**APPLICANT'S SUBMISSIONS**

**Instructions**

You may format these headings however you like, but they must be presented accordingly in their respective **Parts** to the chronology provided below. Delete these instructions and the highlighted yellow text once you have completed filling those particulars. You may find your case number in the respective reddit thread that serves as the formal 'base' of the hearing you are appearing in.

**Part I:** [A factual background provided from the perspective of the applicant.]

**Part II:** [A concise statement of the issues that the applicant seeks to raise and their relevance as to the facts provided in Part I.]

**Part III:** [Your legal argument as to why you should prevail, this is the part where you cite the relevant and necessary law that says you believe that makes you correct.]

**Part IV:** [Where applicable, an argument addressing any questions raised by the court.]

**Part VI:** [Set out the orders and relief you seek as a result from this case.]

Dated: [eg 1 January 2024]

Your Signature

[Username of Senior sim-practitioner presenting the case or Applicant if self-represented]

**Appendix:** [Attach any evidence you feel appropriate or necessary to support your case.]
