To Whom It May Concern:

Please accept this letter of recommendation for Daniel Holmes. Daniel was a student in my African American History class at Saginaw High School last year.

During his time in my class, Daniel always did his work. He completed all projects, papers, and classwork. He has an excellent work ethic and can be counted on to hand in assignments in a timely manner. He is a good listener and can work well in a group environment or individually. He also had one of the highest scores in our school on the SAT. His positive attitude and outstanding work ethic resulted in him receiving the Stand Up Student Award last year as well.

Along with his studies, Daniel has participated in some extra- curricular activities. These include Varsity Football and the Saginaw High Chess Club.

I am positive that Daniel will continue with his great work ethic and success while maintaining a positive personality throughout his endeavors after high school. I highly recommend him for any scholarship or job opportunity.

Sincerely,

Michael Hight
