Where are Conferences Located?

Conferences are located in the teacher's classroom. Please enter through the Main Entrance doors on the Jr/SrHS Building.

If you click on the link below, you will be able to see a building map with the teachers' names and room numbers. The majority of JH teacher's classrooms are on the second floor.

What Information Should I Expect to Get From the Teachers?

The purpose of the Parent/Teacher Conference is to inform parents on the academic progress of your child and express any concerns the teacher may have about your child's performance in the classroom. Teachers will discuss your child's academic performance by reviewing their progress report, classroom conduct, and may also discuss any other concerns they have about your child. Please be aware that the conferences are scheduled for 10 minutes, and some of our staff members have a booked schedule both evenings. The Parent/Teacher Conference is not a problem-solving meeting. If you feel that you need to continue discussions beyond the 10 minute appointment in order to problem-solve an issue, please make that request to the teacher, and we will set up an appointment before/after school, or during the teacher's planning period.

We are looking forward to meeting you and sharing the successes that your child has had this school year. If you have any questions, please email Mrs. Llewellyn or Mrs. Birch..
