

Car Wash

The Swim Team has had a long tradition of sponsoring car washes to help raise funds. It is a fun way to bond and earn money towards the team trip. Students sign up for a 2 hour slot so help with holding signs, washing, drying and collecting funds. Both the boys and the girls swim team share these fundraisers.

Historically, the car washes were held in the summer months but have been moved to May and September so more students are available to participate. Parent volunteers are also needed to help chaperone the events. We typically require a minimum of 4 students per slot in order to host a car wash, although it works much better with a larger group.

Recently, Dan's Penn Auto has generously donated the use of their parking lot and access to water for the event. Dan also is around to help, as he is a former swim parent himself.
