

MT. PLEASANT HIGH SCHOOL

Daily Bulletin

Good morning Cardinals! This is Kanilea, Sophia, Diana, Kate, and Kayla and this is your daily bulletin for Thursday, May 28th, 2026

PLEDGE OF ALLEGIANCE

BOYS BASKETBALL: All boys interested in playing basketball next year, there is a meeting in Coach Lopez's room 604 after school today

Girls Tennis: If you are interested in playing Girls Tennis in the Fall, there will be an informational meeting on TOday at Lunch in room 202. This will be for new and returning players. Contact Mr. Lobert with any questions ahead of the meeting.

Baseball: MP is planning to join an official High School Summer league starting in June. This is the best way to improve your chances of making the Baseball team next year. If you tried out this year but didn't make the team or were too worried you didn't have the skills to make a Varsity baseball team, this is your chance to improve! The coaches will be focusing on player development in a low pressure league, that features the actual teams we will face next year. Come to room 202 tomorrow at lunch to get more information and secure your spot on the summer team. Contact Mr. Lobert for more information.
