

## Liaison Report – PlatCom, BRPP, ARC

**Report Date:** 12/19/21 **Liaison Name:** Chris Stella

### BRPP

**Last meeting/task**

N/A

**Next meeting/task**

N/A

**Glows/Grows**

**Urgent Issues**

No updates. There quite literally must be some communication going on outside of the official list. Haven't seen anything from them in months beyond Wesson's resignation.

### PlatCom

**Last meeting/task**

N/A (purportedly doesn't meet—This should change *very* soon)

**Next meeting/task**

Tasks: Currently working on shifting proposals by kind to shift into different working groups

**Glows/Grows**

Things are looking good. AJ and Thomas seem to be helming proposal work and organization well.

**Urgent Issues**

None.

### ARC

**Last meeting/task**

N/A (allegedly doesn't meet)

**Next meeting/task**

Likely to edit platform proposals, if returned. Trying to find out if there's any feedback so far on ARC proposals.

**Glows/Grows**

They're really invested in their proposals, and the proposals are relatively solid by my estimation.

**Urgent Issues**

N/A, smooth sailing.
