

LAKE FOREST SCHOOL DISTRICT 67

School Health Requirements

The health and safety of our students, staff, and families are top priorities for our school nurses. It is essential that students re-enter school on day one (August 27th), fully protected by completed exams and up-to-date immunizations.

[2025-26 IL Health Requirements by Grade](#)

In preparation for Fall, please review [State of Illinois Health Requirements](#) and work with your health care provider to schedule your child's health appointments safely and early. If your child missed any doses of required immunizations during the past year, it is especially important that you contact your health care provider as soon as possible to plan administration of all required vaccines before school starts.

[Certificate of Child Health Examination Form](#)

A physical exam must be completed within one year prior to preschool, kindergarten, sixth grade, and for new students entering the District from another state or country. The physical exam form with a complete immunization record, must be signed and dated by your healthcare provider. All sections on the Certificate of Health Examination are to be completed, front and back. Please note that the **Health History section is to be completed, signed, and dated by the parent.**

Certificate of Child Health Examination forms are due in the school office by the first day of school. No child will be permitted to attend school after October 14th unless they meet these health requirements.

[Dental Examination Form](#)

Children entering kindergarten, second, and sixth grade must have a dental examination. The dental examination must be completed within 18 months prior to the May 15th deadline of each year. **Proof of Dental Examination is due no later than May 15.**

[Eye Exam Form](#)

The state of Illinois requires proof of an eye examination by an optometrist or physician who provides complete eye examinations for kindergarten students, or for any student enrolling in an Illinois school for the first time. **An Eye Examination Report must be submitted to the school no later than October 14th and must have been completed within one year prior to that date.**

Completed health forms can be sent electronically to your child's school health form email provided below before August 27th. Emailed copies must be correctly sized and legible. Forms also can be mailed.
