

~KING OF LOVE~

*Wade started+q eq q writes her forgiveness in the sand,
Bids the blind man in Him confide.*

*Where other gods demand perfection
This King of Love accepts the flawed,
Opes His arms to the lost and weary,
To all those who with sin are fraught.*

*Who could not love such a wondrous King,
Fairest of all below, above?
It matters not how hurt or hurting,
Come, come now, to this King of Love.*
