Both in-person and online options are offered.</p>	<a href="https://www.amda.edu/highschool?utm_source=Outreach+Educators&amp;utm_campaign=b4939c9448-Educator+Communication+13&amp;utm_medium=email&amp;utm_term=0_3b3d8f8c6c-b4939c9448-%5BLIST_EMAIL_ID%5D">https://www.amda.edu/highschool?utm_source=Outreach+Educators&amp;utm_campaign=b4939c9448-Educator+Communication+13&amp;utm_medium=email&amp;utm_term=0_3b3d8f8c6c-b4939c9448-%5BLIST_EMAIL_ID%5D</a>

Aspire Teen Summer Programs	Summer Program Newton/Lexington, MA	July-August 2025	<p>Explorations is a six-week weekday summer program where teens, aged 14-19 years old, participate in supported recreational and social activities while learning a variety of practical life skills out in the community. Topics include money management, trip planning, using public transportation, peer negotiation and time management. Teens are placed into small cohorts of 5-6 participants. Throughout the summer, participants will have opportunities to engage with other cohorts and participants within the program. Participants are encouraged to balance their needs with those of the group. Community trips take place throughout the metro Boston area (Faneuil Hall, Prudential Center, movie theater, bowling, museums, and restaurants) and typically utilize public transportation.</p> <p>Transitions is a six-week weekday summer program where young adults, aged 16-22 years old, participate in group activities and practice skills that support the transition to work and college environments. Participants are placed at a volunteer work site two days per week where they receive job coaching and career skill training. Participants are placed at the volunteer work sites in groups of three participants with one Aspire Transition Specialist on site. When not at their work site, participants engage in college exploration, recreational activities, and team-building activities within a larger group of their peers.</p>	<a href="https://www.massgeneral.org/children/aspire/teen-adult">https://www.massgeneral.org/children/aspire/teen-adult</a>
ArtsBridge Summer Programs Baldwin Wallace University	Art/Writing/Multimedia Residential Summer program Berea, Ohio	July 13-18, 2025 OR July 18-August 1, 2025	Since 2010, ArtsBridge Summer has given high school performing artists the tools to perfect their craft and audition approach, guided by top college arts faculty and industry professionals. ArtsBridge Summer programs are designed to hone the skills of students who pursue acting, musical theater, and classical music at the college level and beyond. In Summer 2023, we are offering Dramatic Acting, Musical Theater, Musical Theater 2, and ArtSong in-person, as well as an online Fashion Design class..	<a href="https://artsbridge.com/summer/">https://artsbridge.com/summer/</a>
Assumption University CTEQ Pre-College Program	Pre-College Residential Worcester, MA	July 13-18, 2025	<p>Each summer, high school students from across New England and around the country join Assumption University professors for a competitive pre-college program that introduces rising high school seniors to undergraduate studies in the liberal arts. Participating students gain firsthand experience of studying the humanities in a college setting. Our Pre-College Program gives high school students the opportunity to study great works of philosophy, literature, art, political science, and theology with nationally known faculty—as they simultaneously meet new friends and experience what collegiate academic life is like.</p> <p>Rolling Acceptance.</p> <p>The completed packet (a letter of reference from a guidance counselor, an unofficial transcript, and the application essay) is due by June 14, 2024 for consideration into the program.</p> <p>Tuition, Board, and Book Fee: \$500.00</p>	<a href="https://www.assumption.edu/undergraduate/cteq-pre-college-program">https://www.assumption.edu/undergraduate/cteq-pre-college-program</a>

Babson Summer Study	Pre-College, Online	July 7-28, 2025	Babson Summer Study is an intensive pre-college online summer program, where you will cultivate the entrepreneurial mindset needed to create opportunities where others see obstacles. Immersed in our unique Entrepreneurial Thought & Action® methodology for turning ideas into action, you will gain practical skills and an unparalleled perspective on real-world business challenges to create value for yourself and for society.	<a href="https://www.babson.edu/high-school-programs/">https://www.babson.edu/high-school-programs/</a>
Badger Precollege Summer programs	Pre-College Residential Madison, WI	July 20- August 1, 2025	Badger Summer Scholars is a two-week program in which students attend a college-level seminar in a topic of their choice, taught by UW-Madison instructors. Students also participate in the Jump Forward series, a workshop series on how to prepare for college, including topics on the admissions process, navigating college, career exploration and more. You will also have the opportunity to participate in a variety of residence hall activities and explore UW Madison's lake-side campus.	<a href="https://precollege.wisc.edu/badger-summer-scholars/">https://precollege.wisc.edu/badger-summer-scholars/</a>
Banson NYC Fashion Summer Camps	Summer Camp/New York City	Session A: June 22 - 27, 2025 Session B: July 13- 18, 2025	We offer two NYC Fashion Summer Camps for high school students. They are designed for teens entering 9th through 12th grades. Each week-long session will teach the students the fundamentals of the fashion industry by providing an insider's perspective. The students will stay at a hotel in midtown with a residence advisor. Each morning the group will be picked up at the hotel by a Banson NYC representative. From there we will depart for our industry visits, seminars and activities of the day. Each evening will have group activities planned. Enrollment is limited to 20 campers per session. We accept applications on a first come, first served basis.	<a href="https://www.bansonnyc.com/content.html?page=9">https://www.bansonnyc.com/content.html?page=9</a>
Bentley University Summer programs	Pre-College Residential, Commuter, & Online Waltham, MA	June 9 to June 13 -- Online. June 16 to July 18 In person sessions B-F (Multiple sessions)	Many exceptional students are excited about finance and investing – and finally there is an opportunity before college to encourage them to explore their interests while connecting with top experts in the field!  The Wall Street 101 summer pre-college program at Bentley University offers your rising juniors and seniors exactly that: a chance to explore the world of global finance and investing through experiential learning. In small classes led by Bentley-trained faculty with industry experience, students participate in lectures, case analyses, interactive trading simulations, and presentations by Wall Street professionals.	<a href="https://www.bentley.edu/undergraduate/special-programs/precollege-programs">https://www.bentley.edu/undergraduate/special-programs/precollege-programs</a>
UC Berkeley Summer Discovery Programs	Pre-College Residential Berkeley, CA	June 29- July 13, 2025 (Multiple Sessions)	Summer Discovery's pre-college program gives teens a head start in understanding college life. From designing their own schedule to immersive travel experiences and adventures both on and off campus, our programs are that perfect blend of serious and fun. Summer Discovery provides an opportunity to hone in on your passion through diverse course offerings, make lifelong friendships, and return to high school a more confident version of yourself, while building that college resume. Programs offered include the M.E.T. Innovation Academy, the Emergency Medicine & Health Sciences Academy, and the Psychiatry & Neuroscience Academy.	<a href="https://www.summerdiscovery.com/uc-berkeley?course=860">https://www.summerdiscovery.com/uc-berkeley?course=860</a>

BU High School Honors	Pre-college Residential, Commuter, & Online Boston, MA	June 29- August 8 2025 (Multiple sessions)	BU High School Honors offers an authentic college experience, studying alongside BU undergrads, while earning up to 8 college credits in just six weeks. Ready to push your limits academically? Excited to get out of your comfort zone, explore new subjects, and earn college credit? If this sounds like you—and you are entering your junior or senior year—High School Honors offers a Boston University pre-college experience that will challenge you and expand your horizons..	<a href="https://www.bu.edu/summer/high-school-programs/high-school-honors/">https://www.bu.edu/summer/high-school-programs/high-school-honors/</a>
BU Academic Immersion (AIM) Program	Pre-college Residential/Commuter Boston, MA	Multiple sessions/topics from June 29 to August 8th 2025	<p>If you're an engaged, motivated high school student who wants to focus intensively on a specific subject for three weeks, AIM is for you. All AIM tracks combine classroom work and theoretical studies with practical applications and experiential activities including field trips, guest speakers, and group projects. In addition to experiencing college life, you'll gain invaluable insight into potential career paths.</p> <p>The AIM tracks are open to residential and commuter students who are entering their junior and senior years of high school. For three amazing weeks, you will reside make new friends, enjoy lots of planned social activities, and gain valuable, hands-on experience in the field of medicine, psychology, creative writing, or business. Academic Immersion is open to both commuter and residential students.</p>	<a href="https://www.bu.edu/summer/high-school-programs/academic-immersion/">https://www.bu.edu/summer/high-school-programs/academic-immersion/</a>
BU Summer Challenge	Pre-college Residential Boston, MA	<p>2025 Summer Challenge calendar</p> <p>Session 1 June 15 – June 27</p> <p>Session 2 July 6 – July 18</p> <p>Session 3 July 20 – August 1</p>	<p>Boston University's Summer Challenge seminars allow you to engage in a high level of learning and achievement with other high school students—without focusing on grades. Choosing two noncredit seminars (one morning, one afternoon), you'll participate in lectures, discussions, individual and group work, project-based assignments, and field trips. Small class sizes ensure ample attention from experienced college instructors as you meet the challenges of college-level study. Each seminar culminates in a final class presentation.</p> <p>Following the conclusion of your Summer Challenge session(s), a certificate of completion and letters of evaluation from both seminar instructors will be provided to you.</p>	<a href="https://www.bu.edu/summer/high-school-programs/summer-challenge/">https://www.bu.edu/summer/high-school-programs/summer-challenge/</a>
BU Summer Preview	Pre-college Residential & Commuter Boston, MA	June 15/16-20 2025	<p>Get a taste of college life for one exciting week this summer. Delve into fascinating subjects. Make new friends. Explore the fun, vibrant city of Boston.</p> <p>Our Summer Preview program offers rising eighth, ninth, and tenth graders a choice of three different weeklong, noncredit seminars. It's a great opportunity for you to dig into an area of academic interest or become familiar with an entirely new subject.</p>	<a href="https://www.bu.edu/summer/high-school-programs/summer-preview/">https://www.bu.edu/summer/high-school-programs/summer-preview/</a>

BU Research in Science & Engineering (RISE) Program	Summer Program/Internship/Practicum Residential/Commuter Boston, MA	June 29 to August 8 2025	If you're passionate about the sciences and are a domestic student currently in your junior year of high school, we invite you to apply for the Research in Science & Engineering (RISE) program. You will spend six weeks at BU conducting university laboratory research with some of the nation's brightest scientific minds while advancing your STEM knowledge and skills. RISE offers two tracks: Internship and Practicum.	<a href="https://www.bu.edu/summer/high-school-programs/rise-internship-practicum/">https://www.bu.edu/summer/high-school-programs/rise-internship-practicum/</a>
BU's Visual Arts Summer Institute	Pre-College Residential/Commuter Boston, MA	June 30, 2025 – July 25, 2025	The Boston University School of Visual Arts' Summer Institute offers high school students (ages 15–18) an intensive visual arts program designed to help them build exceptional portfolios and get a taste of the collegiate art school experience. Whether preparing portfolios for college admission or simply working to improve technical abilities, students are introduced to materials and methods used in professional artistic practice. In addition to classes and studio time, students visit and study works of art in area museums, participate in special workshops, and experience life as a Boston University student. Students earn three college credits at the program's completion, and leave the program with work ready to be included in their portfolios. VASI takes place at Boston University College of Fine Arts, located on the Charles River Campus. The VASI faculty consists of faculty members and alumni of the School of Visual Arts who are committed artists and exceptional teachers.	<a href="https://www.bu.edu/cfa/vasi/">https://www.bu.edu/cfa/vasi/</a>

Immerse Education	Summer Program Online/International	Various programs run from July-August 2025	<p>Immerse Education was founded in 2012 with the aim of providing students aged 13-18 with unparalleled educational experiences. We have educated thousands of students through our exceptional academic enrichment programmes in the colleges of Oxford and Cambridge University, University College London and the University of Sydney. Check out our courses in Cambridge, Oxford, London, Sydney and Online courses.</p> <p>At Immerse, we are committed to the highest quality of education. Our programmes are unique in their focus on academic rigour, stimulating our participant's intellectual curiosity in their chosen subjects.</p> <p>We strive to ensure that every student leaves our programmes with newfound expertise and enthusiasm to plan the next stages of their education. To this end, all of our programmes are designed by tutors from leading global universities and help prepare participants for future success.</p>	<a href="https://www.immerse.education/">https://www.immerse.education/</a>
IYRC & Columbia VP&S Medicine and Research Summer Program	Virtual Summer program	June 21 - August 30, 2025	The Medicine and Research Summer Program hosted by Columbia University Vagelos College of Physician and Surgeons (VP&S) Global Health Organization is a 9-week summer program featuring students from around the world who learn from physicians, researchers, and medical students at Columbia University VP&S about diverse topics of medicine. Throughout the summer, students learn how to take a patient history, interview several standardized patients, engage in ethical discussions, have conversations about narrative medicine, and study various systems of human anatomy. In addition to the clinical aspects of the program, students learn research methods for finding sources, analyzing data, and writing a manuscript. This summer features an additional opportunity to become certified as a Community Health Literacy Worker for stroke, dementia, and health insurance through the Columbia University Neurology Department.	<a href="https://www.the-iyrc.org/summerprogram.html">https://www.the-iyrc.org/summerprogram.html</a>

Ladder Internships	Summer Program Virtual	8 Week programs	Ladder Internships is a selective start-up internship program for high school students, founded and run by Harvard graduate students. In the program, students work 1-1 with supervisors from top start-ups to work on real-world projects in a real start-up environment. Our companies and supervisors come from Y Combinator, Harvard iLabs, Wharton, Google, Microsoft, McKinsey & Company. Application Deadlines: Summer cohort (Early Admission): February 18, 2024 Summer cohort (Regular Admission 1): April 14, 2024	<a href="https://www.ladderinternships.com/?_hsmi=252939382&amp;_hsenc=p2ANqtz-8vC1VgYHBrTy7_XO5KEhrQT6YImL65Wq1noICjwZVXJTggfRLUF8EODJd8nNVGhJYc8iXB5ZO2xc3tNathsL0dbKCy9RxYzN5yVHw8qVrHj7KQ6M&amp;utm_content=252939382">https://www.ladderinternships.com/?_hsmi=252939382&amp;_hsenc=p2ANqtz-8vC1VgYHBrTy7_XO5KEhrQT6YImL65Wq1noICjwZVXJTggfRLUF8EODJd8nNVGhJYc8iXB5ZO2xc3tNathsL0dbKCy9RxYzN5yVHw8qVrHj7KQ6M&amp;utm_content=252939382</a>
Landmark College Summer College Readiness Program	Pre-College Residential South Putney, VT	Saturday, July 5 – Saturday, July 26, 2025	Our Summer College Readiness Program, for college-bound high school graduates, is all about preparation—through practice and exposure—for that crucial first semester of college. It is also about understanding the changing role of a high school student to a college student. Even the most high-achieving students often face unanticipated difficulties in their first semester of college possibly putting them at risk for failure or struggle. Problems often arise not from a lack of academic abilities, but from the enormous jump in independence required in a college environment.	<a href="https://www.landmark.edu/summer/summer-college-readiness-program">https://www.landmark.edu/summer/summer-college-readiness-program</a>
Landmark High School	Summer program Communter/Residential Options Prides Crossing, MA	July 7–August 1, 2025	Landmark High School's four-week Summer Program combines intensive, academic skill development with fun and challenging afternoon activities. McMaster University: Summer Programs 2024	Summer Programs/In-Person and Online Summer Programs	July-August	Tailored for international high school students who are exploring their post-secondary options, McMaster's Office of International Affairs (OIA) is proud to present a variety of short-term summer English & Cultural Immersion programs, where students can experience student life at McMaster University. Combining academic English studies with an inter-cultural experience, the programs are designed for pre-university students who would like to develop the academic English skills for a successful transition into their university program in the future. Classroom activities integrate listening, reading, speaking and writing skills which help students to apply and improve their language abilities while introducing them to different aspects of Canadian life and culture. Extracurricular activities range from organized sports, performing activities, and trips to recreational places, shopping areas or cinemas, where students will have ample opportunity to practice their English in a real-life setting.	<a href="https://global.mcmaster.ca/about-us/#tab-content-summer-programs">https://global.mcmaster.ca/about-us/#tab-content-summer-programs</a>

New England High School Journalism Collaborative	Summer Workshop/Boston, MA	June 21 – June 28, 2025	<p>The New England High School Journalism Collaborative is excited to announce that we will hold our all-expense-paid summer workshop for students interested in journalism for the 37th year.</p> <p>The 2024 workshop dates are June 22 – June 29, 2024.</p> <p>The program is intended for students who are from traditionally underserved populations. Some preference is given to current juniors and seniors in high school.</p> <p>Students will work out of a newsroom at Simmons University in Boston and learn to report, write, edit for a newspaper, and produce multimedia projects for a website. They will be assigned stories, do interviews, and will be exposed to working on a deadline to create their own newspaper.</p>	<a href="https://www.nenpa.com/high-school-journalism-workshop/">https://www.nenpa.com/high-school-journalism-workshop/</a>

Northeastern University Accelerated Pre-College Program	Pre-college/In-Person Boston, MA	Various programs run from July-August	Our Summer 2024 Boston programs give talented high school rising juniors and seniors from around the world the opportunity to participate in immersive, experiential programs with acclaimed Northeastern faculty members right on our Boston campus.	<a href="https://precollegeprograms.northeastern.edu/boston-campus-programming/">https://precollegeprograms.northeastern.edu/boston-campus-programming/</a>
PRATT	Pre-College/Residential Brooklyn, NY	Monday, July 7 – Friday, August 1, 2025	Spend the summer on Pratt’s Brooklyn campus in intensive art, design, architecture, or creative writing courses, informed and inspired by the backdrop of New York City. During this four-week full-time program, students develop conceptual and technical skills; and create portfolio pieces for college admission, while earning elective college credits.	<a href="https://www.pratt.edu/continuing-and-professional-studies/precollege/summer-precollege/">https://www.pratt.edu/continuing-and-professional-studies/precollege/summer-precollege/</a>
TISCH NYU School of Arts - Online High School Filmmakers Workshop	Summer Program/Online	Sunday, July 6 - Saturday, August 2, 2025	This online workshop introduces students to the theory and techniques of developing and producing short films that are shot and edited digitally. As most students enter the program with little or no experience in film or video, early assignments familiarize them with equipment as well as documentary, experimental, and narrative approaches. Working in online crews, students will collaborate to develop their directing, shooting, and editing skills as they produce music videos and short films (three to five minutes in length). Special emphasis is placed on storytelling through visual language. Students learn the basics of screenwriting through writing exercises, reading assignments, viewing online media examples, as well as the script development and research of their short films. Through streaming lectures and video meetings this online workshop will highlight the fundamentals of story structure, character development, communication of thematic statements, and visual storytelling, among other topics.	<a href="https://tisch.nyu.edu/special-programs/online-course/online-filmmakers-workshop?utm_source=Tisch+Special+Programs+High+School+Outreach+Lists&amp;utm_campaign=4cb6f313c5-Online_HSWorkshops_Scholarships_HSO OutreachLis&amp;utm_medium=email&amp;utm_term=0_d35ca802ca-4cb6f313c5-712771649&amp;mc_cid=4cb6f313c5&amp;mc_eid=45b73f2d73">https://tisch.nyu.edu/special-programs/online-course/online-filmmakers-workshop?utm_source=Tisch+Special+Programs+High+School+Outreach+Lists&amp;utm_campaign=4cb6f313c5-Online_HSWorkshops_Scholarships_HSO OutreachLis&amp;utm_medium=email&amp;utm_term=0_d35ca802ca-4cb6f313c5-712771649&amp;mc_cid=4cb6f313c5&amp;mc_eid=45b73f2d73</a>
Tisch NYU School of the Arts - Online High School Screenwriters Workshop	Summer Program/Online	Sunday, July 6 - Saturday, August 2, 2025	Intensive screenwriting exercises will introduce students to the basic principles of writing for film and television. Students will develop story ideas and characters, and learn film language and script structure. There will be film story analysis sessions with screenings of important work. The workshop sessions with the instructor and students provide an opportunity for you to present your work, which opens dialogue for critiques and rewrites. The workshop culminates with submitted scenes, a short screenplay, and a synopsis of a feature film and television series. This is an asynchronous course with weekly assignments and video meetings.	<a href="https://tisch.nyu.edu/special-programs/online-course/online-high-school-screenwriters-workshop?utm_source=Tisch+Special+Programs+High+School+Outreach+Lists&amp;utm_campaign=4cb6f313c5-Online_HSWorkshops_Scholarships_HSO OutreachLis&amp;utm_medium=email&amp;utm_term=0_d35ca802ca-4cb6f313c5-712771649&amp;mc_cid=4cb6f313c5&amp;mc_eid=45b73f2d73">https://tisch.nyu.edu/special-programs/online-course/online-high-school-screenwriters-workshop?utm_source=Tisch+Special+Programs+High+School+Outreach+Lists&amp;utm_campaign=4cb6f313c5-Online_HSWorkshops_Scholarships_HSO OutreachLis&amp;utm_medium=email&amp;utm_term=0_d35ca802ca-4cb6f313c5-712771649&amp;mc_cid=4cb6f313c5&amp;mc_eid=45b73f2d73</a>
TISCH NYU School of Arts - Summer High School	Art/Writing/Multimedia- On Campus New York, NY	July - August , 2025	The Tisch Summer High School Program is tuition-based and culminates in four to six college credits (units). This program includes projects, professional training, and collaboration. The classes are based on the Tisch undergraduate curriculum. Students in the Tisch Summer High School Program are expected to complete any coursework and professional training requirements of the artistic track they are enrolled in. Students apply to one of these artistic tracks: Dance, Drama, Production	<a href="https://tisch.nyu.edu/special-programs/high-school-programs/tisch-summer-high-school?mc_cid=925bd23a8f&amp;mc_eid=45b73f2d73">https://tisch.nyu.edu/special-programs/high-school-programs/tisch-summer-high-school?mc_cid=925bd23a8f&amp;mc_eid=45b73f2d73</a>

			<p>&amp; Design, Dramatic Writing, Filmmaking, Game Design, Photography and Imaging, or Recorded Music.</p> <p>The summer program is open to high school sophomores and juniors from around the world.</p>	
Travel for Teens - Hawaii Turtle Trip	Travel	Multiple Sessions Jul 10 - Jul 20 Jul 21 - Jul 31 Aug 1 - Aug 11	<p>Hawaii Sea Turtle Trip Overview Hawaii is one of our most popular destinations. Check out our other Hawaiian programs!</p> <p>Hawaii Big Island Service &amp; Adventure (9th &amp; 10th grade) USA for Older Teens: Hawaii Big Island Service &amp; Adventure (11th &amp; 12th grade) Hawaii Ultimate Adventure &amp; Service (9th, 10th, 11th &amp; 12th grade) Join us this summer on a student trip to Hawaii for some sun, sand, and sea turtles as we explore the Hawaiian islands! From vibrant Honolulu to laid-back Maui, this program covers some of the best highlights of Hawaii including beautiful waterfalls, postcard-perfect beaches, and plenty of adventure!</p> <p>We partner with a nonprofit organization dedicated to protecting Maui’s sea turtles and coral reefs through science-based conservation efforts, education, and outreach. Learn about sea turtle conservation and participate in several Hawaiian community service projects to protect green sea turtles and the endangered hawksbill sea turtle. Projects include snorkeling and reef surveying, beach and habitat cleanup, and watching over sea turtles as they bask on the island’s beaches. At the Center, we’ll spend time up close and personal with turtle patients—cleaning and bandaging wounds, taking fluids, massaging their fins, and monitoring their way back to release. The Center serves as the main rescue team for injured or stranded turtles. A call may even come into the Center to help a turtle in distress where you will directly assist with the rescue!</p> <p>Our service work will also include a special visit to the Boys and Girls Club in Honolulu, where we’ll meet local youth and spend the morning with them.</p> <p>We’ll complement our service projects with plenty of adventure. Zipline through lush jungles, walk through bamboo forests to waterfalls, hike to the top of a volcanic crater, take a surf lesson, and more on this incredible student trip to discover the best Hawaii has to offer!</p> <p>Remaining Dates for Summer 2023: Jun 26 - Jul 6 Jul 7 - Jul 17 Jul 18 - Jul 28 Jul 29 - Aug 8</p>	<p><a href="https://www.travelforteens.com/program/hawaii-sea-turtle-service-adventure-11-days/">https://www.travelforteens.com/program/hawaii-sea-turtle-service-adventure-11-days/</a></p>

Tufts Cummings School of Veterinary Medicine	Pre-College Residential/Community Option Medford, MA	Session 1: Jul 6 - 18, 2025 Session 2: Jul 20 - Aug 1, 2025	The Adventures in Veterinary Medicine High School Program is an engaging and fun way for high school students to spend two weeks learning more about the veterinary profession. This is your opportunity to dig into veterinary medicine through an exciting and intensive program where you'll be surrounded by others who share your passion for animals, health, and science. Explore specialty fields and important topics in veterinary medicine through informative lectures by Tufts faculty, staff, and vet students and get up close and personal with animals on the Cummings School Farm.	<a href="https://universitycollege.tufts.edu/high-school/programs/veterinary_medicine">https://universitycollege.tufts.edu/high-school/programs/veterinary_medicine</a>
TUFTS PRE-COLLEGE PROGRAM	Pre-college Residential and Hybrid Options	Multiple Sessions June 19-Aug 11	<p>Get a taste of what it is like to study at Tufts University, and try out life as a college student! Enroll in six to eight credits of real Tufts Undergraduate-level courses and gain experience with the excitement, freedom, and challenge of college-level academics. Participate in our hallmark College Prep 101 program each Friday and gain insights from Tufts' staff on how to prepare for the college experience, learn what it's like to be an undergraduate from real Tufts students, and attend campus tours at some of the leading higher education institutions around Boston!</p> <p>This program is designed to mirror the undergraduate experience, allowing highly motivated students to select their own course schedule and mix college-level study with fun activities and the opportunity to build college and life skills. Balancing the rigorous academic courses, most taught by Tufts faculty, with expert-led workshops, and field trips designed to take advantage of the Boston area, Tufts College Experience can help students prepare for college both academically and socially.</p>	<a href="https://universitycollege.tufts.edu/high-school">https://universitycollege.tufts.edu/high-school</a>
TwoSigma Summer of Code	Summer Program Virtual	Courses throughout June, July, and August New cohorts start every week. Join for 12+ hours each week for 2, 4, or 6 weeks	<p>Earn credits for a full computer science course in just 6-weeks!</p> <p>Take a credit-bearing, project-based course with a live teacher, taught online in small cohorts of 8-10 students, 3 hours a day, 4 days a week, with flexible schedule designed around you.</p>	<a href="https://2sigma.school/t/eUzGs/soc">https://2sigma.school/t/eUzGs/soc</a>

Plus, with 60+ staff on campus dedicated to the health, safety, education and social needs of students with a dedicated office in our residence hall, safety, security, and student development are always top-of-mind.	<a href="https://www.summerdiscovery.com/ucla?j=893054&amp;sfmc_sub=75416114&amp;l=44_HTML&amp;u=15999716&amp;mid=100007296&amp;jb=1006">https://www.summerdiscovery.com/ucla?j=893054&amp;sfmc_sub=75416114&amp;l=44_HTML&amp;u=15999716&amp;mid=100007296&amp;jb=1006</a>
United States Coast Guard Academy Academy Introduction Mission	Summer Program	Multiple Sessions July 6-30	The Academy Introduction Mission program challenges and inspires rising high school seniors interested in serving their country, exploring technical degree programs, and helping humanity. During six action-packed days, you'll immerse yourself in Coast Guard tradition and Academy life with cadet leaders: in the engineering lab, on the playing field, on the parade grounds, and on the water.	<a href="https://uscga.edu/admissions/aim/">https://uscga.edu/admissions/aim/</a>

UNC Asheville Pre-College Program	Pre-College In-person Asheville, NC	June 15-20, 2025 and/or June 22-27, 2025	<p>Weeklong summer immersion programs at UNC Asheville offer students a deep dive into academic topics and hands-on experience. UNC Asheville's Pre-College Programs introduce high school students to college-level study, university life, and career options in a dynamic learning environment. Each one-week program offers deep immersion into an academic topic, challenging activities, and the opportunity to engage with industry professionals. Format: Pre-College Programs run from Sunday to Friday, and each day is filled with both classroom and recreational activity. All programs include hands-on learning and projects, and many programs will feature off-campus excursions. All students live on campus to fully experience university life and the surrounding community.</p> <p>Eligibility: Pre-College Programs are open to rising high school sophomores, juniors, and seniors.</p> <p>Living on Campus: Double occupancy in a shared suite. Residence halls are air-conditioned. Meals will be in Brown Dining Hall.</p>	<a href="https://precollege.unca.edu/">https://precollege.unca.edu/</a>
USC Summer & Online Pre-College Programs	Pre-College Program/In-person Los Angeles, CA	June 15 - July 12, 2025	<p>USC Summer Programs extends a tradition of excellence to outstanding high school students through a diverse offering of four-week summer courses. As a "Summer Trojan," you will balance academic and campus life as you prepare for college — and earn college credit.</p> <p>USC Summer Programs' courses are taught by USC faculty and experienced professionals of the USC academic community. Our faculty create an engaging academic experience by combining lectures, hands-on workshops and labs, and guest speakers. Each course is designed to be more interactive, engaging and challenging than accelerated high school classes or the broad introductory courses offered by other summer pre-collegiate programs.</p>	<a href="https://precollege.usc.edu/">https://precollege.usc.edu/</a>
University of Vermont Summer Programs	Pre-College/Summer Academy	Begins May 19, 2025	<p>Our summer pre-college courses provide motivated high school students with a variety of opportunities to:</p> <ul style="list-style-type: none"> <li>Earn college credits</li> <li>Discover a new interest and potential career paths</li> <li>Explore a subject that isn't offered at their high school</li> <li>Gain a competitive advantage when applying to college</li> </ul> <p>Additionally, UVM's Summer Academy program is open for enrollment for 10th, 11th, and 12th grade students, providing them with the unique opportunity to earn 3 college credits through intensive 4-week courses, designed by UVM professors exclusively for high school students.</p>	<p>Pre-College Courses:</p> <p><a href="https://learn.uvm.edu/program/pre-college-courses/">https://learn.uvm.edu/program/pre-college-courses/</a></p>

Villanova University NovaEdge Engineering Summer Program	Pre-college/In-Person	July 12-19, 2025	NovaEdge Diversity in Engineering is a one-week, on campus program to introduce a diverse population of students from different ethnic and social backgrounds to the traditional fields of engineering, including Chemical, Civil and Environmental, Computer and Electrical, and Mechanical Engineering. Students also will be introduced to unique aspects of Villanova's College of Engineering, which include international service learning, Sustainable Engineering and Engineering Entrepreneurship. Lectures and hands-on laboratory experiments are taught by Villanova engineering faculty, and daily guest speakers will bridge academia and industry. During the evening, students will enjoy fun and engaging activities with resident assistants and also work on any assigned engineering projects. In addition to this introduction to engineering, the NovaEdge program includes a presentation on the college admissions process. It is a one week on campus program.	<a href="https://www1.villanova.edu/university/engineering/villanova-engineering-experience/STEM-Outreach/novaedge.html">https://www1.villanova.edu/university/engineering/villanova-engineering-experience/STEM-Outreach/novaedge.html</a>
Villanova Pre-College Summer Academy	Pre-college/Online and In-person options	June 30 - July 28, 2025	<p>Villanova University's Pre-College Summer Academy is an innovative, engaging pre-college academic experience for high school students, 100% online. Designed and taught by Villanova faculty, this program is open to students age 13 and above - typically rising 10th, 11th and 12th graders who will be applying to college in the next couple of years. Each course has the benefit of a current Villanova Student Fellow, who helps lead academic and community-building activities. Upon completion of the course(s), students will earn a certificate.</p> <p>Villanova Pre-College offers both in-person and virtual options for Summer 2024. The on-campus experience is a 4-week, 3-credit program for rising high school juniors and seniors. It enables students to take a summer course with college aged students on campus, as well as attend workshops that help them prepare for college. The fully virtual option is a 1-week program for high school sophomores, juniors or seniors. Students choose from 2 courses developed specifically for this program where they participate in class and community building activities. Summer 2024 application opens in Spring 2024.</p>	<a href="https://www1.villanova.edu/university/summer-sessions/pre-college-summer-academy.html">https://www1.villanova.edu/university/summer-sessions/pre-college-summer-academy.html</a>
Wake Forest University Online Immersion Program	Pre-College	Multi-length courses available throughout the year	<p>Summer is a perfect time for motivated high school students to start thinking about college.</p> <p>Wake Forest University offers pre-college online courses to help students ages 13 and older explore their interests. The summer application period is now open. Through participating in our courses, students can discover if an interest could lead to a college major or even a future career.</p>	<a href="https://wfuonline.precollegeprograms.org/?utm_campaign=WF%3A%202024%20Summer%20Announcement&amp;utm_medium=email&amp;hsenc=p2ANqtz--zwimsrESt3uzEbacQN-rQDA26lIlu7hSeuTI4LYsNqSbdzwUOPEqeWtN0KG5K49Z5UD2njsDrfemN8lkEiVlu4YPwRjqoT1mPKhrtOZRKMU9jhTc&amp;hsmi=274875675&amp;utm_content=274875675&amp;utm_source=hs_automatic&amp;hsCtaTracking=89e24f93-13d4-48">https://wfuonline.precollegeprograms.org/?utm_campaign=WF%3A%202024%20Summer%20Announcement&amp;utm_medium=email&amp;hsenc=p2ANqtz--zwimsrESt3uzEbacQN-rQDA26lIlu7hSeuTI4LYsNqSbdzwUOPEqeWtN0KG5K49Z5UD2njsDrfemN8lkEiVlu4YPwRjqoT1mPKhrtOZRKMU9jhTc&amp;hsmi=274875675&amp;utm_content=274875675&amp;utm_source=hs_automatic&amp;hsCtaTracking=89e24f93-13d4-48</a>

Washington University, St Louis High School Summer Scholars Program	Summer Pre-College/St. Louis, MO	five-week program from June 8-July 12, 2025.	<p>Through our High School Summer Scholars Program, students have the opportunity to enroll in courses for credit and study alongside undergraduates. Students select from a broad range of stimulating introductory courses in the humanities, social sciences, natural sciences and mathematics. Students may choose to enroll in one or two 3-unit courses as well as a selection of noncredit courses.</p> <p>This program is ideal for students who want to earn college credit, challenge themselves academically and explore courses in a specific major or subject.</p> <p>High School Summer Scholars live on campus in one of our top-ranked, air-conditioned residence halls. In addition to course work, students participate in specialized college readiness, community, and academic success enrichment activities. The High School Summer Scholars Program is a five-week program from June 9-July 13, 2024.</p>	<a href="https://precollege.wustl.edu/high-school-summer-scholars-program">https://precollege.wustl.edu/high-school-summer-scholars-program</a>
Washington University, St Louis Exploration Courses	Pre-college/Online	Summer 2025: May 12, 2025 (registration opens February 3)	<p>Our Exploration Courses provide students the opportunity to experience WashU from home. Through these online, noncredit courses, students immerse themselves in collegiate study through a series of interactive activities, lectures, and discussions with pre-college peers from around the world.</p> <p>Students learn to communicate clearly and thoughtfully on complex topics and build confidence in college-level course work. This program is ideal for students who are looking for the flexibility of an online experience and interested in exploring connections between various fields of study.</p> <p>Exploration Courses are offered asynchronously. This means students will not have set required times to attend class which allows for balancing these courses with other school and extracurricular commitments. Class sizes are small (no more than 15 students) to ensure students receive personalized feedback from instructors. Summer 2024 Registration Deadlines: May 3, 2024</p>	<a href="https://precollege.wustl.edu/exploration-courses">https://precollege.wustl.edu/exploration-courses</a>
Wentworth Impact Lab	Pre-College/Residential Boston, MA	<p>Session One: July 6 - July 18, 2025</p> <p>Session Two: July 20 - August 1, 2025</p>	Join our pre-college experience, ImpactLab, and design solutions that make a difference in the world. Our two-week residential summer program is for rising juniors and seniors in high school and it lets you try out a hands-on college like Wentworth while living on-campus and collaborating with new friends. We're looking for problem solvers like you. Audience: Rising 11th and 12th graders in high school. Open to both domestic and international students.	<a href="https://wit.edu/admissions/pre-college/impact-lab">https://wit.edu/admissions/pre-college/impact-lab</a>

West Point Summer Leader Experience	Summer Program West Point, NY	Session 1: 31 May to 6 June 2025  Session 2: 7 June to 13 June 2025	The West Point Summer Leader Experience (SLE) provides rising high school seniors with a week-long immersion into the academic, military, and social life of a cadet. At SLE, you will explore West Point from all angles, including our high-tech educational facilities, team building athletic activities, and realistic military training. You will get a taste of Cadet Life through the entire program, which is led by current West Point cadets.	<a href="https://www.westpoint.edu/admissions/summer-program">https://www.westpoint.edu/admissions/summer-program</a>
Wheaton Pre-College	Pre-College Norton, MA	July 6 through August 1, 2025 (early arrival and late check-out options available)	<p>Wheaton Pre-College is a four-week, residential program with commuter option. Wheaton Pre-College mirrors the college's educational approach combining classroom, athletics, and independent and group learning with hands-on projects, experiments and activities. As a rising high school junior or senior, you'll have access to Wheaton's considerable resources, from art studios to technology and fabrication labs to athletic facilities. College Life workshops, activities, events and of course some down time on the "Dimple" (our beautiful quad) all help you transition from high school to college student in a supportive environment.</p> <p>Upon completion of the program you'll receive a certificate and transcripts (with credit or non-credit options) toward your high school or undergraduate studies. You'll also gain a deeper understanding of your interests and how to be successful in college – along with some new friends and connections!</p> <p>Eligibility: Rising high school juniors and seniors, or equivalent. Students must turn 16 years of age by October 1, 2024.</p> <p>Schedule: Classes are held Tuesday through Thursday, 9 a.m. to 12 p.m. or 1 to 4 p.m.</p>	<a href="https://wheatoncollege.edu/academics/pre-college-programs/?utm_source=slate&amp;utm_medium=email&amp;utm_campaign=counselor&amp;utm_content=precollege">https://wheatoncollege.edu/academics/pre-college-programs/?utm_source=slate&amp;utm_medium=email&amp;utm_campaign=counselor&amp;utm_content=precollege</a>
William & Mary Pre-College Online Program	Pre-College/Virtual	Multi-length courses available throughout the year	William & Mary's online pre-college programs help students ages 13 and older explore their interests. Through participating in our courses, students can discover if an interest could lead to a college major or even a future career. The online format allows you to study anywhere, anytime, while working at your own pace.	<a href="https://precollegeonline.wm.edu/?utm_campaign=WM%3A%202023%20Summer%20Announcement&amp;utm_medium=email&amp;_hsmi=243133300&amp;_hsenc=p2ANqtz--oaLILX8FUHpomlR-pBtfa0Ylp1jM4KBFjI471ogdp-S69ScFVlcojIIIR3_F- c-BBV53V58ofozXILjzRUfbCnmXYer1byqpB A38qh5StGcII&amp;utm_content=243133300&amp;utm_source=hs_automation">https://precollegeonline.wm.edu/?utm_campaign=WM%3A%202023%20Summer%20Announcement&amp;utm_medium=email&amp;_hsmi=243133300&amp;_hsenc=p2ANqtz--oaLILX8FUHpomlR-pBtfa0Ylp1jM4KBFjI471ogdp-S69ScFVlcojIIIR3_F- c-BBV53V58ofozXILjzRUfbCnmXYer1byqpB A38qh5StGcII&amp;utm_content=243133300&amp;utm_source=hs_automation</a>
WPI Frontier Program	Pre-College/Residential Worcester, MA	Frontiers I Dates: July 6 - 18, 2025 Frontiers II Dates: July 20 - August 1, 2025	Frontier is set of two 2-week programs featuring hands-on classes, labs, and an exploration of humanities.
