

EXPECTED DEGREE HOURS

62

WHAT IS AGRIBUSINESS A.S.?

The Associate of Science in Agribusiness is designed to prepare students with a fundamental knowledge of the agriculture industry and practical agriculture business management in areas of: plant science, animal science, economics and technical skills. Students will create life-long learning approaches with practical application in agriculture related to production, distribution and consumption of agricultural goods and services. This A.S. Degree is designed to transfer to a four-year university.
