involved in serious offenses (including repeated refusal to follow the instructions of the teacher, verbal aggression towards the teachers and/or students) can warrant a temporary suspension from the IFN Sunday School. It is our goal to keep IFN Sunday School welcoming for all who attend and to engage all in a positive and meaningful manner.

Unsafe behaviors that pose a threat to safety of students/staff/school will result in an office discipline referral and disciplinary consequences. These unsafe behaviors include but are not limited to the following:

- Physical Aggression (hitting, pushing, fighting, altercation, tackling, wrestling etc)
- Verbal Aggression towards peers/staff
- Bullying/ Harassment
- Destruction of property

INCENTIVES FOR STUDENTS: At IFN Sunday school, we believe in PBS (positive behavior system of supports) and have several school-wide incentives for students in order to motivate them to follow the behavior expectations at Sunday school. We have implemented a token economy system such that our students can earn "RACE to Jannah" coupons that can be redeemed for various prizes and rewards from teachers and/or administration. Students can earn "Race to Jannah" coupons, when they are "caught doing good" by their teachers, TA's and office staff in their classrooms, hallways, assemblies, salah, lunch/recess etc. Students write their name and grade on these coupons and put them in a jar that is kept in the men's Musallah. Student names are drawn from this jar for raffle prizes etc. After every one or two months, teachers from each grade level nominate 1-2 students as "Students of the month" for demonstrating excellence in their behavior or overall performance at Sunday School. Please continue to encourage students to demonstrate expected behaviors throughout their school day at IFN during class, recess, lunch, salah etc.

At IFN Sunday School, we recognize the positive actions of students, good behavior and academic performance in many ways, such as:

- Verbal praise
- Positive notes to parents
- Student of the Month Certificates
- Race to Jannah Coupons that can be redeemed for small prizes

Dress Code Guidelines:

All students and staff of IFN Sunday School are required to dress according to Islamic practices. Students who are NOT in compliance with the dress code will be informed of their violation and a note will be sent to the parents. Parents are encouraged to assist their children by providing appropriate clothing that fits the dress code.
