

A woman went to a pet shop in Harwich and immediately spotted a large, beautiful parrot. There was a sign on the cage that said £50.

"Why so little?" she asked the pet store owner. The owner looked at her and said, "Look, I should tell you first that this bird used to live in a house of some ill repute. In fact, it was raided by the local Police..Laughingly, this was the only arrest they made, the other Birds had flown !"

"So, we've ended up with it"

The woman thought about this, but decided she had to have the Parrot anyway. She took it home and hung the bird's cage up in her living room and waited for it to say something.

The bird looked around the room, then at her, and said, "New house, new madam."

The woman was a bit shocked at the implication, but then thought "that's really not so bad."

When her two teenage daughters returned from school, the bird saw them and said, "New house, new madam, new girls."

The girls and the woman were a bit offended but then began to laugh about the situation considering how and where the parrot had been raised.

Moments later, the woman's husband Doug came home from work. The bird looked at him and said, "Hi Doug."
