About

Stephen Fowler who was born in Bristol, and grew up in Cornwall, before leaving to study Illustration at Harrow School of Art, and Central Saint Martins in London is an artist and illustrator specializing in primitive DIY printmaking with both rubber stamps and roller printing technologies. His work is held and exhibited in galleries and museum collections across the UK, Europe, and North America. He has specialized in this work over the past 15 years.

What I Learned about my Partner

How I Feel About My Mentorship

- 1) On Task
- 2) Being present (not distracted)
- 3) Helpful, but not overpowering
