

## **TABLETS**

**How long should members keep tablets borrowed & under what circumstances?**

**Sandister says:**

**Enock says:**

**Rex says:**

**Oral says:**

**Ato says:**

**Klenam: members should keep tablets for as long as they need to but probably sign them in at least every 5 days just to ensure accurate use.**

**Mr whoever says:**

**What Google Accounts should be allowed on tablets. Personal or a set account for group?**

**Sandister says:**

**Enock says: A set account should be maintained for the group in order to ensure things are in order. With the required applications set all the user needs to do is to contribute and other stuffs related to our goal using the tablet.**

**Rex says:**

**Oral says:**

**Ato says:**

**Klenam says: i guess setting personalized group accounts works best in these circumstances.**

**Mr whoever says:**

**Which apps should be allowed on tablet?**

**Sandister says:**

**Enock says: Wikimedia Commons, Kiwix, Social Media App, Google or Open Street maps,**

**Rex says:**

**Oral says:**

**Ato says:**

**Klenam says: Wikipedia**

**Mr whoever says:**

**To what extent can members use tablet for personal activities?**

**Sandister says:**

**Enock says:**

**Rex says:**

**Oral says:**

**Ato says:**

**Klenam: as far as getting acquainted with information goes ie print to visual media**

**Mr whoever says:**
