3 10:45- 12:43 As WHS is on block scheduling, your schedule will look a little different than what you're used to. Counselors have found that completing the simple worksheet below can help you visualize how your schedule will look for the whole school year. Please take a moment to do this, keeping in mind that:

- Full-year courses will meet the same day (A Day or B Day) both semesters.
- Semester courses meet only A Day or B Day for either semester 1 or semester 2.
- Quarter courses meet only A Day or B Day for Quarter 1, Quarter 2, Quarter 3 or Quarter 4.
- It is possible to have two courses during the same block and semester (i.e. a course on A Day and a different course on B Day during the same semester).
- Your lunchtime is included in block 3 and the exact time of your lunch will be given to you at the beginning of school.
