- he went up north with dan to see his (phil's) family last week
- partially because the drilling
- they spent quite a while making the phone case
- phil finds edits like that pleasing to his eyes
- he thinks it's cool that everyone's gonna get their book on the same day and be reading it at the same time
- he was tempted by a denim jacket today
- he might go back and buy it
- they went to a retirement home for horses
- the horses were "like the largest long nosed dogs i've ever seen"
- he can't say horse nuts with a straight face
- horses are slobbery
- the calendar photoshoot was ridiculous but nice
- he knows someone who's infertile because they got "horsed in the balls"
- once in his parent's house he found a giant spider in the corner of the room and he put a glass on the spider and it hissed and got on its hind legs and "liquided out of its mouth"
- they noticed the partial nonexistence of dan's eyebrow
- he didn't like teen wolf that much
- his lucky number is 16
- they've been rehearsing for the tour
- there is american tour planning but no confirmation
- he's not seen jurassic world yet
- he's excited for the harry potter play
- he's never been on a plane with wifi yet
- watch the japan animal documentary thing on iplayer
- hot spring monkeys
- fireflies are weird and he's also never seen one before
- the seaside is pretty and would be a nice place to live
- they recorded another gaming video (non dil)
- maybe uploaded tomorrow but he's gonna be busy tomorrow
- he watched "it follows" and it was really scary and there's lots of jumpscars
- up north they climbed a cliff and went to a cliff cafe thing
- don't get him started on beetles again
- cornelia told him he has a calming voice and he should do asmr (cornelia is his brother's gf)
- he started doing asmr on camera. Bye
- lets ruin a word by saying it too many times (orange)

- his shirt has tiny oragami planes on them
- he hurt his throat from whispering
- they might do another spooky week
- fav ice cream flavors: cookie dough, oreo, and mint chocolate chip
- don't put cheese or nuclear launch codes in the pocket of your dan and phil shirt
- all the shows will be slightly different but will have the same overall format
- the horse is actually his new pet and is behind the camera
- he's going because he's hungry
- don't fill your house with monkeys and wear sunscreen
- the end show thing on younow actually worked
