

## Privacy Policy

SmartApteka built the SmartApteka app as a Free app. This SERVICE is provided by SmartApteka at no cost and is intended for use as is.

### Information Collection and Use

- **Camera:** The app requires access to the camera to scan QR codes for family synchronization and to take photos of medication icons/recipes. Photos are stored locally or in your private cloud storage.
- **Personal Data:** We may collect your name and family member names for personalization and medication tracking. This data is synced using Firebase services to ensure access across your devices.
- **Security:** We value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it.

### Changes to This Privacy Policy

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes.
