

1. What information/ideas are described in detail?
2. How are the details I find related in ways that build ideas and themes?
3. What key words and phrases does Peary use to describe the dangers of the "leads" that arctic travellers are likely to encounter?
4. In paragraph 8, what does Peary suggest are the "worst" of the "difficulties and hardships of a journey to the North Pole"?
5. In the final paragraph, what does Peary suggest are the differences between his readers' experiences with blizzards and the challenges of surviving an intense storm in an arctic environment?
