Introducing Carson Scissons

I began my professional career in 2018 at The Marshes golf club as an assistant professional for 3 years and found his passion - loving to teach the game of golf to all. Since then I have been the Head Teaching Professional at Loch March Golf & Country Club as well as the Head Teaching Professional at The Marshes Golf Club. I have a true passion to help others at all ages from juniors to seniors, get better and reach their goals. I have used TrackMan technology for the past 8 years, as I am extremely knowledgeable with this technology and have seen over a million shots on TrackMan. This gives me the ability to be extremely confident in knowing what to change and why to change something in the golf swing. This obsession is pushing me to educate myself and research new information as it becomes available. I have been fortunate enough to be the Assistant Coach for the Ottawa Valley Golfers Association (OVGA) Junior Development Team for the past 8 seasons: this team comprises the top juniors in the region working alongside so that we further develop their skills in order to move towards the university level.

Introducing Colbie Macadam

Colbie is certified Associate PGA of Canada Golf Professional who is a passionate golfer with a background in competitive play as a junior and now as a PGA professional in the Ottawa Zone. Colbie loves helping players enjoy the game while making meaningful improvements to their game. Whether you're picking the club up for the first time or looking to fine-tune your skills, his goal is to help you play with more confidence and have more fun every time you step onto the golf course. In lessons, there will be a focus on fundamentals, swing mechanics, and course management strategies. Colbie will also use launch monitor data and video swing analysis to give you visual feedback from your l lessons and be able to track tangible changes over time.

Introducing Mackenzie Carter

I joined the pga of Canada in 2025, and worked for the 2025 season at Royal Ottawa as an apprentice pro. I graduated from Western University with an economics and communications degree in 2020. While at Western, I won the 2018 Ontario Provincial Championship, our team won 2 provincial championships and I also won 4 other events. I turned pro after school, played full time for about 2 years. Played 7 Mackenzie tour events, made 4/7 cuts including one top 10 finish. I was ranked 52nd on the tour that year. While touring I developed a passion for teaching by giving lessons and clinics to people I met. I've learned from coaches John Elliott Jr, Henry Brunton and Charles Fitzsimmons over my time as a junior, amateur and professional. I aspire to connect with as many people as I can through golf, while helping with their golf journeys. I've had three hole-in-ones and my competitive low round is -9.
