Privacy Policy for Clotho

Introduction
This Privacy Policy explains how your personal information is collected, used, and shared when you use our app ("Clotho"). We are committed to protecting your privacy and ensuring the security of your data. By using the App, you consent to the practices described in this Privacy Policy.

Information We Collect

- **Camera Access:** The App requires access to your device's camera to scan clothing tags. We do not store or transmit any images captured by the camera.

How We Use Your Information

- **Tag Scanning:** The camera access is solely used to scan clothing tags within the App. The scanned information is processed locally on your device and is not transmitted or stored elsewhere.

Data Security

- **Local Storage:** All data collected by the App is stored locally on your device. We do not transmit or store any data on external servers.

Children's Privacy
The App is not intended for use by children under the age of 13. We do not knowingly collect personal information from children under 13. If we become aware that we have collected personal information from a child under 13, we will take steps to delete such information from our records.

Changes to this Privacy Policy
We may update this Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy within the App. You are advised to review this Privacy Policy periodically for any changes.
