

Discover the Heartfelt Longing of God just for You☀️

...Hey sis, have you ever wondered how much God desires to be close to you? How much He yearns for a deep and intimate relationship with you? I urge you to take a moment and truly grasp the magnitude of this truth: God is longing for you.

In our latest video, aptly titled "**God is longing and hurting for you**," we embark on a profound journey to explore the depths of God's heart. When I first watched this video, I couldn't help but be moved to tears as I witnessed the overwhelming love that radiates from our Creator.

This video is not just another sermon or teaching; it's an intimate encounter with the very heart of God. As you watch, you'll be captivated by the tender urgency with which He calls your name. His voice resonates with a longing so deep, so pure, it can only be described as divine.

You see, God desires your presence just as much as you long for His. He yearns for you to carve out moments of stillness and silence to listen to His whispers. He wants you to experience the joy that comes from communing with Him and hearing His voice. Watch our video.....insert link...
