

Bill Assignment #7 - Group Google Site

Description:

In your final bill assignment, your issue group must create a Google site that will be used during your speech at Committee Hearings. Your goal is to construct a creative website that summarizes the change your bill is attempting to make. This should serve as a supplement to your speech, not a replacement for it. Each sitting committeeman/woman will have access to this site during your bill presentation. Be prepared or be ready to get roasted. Share DOCUMENTS BEFORE YOU PUT THEM ON THE WEBSITE.

Rubric

Appropriate picture and title

2 to 3 sentence synopsis at the top of your page

List of Primary Sponsors

List of Secondary Sponsors

Brief description of how your bill will be implemented and why the committee should vote yes

Embed the Group Position Paper and Works Cited

Embed the Bill

List of commonly asked questions with answers

SUBMISSION

Publish your google site to your Legislative Semester **Committee** Classroom page. As other Issue Groups post their site to GC, create/contribute to the discussion thread below the post to provide feedback to the primary sponsors. Be sure to keep the discourse respectful.
