Need Support for Your Student?

We are here to help! If you feel your student could benefit from additional support from our school counselor or school social worker, please reach out to them via email.

When emailing, please include:

- Your student's first and last name
- Your student's teacher's name

Once they receive your email, they will send you a form to complete. After the form is returned, they can begin coordinating support and meeting with your student.

We are grateful for the opportunity to support your child and help them succeed both academically and emotionally!

School Counselor -
Debbie Lewis - deborahlewis@alpinedistrict.org

School Social Worker -
Sheri Rowley - sherirowley@alpinedistrict.org
